**Frightening True Ghostly Encounters and More** John E. Ashcraft, 1994      **Haunted — Incredible True Stories of Ghostly Encounters 2-Book Bundle** Dorah L. Williams, 2014-05-28 It was an irrational decision Despite having just moved into a beautiful new house the Williams family gave in to an odd overwhelming desire to purchase and move into a Victorian home they had come upon by chance They were curious of course as to why the house had in the past had such a high vacancy rate But that curiosity didn't last long because shortly after moving in strange things began to happen At first the family tried telling themselves there were logical explanations for the strange things they all were witnessing But before long they came to accept the fact that they were sharing their home with ghosts Haunted is the Williams family's story from the point of view of the mother Dorah Through her chilling reminiscences we witness the all too real goings on in the house Upon writing Haunted Dorah thought her situation was unique What she didn't realize was how many others would relate to how it feels to be haunted too After being flooded by emails from people with similar experiences Dorah began to realize this wasn't uncommon at all So Haunted Too came to be Not only will it entertain the reader as good ghost stories always have but it will also help the reader to better understand this phenomenon with the inclusion of shared experiences opinions and advice of professionals in this field      **The Ghost Next Door** Mark Alan Morris, 2004-01-04 A collection of chilling stories eerily believable and truly spooky very strongly recommended Midwest Book Review Most people think of ghosts as rare elusive creatures that are more or less inaccessible to the average Joe Sure we read about them watch TV shows about them and tell stories about them but we'll probably never run into one right Don't be so sure Even if you've never personally encountered a ghost chances are you know someone who has The Ghost Next Door takes a revealing look into the lives of average everyday people from across the country who have had experiences in the realm of the unexplained Whether you're a true believer in ghosts or a hard nosed skeptic you're sure to get a chill or two when you read about the woman who was visited by her grandfather on the night of his funeral Or the man who was forced to move by a troublesome spirit only to find it had followed him As you make your way through these and other genuinely spooky stories you'll probably find that ghostly encounters are a lot more common than you had imagined Could there be a haunted house in your town Perhaps on your very street Maybe even right next door      **Stalked in the Woods**, 2016-11-22 Don't go in the Woods You might not come back Are you Intrigued by true Creepy Stories in the Woods Do you like stories that make the hairs on the back of your neck go up Stories of Unexplained things in the Woods Creepy Encounters Scary Stories that send a shiver down your spine In the woods in the dark alone or at least you thought you were alone and that's when your heart starts pounding Creepy Encounters in the Woods Horrifying true stories of people being stalked in the woods by something undefined Creepy camping stories that will make you never want to go camping again True cabin in the woods stories Unexplained Mysteries in the woods that defy explanation Paranormal and Ghost stories Cryptids Bigfoot or something else True Stories that make you check your doors
