## **From Abyssinian To Zion:**

**From Abyssinian to Zion** David W. Dunlap, 2004 Published in conjunction with a New York Historical Society exhibition this photo filled pocket size guidebook by a New York Times senior writer covers 1 079 houses of worship in New York City

**From Abyssinian to Zion** David W. Dunlap, 2002      **God in Gotham** Jon Butler, 2020-09-29 Perhaps nothing has ever been so frightening to people of faith as the modern Pluralistic and rationalizing modernity would seem the antithesis of traditional religious practice But as historian Jon Butler shows even Manhattan the supposed capital of American secularism has consistently proven a place steeped in devotion      *A Line of Fathers and Sons from Henry Woodward (1611-1683) of Childwall, Lancashire, England, and Northampton, Massachusetts* Hobson Woodward, 2023-09-15 A genealogical study of a line of the Woodward family from Henry Woodward 1611 1683 of Lancashire England and Northampton Massachusetts to George Stedman Woodward 1874 1955 of Cincinnati Ohio      The Travels of Marco Polo (Vol. 1&2) Marco Polo, Rustichello of Pisa, 2023-11-14 The Travels of Marco Polo Vol 1 2 is a monumental exploration of medieval experiences across vast and diverse landscapes This collection spans a rich tapestry of genres from anecdotal narratives geographic descriptions to historical accounts capturing the curiosity and thirst for knowledge intrinsic to the 13th century Its narratives traverse through bustling bazaars imperial courts and mystical lands offering a plethora of voices and stories that collectively forge a path of discovery Among its significant sections tales of the Great Khan s court and the intricate network of Silk Road trading routes stand out illustrating the blend of myth and reality that characterizes medieval travel literature The collaborative efforts of Marco Polo a Venetian merchant and Rustichello of Pisa a skilled writer are instrumental in bringing these epochal adventures to life Their diverse backgrounds melding the mercantile prowess of the west with the literary finesse of the Italian peninsula give the work a distinctive voice that resonates with the spirit of exploration This anthology aligns itself with the broader medieval tradition of travel tales offering a window into cross cultural exchanges and the burgeoning global consciousness of the era Recommended for anyone eager to delve into historical currents and narratives this anthology offers a distinct synthesis of observation imagination and recorded history It allows readers to explore numerous cultures through the lenses of Polo s travels presenting a chorus of perspectives that transcends the limitations of time The depth of exploration makes it a valuable educational resource fostering an appreciation for the multicultural dialogues that have shaped our histories      The Travels of Marco Polo Marco Polo, Sir Henry Yule, Henri Cordier, 1993-01-01 A vast treasury of invaluable observations on the peoples and geography of the Near East and Asia in the 13th century Detailed descriptions of cities customs laws crops animals politicals more      **A Mysterious Something in the Light** Tom Williams, 2013-09-01 The life of Raymond Chandler has long been obscured by secrets and half truths as deceptive as anything in his novel The Long Goodbye Now drawing on new interviews previously unpublished letters and archives on both sides of the Atlantic Tom Williams casts a new light on this most mysterious of writers The Raymond Chandler revealed is a man troubled by loneliness

and desertion from an early age Born in Chicago in 1888 his childhood was overshadowed by the collapse of his parents marriage his father s alcohol fuelled violence eventually forcing the boy and his doting mother to leave for Ireland and later London But class bound England proved stifling and Chandler in his twenties and eager to forge a new life returned to the United States where in corruption ridden Los Angeles he met his one great love Cissy Pascal a married woman eighteen years his senior It was only during middle age after his alcoholism wrecked a lucrative career as an oilman that Chandler seriously turned to crime fiction And his legacy the lonely ambiguous world of Philip Marlowe endures compelling generations of crime writers to follow him In this long awaited new biography Tom Williams shadows one of the true literary giants of the twentieth century and considers how crime writing was raised to the level of art *The Travels of Ser Marco Polo* Marco Polo,1929 **The Book of Ser Marco Polo, the Venetian** Marco Polo,1903 The Travels of Marco Polo (Complete) Marco Polo da Pisa Rusticiano, Of all that I have named Ptolemy as the latest possessed the greatest extent of knowledge Thus towards the North his knowledge carries him beyond the Caspian and he is aware of its being shut in all round like a lake a fact which was unknown in the days of Strabo and Pliny though the Romans were already lords of the world But though his knowledge extends so far a tract of 15 degrees beyond that sea he can describe only as Terra Incognita and towards the South he is fain to apply the same character to all beyond the Equinoxial In these unknown regions as regards the South the first to make discoveries have been the Portuguese captains of our own age but as regards the North and North East the discoverer was the Magnifico Messer Marco Polo an honoured nobleman of Venice nearly 300 years since as may be read more fully in his own Book And in truth it makes one marvel to consider the immense extent of the journeys made first by the Father and Uncle of the said Messer Marco when they proceeded continually towards the East North East all the way to the Court of the Great Can and the Emperor of the Tartars and afterwards again by the three of them when on their return homeward they traversed the Eastern and Indian Seas Nor is that all for one marvels also how the aforesaid gentleman was able to give such an orderly description of all that he had seen seeing that such an accomplishment was possessed by very few in his day and he had had a large part of his nurture among those uncultivated Tartars without any regular training in the art of composition His Book indeed owing to the endless errors and inaccuracies that had crept into it had come for many years to be regarded as fabulous and the opinion prevailed that the names of cities and provinces contained therein were all fictitious and imaginary without any ground in fact or were I might rather say mere dreams Howbeit during the last hundred years persons acquainted with Persia have begun to recognise the existence of Cathay Ramusio vindicates Polo s Geography The voyages of the Portuguese also towards the North East beyond the Golden Chersonese have brought to knowledge many cities and provinces of India and many islands likewise with those very names which our Author applies to them and again on reaching the Land of China they have ascertained from the people of that region as we are told by Sign John de Barros a Portuguese gentleman in his Geography that Canton one of the chief cities of

that kingdom is in 30 of latitude with the coast running N E and S W that after a distance of 275 leagues the said coast turns towards the N W and that there are three provinces along the sea board Mangi Zanton and Quinzai the last of which is the principal city and the King s Residence standing in 46 of latitude And proceeding yet further the coast attains to 50 Seeing then how many particulars are in our day becoming known of that part of the world concerning which Messer Marco has written I have deemed it reasonable to publish his book with the aid of several copies written as I judge more than 200 years ago in a perfectly accurate form and one vastly more faithful than that in which it has been heretofore read And thus the world shall not lose the fruit that may be gathered from so much diligence and industry expended upon so honourable a branch of knowledge     **The Book of Ser Marco Polo** Marco Polo,1921     Race and Real Estate Kevin

McGruder,2015-06-02 Through the lens of real estate transactions from 1890 to 1920 Kevin McGruder offers an innovative perspective on Harlem s history and reveals the complex interactions between whites and African Americans at a critical time of migration and development During these decades Harlem saw a dramatic increase in its African American population and although most histories speak only of the white residents who met these newcomers with hostility this book uncovers a range of reactions Although some white Harlem residents used racially restrictive real estate practices to inhibit the influx of African Americans into the neighborhood others believed African Americans had a right to settle in a place they could afford and helped facilitate sales These years saw Harlem change not into a ghetto as many histories portray but into a community that became a symbol of the possibilities and challenges black populations faced across the nation This book also introduces alternative reasons behind African Americans migration to Harlem showing that they came not to escape poverty but to establish a lasting community Owning real estate was an essential part of this plan along with building churches erecting youth serving facilities and gaining power in public office In providing a fuller more nuanced history of Harlem McGruder adds greater depth in understanding its development and identity as both an African American and a biracial community

Evangelical Gotham Kyle B. Roberts,2016-11-07 At first glance evangelical and Gotham seem like an odd pair What does a movement of pious converts and reformers have to do with a city notoriously full of temptation and sin More than you might think says Kyle B Roberts who argues that religion must be considered alongside immigration commerce and real estate scarcity as one of the forces that shaped the New York City we know today In Evangelical Gotham Roberts explores the role of the urban evangelical community in the development of New York between the American Revolution and the Civil War As developers prepared to open new neighborhoods uptown evangelicals stood ready to build meetinghouses As the city s financial center emerged and solidified evangelicals capitalized on the resultant wealth technology and resources to expand their missionary and benevolent causes When they began to feel that the city s morals had degenerated evangelicals turned to temperance Sunday school prayer meetings antislavery causes and urban missions to reform their neighbors The result of these efforts was Evangelical Gotham a complicated and contradictory world whose influence spread far beyond the shores of

Manhattan Winner of the 2015 Dixon Ryan Fox Manuscript Prize from the New York State Historical Association     *The Trouble of Color* Martha S. Jones, 2025-03-04 An intimate and searching Natasha Trethewey New York Times bestselling author of *Memorial Drive* memoir of family color and being Black white and other in America from one of our country's greatest historians Clint Smith 1 New York Times bestselling author of *How the Word is Passed* Martha S Jones grew up feeling her Black identity was obvious to all who saw her But weeks into college a Black Studies classmate challenged Jones's right to speak Suspicious of the color of her skin and the texture of her hair he confronted her with a question that inspired a lifetime of introspection Who do you think you are Now a prizewinning scholar of Black history Jones delves into her family's past for answers In every generation since her great great great grandmother survived enslavement to raise a free family color determined her ancestors' lives But the color line was shifting and jagged not fixed and straight Some backed away from it others skipped along it and others still were cut deep by its sharp teeth Journeying across centuries from rural Kentucky and small town North Carolina to New York City and its suburbs *The Trouble of Color* is a lyrical deeply felt meditation on the most fundamental matters of identity belonging and family     **Restless Enterprise** Katherine Manthorne, 2020-12-15 Eliza Pratt Greatorex 1819-1897 was America's most famous woman artist in the mid nineteenth century but today she is all but forgotten Beginning with her Irish roots this biography brings her art and life back into focus Breaking conventions for female artists at that time Greatorex specialized in landscapes and streetscapes traveling from the Hudson River to the Colorado Rockies and across Europe and North Africa Her crowning achievement a monumental tome of drawings and narratives titled *Old New York* awakened the public to the destruction of the city's architectural heritage during the post Civil War era Exploring Greatorex's fierce ambition and creative path Katherine Manthorne reveals how her success at forging an independent career in a male dominated world shaped American gender politics visual culture and urban consciousness     *The book of Ser Marco Polo* Colonel Henry Yule, 2023-03-16 Reprint of the original first published in 1871 The publishing house Anapitopi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost

**The Book of Ser Marco Polo, the Venetian** Marco Polo, 2010-12-02 The Book of Ser Marco Polo describes the thirteenth century travels of Marco Polo through Asia Persia China and Indonesia     **An Architecture of Immanence** Mark A. Torgerson, 2007-01-22 Torgerson begins by discussing God's transcendence and immanence and showing how church architecture has traditionally interpreted these key concepts He then traces the theological roots of immanence's priority from liberal theology and liturgical innovation to modern architecture Next Torgerson illustrates this new architecture of immanence through particular practitioners focusing especially on the work of theologically savvy architect Edward Anders Svik Finally he addresses the future of church architecture as congregations are buffeted by the twin forces of liturgical change and postmodernism     [The National Register of Historic Places](#) ,     [The National Register of Historic](#)
