From Black To Biracial:

From Black to Biracial Kathleen Korgen, 1998-02-24 Is a person with both a white and African American parent black Thirty years ago in American society the answer would have been yes Today the answer most likely depends on whom you ask According to the U S Census a person with both a black and a white parent is in fact black However most young persons who fit this description describe themselves as biracial both black and white Most young Americans whatever their racial background agree Since the Voting Rights Act of 1965 signaled the culmination of the Civil Rights Movement a transformation has occurred in the racial self definition of Americans with both an African American and a white parent This book describes the transformation and explains why it has occurred and how it has come about Through extensive research and dozens of interviews Korgen describes how the transformation has its roots in the historical and cultural transitions in U S society since the Civil Rights era A ground breaking book From Black to Biracial will help all Americans understand the societal implications of the increasingly multiracial nature of our population From affirmative action to the present controversy over the U S Census 2000 the repercussions of the transformation in racial identity related here affect all race based aspects of our society Students and faculty in sociology and multicultural studies business leaders and general readers alike will benefit from reading this work

Black Millennials Jacquelin Darby, 2020-11-03 Black Millennials is an edited collection of writings that speak to the unique experience of the Black millennial in regard to identity career and social engagement in modern society and business This book is unique in that it is written by Black millennials who are using their knowledge and expertise to speak and give voice to a generation of people who are being overlooked in both research and in the community This book aptly starts a deeper conversation with a generation that is stuck in between what the future can be and what the past has already created

Raising Biracial Children Kerry Rockquemore, Tracey A. Laszloffy, 2005 As the multiracial population in the United States continues to rise new models for our understanding of mixed race children and how their conception of racial identity must be developed A wide divide between academics who research biracial identity and the everyday world of parents and practitioners who raise and deal with mixed race children exists This book aims to fill this gap by providing an extensive synthesis of the existing research in the field as well as a model for better understanding the unique process of racial identity development for mixed race children Raising Biracial Children provides parents educators social workers and anyone interested in multiracial issues with an accessible framework for understanding healthy mixed race identity development and to translate those findings into practical care giving strategies

Biracial in America Nikki Khanna, 2011-09-16 Elected in 2008 Barack Obama made history as the first African American president of the United States Though recognized as the son of a white Kansas born mother and a black Kenyan father the media and public have nonetheless pigeonholed him as black and he too self identifies as such Obama s experience as an American with black and white ancestry though compelling because of his celebrity is not unique and raises several questions about the growing

number of black white biracial Americans today How are they perceived by others with regard to race How do they tend to identify And why Taking a social psychological approach Biracial in America identifies influencing factors and several underlying processes shaping multidimensional racial identities This study also investigates the ways in which biracial Americans perform race in their day to day lives One s race isn t simply something that others prescribe onto the individual but something that individuals do The strategies and motivations for performing black white and biracial identities are explored

Beyond Black Kerry Ann Rockquemore, David L. Brunsma, 2007-12-14 Beyond Black is a groundbreaking study of the dynamic meaning of racial identity for multiracial people in post Civil Rights America Kerry Ann Rockquemore and David Brunsma document the wide range of racial identities that individuals with one Black and one White parent develop and they provide a incisive sociological explanation of the choices facing those who are multiracial Stemming from the controversy of the 2000 Census and whether an additional multiracial category should be added to the survey this second edition of Beyond Black uses both survey data and interviews of multiracial young adults to explore the contemporary dynamics of racial identity formation The authors raise even larger social and political questions posed by expanding racial categorization on the U S Census

Obama and the Biracial Factor Andrew J Jolivette, 2012-02-01 Since the election in 2008 of Barack Obama to the Presidency of the United States there have been a plethora of books films and articles about the role of race in the election of the first person of color to the White House None of these works though delves into the intricacies of Mr Obama s biracial background and what it means Obama and the Biracial Factor is the first book to explore the significance of mixed race identity as a key factor in the election of President Obama and examines the sociological and political relationship between race power and public policy in the United States with an emphasis on public discourse and ethnic representation in his election Jolivette and his co authors bring biracial identity and multiraciality to forefront of our understanding of racial projects since his election Additionally the authors assert the salience of mixed race identity in U S policy and the on going impact of the media and popular culture on the development implementation and interpretation of government policy and ethnic relations in the U S and globally Obama and the Biracial Factor speaks to a wide array of academic disciplines ranging from political science and public policy to sociology and ethnic studies

Race Struggles Theodore Koditschek, Sundiata Keita Cha-Jua, Helen A. Neville, 2009 The essays in this collection start with the premise that although race like class and gender is socially constructed all three categories have been shaped profoundly by their context in a capitalist society Race in other words is a historical category that develops not only in dialectical relation to class and gender but also in relation to the material conditions in which all three are forged In addition to discussing and analyzing various dimensions of the African American experience contributors also consider the ways in which race plays itself out in the experience of Asian Americans and in the very different geopolitical environments of the British Empire and postcolonial Africa Contributors are Pedro Caban Sundiata Keita Cha Jua David Crockett Theodore Koditschek Scott Kurashige Clarence

Lang Minkah Makalani Helen A Neville Ibitola O Pearce David Roediger Monica M White and Jeffrey Williams **Black, White Or Mixed Race?** Ann Phoenix, Barbara Tizard, 2005-07-05 The number of people in racially mixed relationships has grown steadily over the last thirty years yet these people often feel stigmatised and unhappy about their identities The first edition of *Black White or Mixed Race* was a ground breaking study this revised edition uses new literature to consider what is now known about racialised identities and changes in the official use of mixed categories All new developments are placed in a historical framework and in the context of up to date literature on mixed parentage in Britain and the USA Based on research with young people from a range of social backgrounds the book examines their attitudes to black and white people their identity their cultural origins their friendships their experiences of racism This was the first study to concentrate on adolescents of black and white parentage and it continues to provide unique insights into their identities It is a valuable resource for all those concerned with social work and policy **Why Are All the Black Kids Sitting Together in the Cafeteria?** Beverly Daniel Tatum, 2017-09-05 The classic New York Times bestselling book on the psychology of racism that shows us how to talk about race in America Walk into any racially mixed high school and you will see Black White and Latino youth clustered in their own groups Is this self segregation a problem to address or a coping strategy How can we get past our reluctance to discuss racial issues Beverly Daniel Tatum a renowned authority on the psychology of racism argues that straight talk about our racial identities is essential if we are serious about communicating across racial and ethnic divides and pursuing antiracism These topics have only become more urgent as the national conversation about race is increasingly acrimonious This fully revised edition is essential reading for anyone seeking to understand dynamics of race and racial inequality in America *Dictionary of Multicultural Psychology* Lena E. Hall, 2004-10-28 This dictionary is an up to date volume that contains numerous references to relevant concepts and terms in the field of multicultural psychology Professor Lena Hall has collected studied and analyzed a multitude of terms in her eleven years of teaching multicultural psychology and she has gathered them together in this handy accessible reference book **Imagining Black America** Michael Wayne, 2014-02-25 DIVScientific research has now established that race should be understood as a social construct not a true biological division of humanity In *Imagining Black America* Michael Wayne explores the construction and reconstruction of black America from the arrival of the first Africans in Jamestown in 1619 to Barack Obama s reelection Races have to be imagined into existence and constantly reimagined as circumstances change Wayne argues and as a consequence the boundaries of black America have historically been contested terrain He discusses the emergence in the nineteenth century and the erosion during the past two decades of the notorious one drop rule He shows how significant periods of social transformation emancipation the Great Migration the rise of the urban ghetto and the Civil Rights Movement raised major questions for black Americans about the defining characteristics of their racial community And he explores how factors such as class age and gender have influenced perceptions of what it means to be black Wayne also considers how slavery and its

legacy have defined freedom in the United States Black Americans he argues because of their deep commitment to the promise of freedom and the ideals articulated by the Founding Fathers became and remain quintessential Americans the incarnation of America in the words of the civil rights leader A Philip Randolph div **Hawai'i Is My Haven** Nitasha Tamar Sharma,2021-08-02 Nitasha Tamar Sharma maps the context and contours of Black life in Hawai i showing how despite the presence of anti Black racism the state s Black residents consider it to be their haven from racism **Navigating Interracial Borders** Erica Chito Childs,2005-05-24 One of the best books written about interracial relationships to date Childs offers a sophisticated and insightful analysis of the social and ideological context of black white interracial relationships Heather Dalmage author Tripping on the Color Line A pioneering project that thoroughly analyzes interracial marriage in contemporary America Eduardo Bonilla Silva author of Racism without Racists Color Blind Racism and the Persistence of Racial Inequality in the United States Is love color blind or at least becoming increasingly so Today s popular rhetoric and evidence of more interracial couples than ever might suggest that it is But is it the idea of racially mixed relationships that we are growing to accept or is it the reality What is the actual experience of individuals in these partnerships as they navigate their way through public spheres and intermingle in small close knit communities In **Navigating Interracial Borders** Erica Chito Childs explores the social worlds of black white interracial couples and examines the ways that collective attitudes shape private relationships Drawing on personal accounts in depth interviews focus group responses and cultural analysis of media sources she provides compelling evidence that sizable opposition still exists toward black white unions Disapproval is merely being expressed in more subtle color blind terms Childs reveals that frequently the same individuals who attest in surveys that they approve of interracial dating will also list various reasons why they and their families wouldn t shouldn t and couldn t marry someone of another race Even college students who are heralded as racially tolerant and open minded do not view interracial couples as acceptable when those partnerships move beyond the point of casual dating Popular films Internet images and pornography also continue to reinforce the idea that sexual relations between blacks and whites are deviant Well researched candidly written and enriched with personal narratives **Navigating Interracial Borders** offers important new insights into the still fraught racial hierarchies of contemporary society in the United States *Race, Gender, Sexuality, and Social Class* Susan J. Ferguson,2013 *Race Gender Sexuality and Social Class Dimensions of Inequality* edited by renowned researcher and scholar Susan Ferguson presents a contemporary and compelling overview of race ethnicity gender and social class issues in the United States today Taking an intersectional approach the book is organized topically rather than focusing on specific race ethnic subgroups The content is framed around the themes of identity experiences of race class gender or sexuality difference inequality and social change or personal empowerment with historical context threaded throughout to deepen the reader s understanding With engaging readings and cutting edge scholarship the collection is not only refreshingly contemporary but also relevant to students lives

Structural Influence on Biracial Identification Rachel Butts, 2021-05-18 Stemming from the 2000 Census when respondents could indicate more than one racial category for the first time in history *Structural Influence on Biracial Identification* is the first study of its kind to explore how urban environmental dynamics influence biracial identification in the United States Several different biracial pairings are incorporated into the analysis Rachel Butts uses relative model differences to quantify the standing of each racial group on a multi tiered racial hierarchy Notably Butts uses non White biracial groups to contrast minority defined numerically or oppressively The analysis successfully extends macrostructural theory from the context of interracial marriage to the context of interracial identification Much like interracial marriage has been used as evidence of racial integration in the past *Structural Influence on Biracial Identification* presents a compelling argument for using interracial identification for measuring interracial integration in contemporary times *Red and Yellow, Black and Brown* Joanne L. Rondilla, Rudy P. Guevarra, Paul Spickard, 2017-07-03 *Red and Yellow Black and Brown* gathers together life stories and analysis by twelve contributors who express and seek to understand the often very different dynamics that exist for mixed race people who are not part white The chapters focus on the social psychological and political situations of mixed race people who have links to two or more peoples of color Chinese and Mexican Asian and Black Native American and African American South Asian and Filipino Black and Latino and so on *Red and Yellow Black and Brown* addresses questions surrounding the meanings and communication of racial identities in dual or multiple minority situations and the editors highlight the theoretical implications of this fresh approach to racial studies *Mixed Race Students in College* Kristen A. Renn, 2004-07-15 Portrays the diverse experiences and identities of mixed race college students

Multiracial Americans and Social Class Kathleen Odell Korgen, 2010 Annotation As the racial hierarchy shifts and inequality between Americans widens it is important to understand the impact of social class on the rapidly growing multiracial population *Multiracial Americans and Social Class* is the first book on multiracial Americans to do so and fills a noticeable void in a growing market In this book noted scholars examine the impact of social class on the racial identity of multiracial Americans in highly readable essays from a range of sociological perspectives In doing so they answer the following questions Who is multiracial How does class influence racial identity How does social class status vary among multiracial populations Do you need to be middle class in order to be an honorary white What is the relationship between social class culture and race How does the influence of social class compare across multiracial backgrounds What are multiracial Americans explanations for racial inequality in the United States *Multiracial Americans and Social Class* is a key text for undergraduate and postgraduate students researchers and academics in the fields of sociology race and ethnic studies social stratification race relations and cultural studies ***Black, Jewish, and Interracial*** Katya Gibel Mevorach, 1997-10-13 How do adult children of interracial parents where one parent is Jewish and one is Black think about personal identity This question is at the heart of Katya Gibel Azoulay's *Black Jewish and Interracial* Motivated by her own

experience as the child of a Jewish mother and Jamaican father Gibel Azoulay blends historical theoretical and personal perspectives to explore the possibilities and meanings that arise when Black and Jewish identities merge As she asks what it means to be Black Jewish and interracial Gibel Azoulay challenges deeply ingrained assumptions about identity and moves toward a consideration of complementary racial identities Beginning with an examination of the concept of identity as it figures in philosophical and political thought Gibel Azoulay moves on to consider and compare the politics and traditions of the Black and Jewish experience in America Her inquiry draws together such diverse subjects as Plessy v Ferguson the Leo Frank case passing intermarriage civil rights and anti-Semitism The paradoxical presence of being both Black and Jewish she argues leads questions of identity identity politics and diversity in a new direction as it challenges distinct notions of whiteness and blackness Rising above familiar notions of identity crisis and cultural confrontation she offers new insights into the discourse of race and multiculturalism as she suggests that identity can be a more encompassing concept than is usually thought Gibel Azoulay adds her own personal history and interviews with eight other Black and Jewish individuals to reveal various ways in which interracial identities are being lived experienced and understood in contemporary America

Culturally Diverse Counseling Elsie Jones-Smith, 2018-10-09 *Culturally Diverse Counseling Theory and Practice* by Elsie Jones Smith adopts a unique strengths based approach in teaching students to focus on the positive attributes of individual clients and incorporate those strengths along with other essential cultural considerations into their diagnosis and treatment With an emphasis on strengths as recommended in the 2017 multicultural guidelines set forth by the American Psychological Association APA this comprehensive text includes considerations for clinical practice with twelve groups including older adults immigrants and refugees clients with disabilities and multiracial clients Each chapter includes practical guidelines for counselors including opportunities for students to identify and curb their own implicit and explicit biases A final chapter on social class social justice intersectionality and privilege reminds readers of the various factors they must consider when working with clients of all backgrounds
