The Frog and The Redneck Ward Koon, 2005-03-03 The Frog and the Redneck is the story of an interracial couple brought up in the South just miles away physically but in two very different and separate cultures Only the Lord knew what would happen when they were put together And as unlikely as it might have once sounded and as different as it might have appeared it turned out to be a deliciously palatable and successful combination So if you're looking for a tale of faith hope perseverance and love look no more The Frog and the Redneck is delectable
