101 Helps for Helpers Linda Johnson Crowell, 2008-03 We were created to care for each other Some such as social workers counselors pastors chaplains seminarians doctors nurses teachers missionaries and many others have experienced a calling and have pursued education and training that equipped them to be professional helpers Others have sensed a calling and out of love passion and compassion help and care for others Still others just help because we are called to bear one another's burdens and to lend a helping hand along life's journey And others took on the task of being a caregiver because that was the thing to do This book is written for helpers and caregivers thus everyone Sometimes helpers become burdened with the load of caring sometimes they need something to lift their spirits sometimes they need a source of new insights and new ideas Yet sometimes they need the comfort that comes from spending time in God's Word meditating on God's promises and seeing how biblical characters found help from God I hope this book will be one that you turn to time and again one that you will share with others As you go along each day use the book as a source for daily meditation reflection and inspiration Or take a break turn to a page or let the book fall open to a page and anticipate how God will send the right message and encouragement that you need for a moment of disappointment discouragement or when you need a word of discernment Better yet find a happy story to make you laugh reminisce and celebrate Be blessed as you help and care for others as well as yourselves Dr Linda Johnson Crowell Visit our website at www.helpfullsource.com Contact us at Help FULL Source P O Box 46904 Bedford Ohio 44146
