Dell, Suzanna R. Millar, Arthur Jan Keefer, 2022-06-09 Study of the wisdom literature in the Hebrew Bible and the contemporary cultures in the ancient Near Eastern world is evolving rapidly as old definitions and assumptions are questioned Scholars are now interrogating the role of oral culture the rhetoric of teaching and didacticism the understanding of genre and the relationship of these factors to the corpus of writings The scribal culture in which wisdom literature arose is also under investigation alongside questions of social context and character formation This Companion serves as an essential guide to wisdom texts a body of biblical literature with ancient origins that continue to have universal and timeless appeal Reflecting new interpretive approaches including virtue ethics and intertextuality the volume includes essays by an international team of leading scholars They engage with the texts provide authoritative summaries of the state of the field and open up to readers the exciting world of biblical wisdom Declining, Yet Shining Richard L. Morgan, 2009-04-01 This book shows how the Bible offers timeless wisdom for any age but has special guidance for older people Author Richard Morgan has chosen 120 Scripture readings in tribute to Moses recorded as living one hundred and twenty years when he died and written a series of reflections on Bible characters whose experience of aging speaks across the centuries to us today Author Jane Marie Thibault asks the question Would you accept the gift of 120 years with joy and gratitude or would you respond according to your circumstances For the first time in the history of humankind many of us may have the opportunity to live that long We can reasonably expect that we will soon accept the gift of 120 years Is this good news or bad news for you Medical science has extended our years and given us longevity but medical science cannot give us meaning for these years The meditations in this book offer stories of older Biblical men and women like Abraham and Sarah Elizabeth and Zechariah Simeon and Ann who offer wisdom on how to find meaning in these later years Morgan's book would be good reading for older adults and those who have not yet had to face the challenges of the later years Its wisdom offers the prayer May you die young at a very old age **Hermetic Behmenists** Dionysius Andreas Freher, Francis Lee, 2017-10-01 Hermetic Behmenists reproduces the writings of Dionysius Andreas Freher and Francis Lee two exceptional commentators on Jacob Boehme's philosophy The texts contained in this book were originally published in 1854 in an edition of 500 given away to friends and sent to university libraries by their editor Christopher Walton They were

never sold in stores Walton was an English Behmenist and devotee of William Law and the texts were assembled as part of a research project that was never completed Notes and Materials Towards an Adequate Biography of William Law Unfortunately Walton presented the texts haphazardly without table of contents in microscopic type with footnotes going up to one hundred pages in length that in turn contained other texts This edition of the writings aims to put the writings of Freher and Lee in a more accessible and readable format Besides Walton's book only fragments of Freher's writings have been published A great quantity of writings have been preserved in manuscript form Freher was referred to as Second to Boehme in his capacity as a commentator on Boehme's philosophy making the inaccessibility of his works an unfortunate loss

The Oxford Handbook of the Trinity Gilles Emery, Matthew Levering, 2011-10-27 This Handbook surveys the complex history of Trinitarian theology and reveals the Nicene unity still at work among Christians today despite ecumenical differences Forty five contributors examine doctrinal developments and variations from biblical times to the present day

Rivalrous Masculinities Ann Marie Rasmussen, 2019-04-30 Bringing together the work of both leading and emerging scholars in the field of medieval gender studies the essays in *Rivalrous Masculinities* advance our understanding of medieval masculinity as a pluralized category and as an intersectional category of gender The essays in this volume are distinguished by a conceptual focus that goes beyond heteronormativity and by their attention to constructions of medieval masculinity in the context of femininity class religion and place Some widen the field of medieval gender studies inquiry to include explorations of medieval friendship as a framework or culture of arousal and deep emotionality that produced multiple complex ways of living intensely with respect to gender and sexuality without reducing all forms of intimacy to implicit sexuality Some examine intersections of identity explicating change and difference in conventional modes of gender with regards to regional culture religion race or class In order to ground this intersectional and interdisciplinary approach with the appropriate disciplinary expertise the essays in this volume represent a broad cross section of disciplines art history religious studies history and French Italian German Yiddish Middle English and Old English literature Together they open up new intellectual vistas for future research in the field of medieval gender studies Contributors include Ann Marie Rasmussen Clare A Lees Gillian R Overing J Christian Straubhaar Jones Astrid Lembke Darrin Cox F Regina Psaki Corinne Wieben Ruth Mazo Karras Diane Wolfthal Karma Lochrie and Andreas Krass
