## **From A Seaside Town:**

From a Seaside Town Norman Levine, 1970 Joseph Grand the hero of *From a Seaside Town* is a travel writer struggling to eke out an existence in an English seaside town. He introduces us to the small circle of relatives and companions who figure in his life. As he explores the sequence of events that led him to his present state of limbo, it becomes apparent that his crisis is not merely financial but also a crisis of personal identity. A Canadian Jew, Grand has spent a lifetime seeking to submerge his past. Now, as a consequence, he discovers that he belongs nowhere. By turns comic and moving, this beautifully observed and beautifully written novel is a striking example of Norman Levine's artistry. *From a Seaside Town* has quietly become a classic. It is a book which simply will not go away.

Wild Coast Marianne Taylor, 2015-05-21 A celebration of the wildlife and landscapes of Britain's most vital wildlife habitats: those that make up our coastline. Sheer limestone crags resound with the voices of thousands of bickering seabirds; endless acres of estuarine mud are packed with squirming invertebrates that sustain thousands of wading birds. In between are the dazzling chalk outcrops of the south coast with glorious floral communities on the clifftop meadows, shingle beaches where terns and plovers hide their eggs among the stones, and dune systems bound together with marram grass and supporting a unique and fragile ecosystem. Rocky shores, harbour microcosms of marine life when the retreating tide leaves rockpools exposed for our exploration, and even the rowdiest seaside towns have their own special wildlife alongside the wild nightlife. Grand-scale colour photos bring the wild coast and its inhabitants to life while the text tells you what you'll see and where. From Land's End to John O'Groats via the scenic route. Beautifully illustrated with colour photographs and authoritative text, this book is a celebration of the wilder aspects of the UK's coasts.
