heavenly stories and their earthly meanings Learn to Lose A LITTLE to GAIN MUCH MORE IN RETURN Pierre Fenelon, 2025-08-06 The Bible teaches us that life is a journey there is a beginning and certainly there is an ending In this life s journey for everyone the pathways seem different and sometimes the journey itself becomes a struggle and different as we go along It was not supposed to be that way something had happened unfortunately which made everything change both in the visible and in the invisible about this life For each generation since the beginning of human existence we have seen people being born and people who were dying not in a specific time only but also of all ages We seem to understand the paradigm of birth among humanity because in many ways it propels the idea of living of something to look forward to and it raises up our hopes our expectations throughout the journey but we still grapple with the mystery of death and it scares us a lot because generally its effect has left us with unanswered questions In this book Learn to lose a little to gain much more in return Understand the law of reciprocity The author intends to remove any doubt you might have concerning life itself and of course concerning the mystery of death There is not going to be a formula that can take away your struggles but this book will help you understand your struggles and help you with some principles to know how to navigate through life in spite of all the struggles it brings For everyone the journey may have been different when it began and along the way life may have been totally unfair but the destination can be rewarding if each individual seeks to apply God s principles of this life s journey The struggles the chaos of this life at last will not bother anybody anymore once you reach that glorious destination The fact is we all can get there safely but only if each one of us meets the requirements Would you like to go there Aren t you curious to know how to get there Come start reading the book right away to find out Do Yourself a Favor...Forgive Joyce Meyer, 2012-04-03 Building on her signature message of using the mind to master difficult emotions Joyce Meyer focuses on the most destructive insidious one of all anger It is responsible for broken relationships sleepless nights high blood pressure and ulcers It destroys friendships marriages and families not to mention peace of mind Anger is especially hard to handle for many Christians who have learned from childhood that good Christians don t get angry Meyer argues that properly handled anger is an alert system that something is wrong and needs to be resolved In her latest book she delves into the important process of forgiving explaining its positive impact on the roots the forms and the results of anger Why forgive Joyce explains that forgiving is the only thing that can free one from the terrible turmoil that anger causes to spill over into every part of life Meyer understands that life will never be fair but that is not a reason to let anger destroy our well being and health This is her guide to navigating that thorny territory and finding true peace Expository Notes, with Practical Observations, on the New Testament of Our Lord and Saviour Jesus Christ ,1815 **Gospel Herald** ,1909 **Untouched Innocence** Christine Adrow, 2022-01-14 We have heard some ministers say that it is your belief that will send you to hell and not your sins and this can be misleading Because some of you might be deceived into thinking that you can keep sinning as long as you believe there is a God Not only are some of you living your lives to reflect that kind of thinking you are expressing it from your mouth

If one does not repent and remove from him his sins he does not profit his soul any good thing Remember repenting is part of the process to become sanctified All sins big and small shall be repented of and forgiven And remember also have you forgiven so that your sins can be forgiven you also It all works together for your salvation to be intact If you die with any of these sins still part of you which you have not bothered to repent off my Bible tells me that you cannot enter the kingdom of God Think about this if you really believe there is a God and there is you are going to come to a point where you are going to not want to sin before Him and get right with Him You re going to judge your own self because your conscience is going to weigh you down Don t focus on the sugarcoated babblings of man and his weak human wisdom but do focus on the precious bloodshed mercy of Jesus Those sins that yield short lived pleasure are only temporary and lead directly to the gates of hell but your salvation leads directly to Jesus through eternity Be on the safe side just repent and get right with God It is the only way This book was written for personal enrichment and Christian training It gives the reader clear easy instructions and Scripture references for the reader to research This book appeals to young people to make that change in their lives that Jesus is calling for There is also a worksheet to help the reader interact with the book If you would like to give me your thoughts about the book and whether it answered any of your concerns send them at Christine adrow gmail com
