Indian nationalists against the British Empire this book argues that the basis for Third World or Non Aligned Movement was formed long before the Cold War It follows the connections between nationalist activists of both colonies through the first half of the twentieth century using personal memoirs intelligence reports journal articles records of conference proceedings and secondary literature It illuminates how Egyptian nationalists recognized a shared dilemma with Indian nationalists and cooperated with them to mobilize against imperialism worldwide **The Global Politics of Jesus** Nilay Saiya, 2022 A unique timely and wide ranging book that formulates and applies an ethic of Jesus to the realm of global politics Since the fourth century Christians have wrestled with how they should interact with political authority The most common view holds that while their ultimate loyalty rightfully belongs to God Christians also have allegiance to their countries and a moral responsibility to transform their political systems In *The Global Politics of Jesus* Nilay Saiya provides a normative critique of this conventional view and advances an alternative approach While it may seem natural for the church to fervently engage in political life and cultivate a close relationship with the state Saiya argues that such beliefs result in a paradox of privilege As he shows when the church yields to the seduction of political power when enjoying the benefits of an alliance with the state it

struggles to adhere to its tenets and when it resists the allure of state power it does its best work This unique and wide ranging book examines the paradox of privilege in some of the most important areas of global politics and considers its implications for the church itself 7 Deadly Scenarios Andrew Krepinevich,2010-08-31 A global pandemic finds millions swarming across the U S border Major American cities are leveled by black market nukes China s growing civil unrest ignites a global showdown Pakistan s collapse leads to a hunt for its nuclear weapons What if the worst that could happen actually happens How will we respond Are we prepared These are the questions that Andrew F Krepinevich asks and answers in this timely and often chilling book As a military expert and consultant Krepinevich must think the unthinkable based on the latest intelligence and geopolitical trends and devise a response in the event our worst nightmares become reality As riveting as a thriller 7 Deadly Scenarios reveals the forces both overt and covert that are in play the real ambitions of world powers terrorist groups and rogue states and the actions and counteractions both our enemies and our allies can be expected to take and what we must do to prepare before it s too late From Old Mesopotamia to the New British Mandate in Iraq ... Henry Albert Foster,1929 **Belief and Bloodshed** James K. Wellman,2007 Intended for students as well as scholars of religion and violence Belief and Bloodshed Religion and Violence across Time and Tradition discusses how the relationship between religion and violence is not unique to a post 9 11 world_it has existed throughout all of recorded history and culture

Israel, the Church, and the Last Days Dan Juster,Keith Intrater,2005 Covering relevant issues now transpiring in the Middle East Israel the Church and the Last Days examines questions on the Last Days and Israel s place in the end times among other topics and presents a new perspective on these issues Social Issues Knighthood of Christian Warriors Dr Donald Bell,2009-12 THIS BOOK ADDRESSES VITAL QUESTIONS CONCERNING ENDTIME EVENTS DEPICTED IN THE BOOK OF REVELATION AND THE CALLING OF WARRIOR SPIRITED CHRISTIANS OF THIS GENERATION We are right on the verge of devastating events that will create great fear and chaos throughout the world and especially in our comfort seeking nation These are end time events that are quite mystifying but extremely critical for this generation of Christianity to understand The mission of this book is to provide a clearer understanding of these times by looking at biblical prophecy through our 21st century eyes It is intended to feed the warrior spirit within that Christian remnant who are aware of the tremendous challenges that lie before us and are seeking guidance as to what we are about to confront and how to be ready Hopefully this book will encourage many Christians who are discerning that troubling times are about to descend upon the United States as well as the entire world to begin preparing now Those who have seriously prepared will be among the Christian leaders in the Army of God who will stand strong in the glorious power of our Lord in the midst of these catastrophic times This in depth study of the Book of Revelation is truly a serious field guide to help prepare Christian warriors for the great tribulations which will precede the coming of the Lord Jesus Christ to restore His kingdom on the earth Don Bell is currently a partner in a CPA firm in the Pacific Northwest Additionally he served in the Marine Corps for twenty

ARMAGEDDON's SONG 4 'THE LONGEST NIGHT' & 'CROSSING THE RUBICON' Andy Farman,2015-02-09 Volume 4 Two distinct parts of the story Book 1 The Longest Night is set between 8pm and 8am the critical night battle in Germany between NATO and the New Red Army The war in Europe has reached critical mass and it is a race between the Red Army and the newly arrived US and Canadian 4 Corps The winner owns Europe Just one last push by the New Warsaw Pact will clear away SACEUR s gambit and the last division standing between the Red Army and the Channel Ports It is the Longest Night for everyone and the last night for many Book 2 Crossing the Rubicon The war in Europe has reached its bloody end and the troops came home to less than gratitude from the politicians In the Pacific all eyes are on the Spratly Islands as the Allies combat the Chinese 3rd and 6th Armies but the aftermath in Europe may have left the US and the ANZACs standing alone or has it Soldiers have more honour than politicians at the end of the day The End of the World Tom McIver,1999 This bibliography contains careful and bias free annotations of close to 3 500 works written over many centuries about the end of the world predominantly but not entirely from a Christian perspective The books pamphlets websites and selected other media cover a wide variety of eschatological beliefs from the numerous fundamentalist scenarios to the mystical and the violent and include such topics as the Tribulation the Rapture the Millennium Armageddon the Second Coming the Antichrist and the Apocalypse Works on other major religions such as Judaism Islam the mythos of popular cultures Mayan prophecies Norse Ragnarok UFO occult and psychic theories Heaven s Gate Nostradamus and secular theories Y2k computer chaos can be found The work is in four parts plus indexes Entries in the pre 1800 part are arranged chronologically beginning with the Books of Enoch in the second century BC Other entries are arranged alphabetically within the three chronological subdivisions of 1800 1910 1910 1970 and post 1970 All include full bibliographic information and annotations regarding format type of work theme the author s background the category of theories espoused distinctive or notable characteristics the intended readership and the significance of the work There are cross references to works by the same author An introduction describes major types of beliefs outlines basic Fundamentalist end of the world scenarios summarizes Biblical sources and explains important terms concepts and relationships among sources The work is extensively indexed by author title and subject The Final Battle for Earth Obinna C. D. Anejionu,2022-08-18 The Final Battle for Earth presents events contained in the Book of Revelation a 2000 year old prophetic book in the Holy Bible as a well orchestrated divine plan to take over the control of the earth from Satan This final battle to crush Satan and his minions will be accompanied by a series of cataclysmic natural and anthropogenic events hunger economic crisis war pandemics and unprecedented natural disasters that may be attributed to climate change There is a consensus that the earth is facing a dangerous future The United Nations projects that almost half of humanity is at risk of dying While the scientific community link this danger to

climatic impacts many Christians believe that the end of age is imminent Cryptic details of the events surrounding the Second Coming of Christ and end of age carefully hidden in the Revelation predict a series of catastrophic events that will cause the death of over half of the world's population The Final Battle for Earth thoughtfully outlines the end time events and challenges long held ideas and theories concerning the end time especially those surrounding the fall of Satan the great the tribulation the rapture the first resurrection the Battle of Armageddon and what is expected of Christians during the end time

ARMAGEDDON's SONG 3 'FIGHT THROUGH' ANDY FARMAN,2015-02-12 The world is at war from the steamy jungles of South America to the high ice of mountain glaciers This is the third of a five part tale of global war and the people under arms on both sides of the conflict NATO won the Battle of the Atlantic at terrible cost and not only in men women and material but to the planet also In Europe the NATO army is close to exhaustion grimly holding its ground along the Elbe and Saale rivers buying time for the US and Canadian 4 Corps to arrive but their grit and determination are frustrating an enemy becoming ever more desperate and a finger hovers over a button marked Nuclear Release

Jerusalem Countdown John Hagee,2007 The author identifies key players in nuclear development and offers prophetic insights *The Way Of One And The Fate of a World Divided* W.Alexander Wheeler, Ph.D.,2019-04-25 One need not hear the words of a prophet to know that we stand at the brink of explosive global change unparalleled in the history of the the world But if we are given the words of a prophet and fail to pay heed such change can now only lead to the final self destructive act in the human tragedy This book delivers to humanity a message commissioned by no less than the universal and unlimited Source of all knowledge wisdom and vision critical to the future survival of our world Like a topographical map that from a bird's eye view indicates to us the path of least resistance the Source points the way beyond war and violence greed and fear

and toward a higher transcendental sanity to match the needs of the critical times in which we live The Way of One Given the ever increasing speed at which we are advancing toward our final destiny we can ill afford to defy or ignore the immortal and dramatic vision of truth that is contained within these pages
