Fragments From The Frag Pool Haiku After Basho:

Fragments from the Frag Pool Gary Barwin, Derek Alexander Beaulieu, 2005 Gary Barwin and Derek Beaulieu's seamless collaboration has resulted in *fragments from the frag pool haiku after Basho*. This collection of poetry mixes joy with rigour, playfulness with contemplation and the absurd with pure poetic passion. Barwin and Beaulieu have created poetry that is wise, witty and wry. Filled with translations, responses, remixes and new takes on Matsuo Basho's famous frog haiku, *fragments from the frag pool* exuberantly ripples genre expectation and meaning. Prepare to be splashed by this pool. *Verse and Worse* Steve McCaffery, 2010-01-26 *Verse and Worse* Selected and New Poems of Steve McCaffery 1989-2009 presents texts from the last two decades of work by Steve McCaffery, one of the most influential and innovative of contemporary poets. The volume focuses on selections from McCaffery's major texts including *The Black Debt*, *Theory of Sediment*, *The Cheat of Words* and *Slightly Left of Thinking*, but also features a substantial number of previously ungathered poems. As playful as they are cerebral, McCaffery's poems stage an incessant departure from conventional lyrical and narrative methods of making meaning. For those encountering McCaffery's work for the first time as well as for those who have followed the twists and turns of his astonishingly heterogeneous poetic trajectory over the past four decades, this volume is essential reading.

Yiddish for Pirates Gary Barwin, 2016 In the years around 1492, Moishe, a Bar Mitzvah boy, leaves home to join a ship's crew where he meets Aaron, the polyglot parrot who becomes his near-constant companion. But inquisition Spain is a dangerous time to be Jewish, and Moishe joins a band of hidden Jews trying to preserve some forbidden books. He falls in love with a young woman, Sarah, though they are separated by circumstance. Moishe's wanderings are motivated as much by their connection as by his quest for loot and freedom. When all Jews are expelled from Spain, Moishe travels to the Caribbean with the ambitious Christopher Columbus, a self-made man who loves his creator. Moishe eventually becomes a pirate and seeks revenge on the Spanish while seeking the ultimate booty, the Fountain of Youth. Bestseller, Winner of the 2017 Stephen Leacock Memorial Medal for Humour 2016. *Public Poetics* Bart Vautour, Erin Wunker, Travis V. Mason, Christl Verduyn, 2015-06-08 *Public Poetics* is a collection of essays and poems that address some of the most pressing issues of the discipline in the twenty-first century. The collection brings together fifteen original essays addressing public poetry and poetics from the situated space of Canada while simultaneously troubling the notion of the nation as a stable term. It asks hard questions about who and what count as publics in Canada. Critical essays stand alongside poetry as visual and editorial reminders of the cross-pollination required in thinking through both poetry and poetics. *Public Poetics* is divided into three thematic sections. The first contains essays surveying poetics in the present moment through the lens of the public-private divide, systematic racism in Canada, the counterpublic, feminist poetics, and Canadian innovations on postmodern poetics. The second section contains author-specific studies of public poets. The final section contains essays that use innovative renderings of poetics as a means of articulating alternative communities and practices. Each section is paired with a

collection of original poetry by ten contemporary Canadian poets This collection attends to the changing landscape of critical discourse around poetry and poetics in Canada and will be of use to teachers and students of poetry and poetics A Bibliography of Conceptual Writing yigru zelti, 2017-01-27 The first final version of a never ending project a bibliography of conceptual literature not just appropriation based conceptualism but also relatively rigorous forms of flarf concrete poetry and so on Like the editors of the anthology I'll Drown My Book Conceptual Writing by Women I consider a more inclusive definition At least in my version and I invite other people to continue it if they can want to there are more than a thousand books and hundreds of authors included from different countries nationalities genders as different as it is possible for now of course Authors are sorted alphabetically books by the same author chronologically More about the process and about my views on conceptualism can be found in the opening of the book For free PDF check <http://khora.impex.com> P S The file of v1.0 did not make it through Lulu printers sorry to those of you who ordered it This sadly b/w version contains corrections and additions *Quill & Quire*, 2005 **Textual Choices in Discourse** Barbara Dancygier, José Sanders, Lieven
