expert on Christopher Columbus and everything he did on the island of Hispaniola According to Blanchet the history being taught about Columbus is a fraud Instead of exploration Columbus s true intentions were to amass gold and sell as many slaves as he could to finance his travels Blanchet knows where a large cache of Columbus s gold has been hidden in Haiti for five hundred years With the help of a map Matt now embarks on an incredible journey to recover the gold traveling across previously unexplored terrain The railroad is of little concern as they search for hidden treasure but it s possible Matt is about to find a lot more than riches in the beautiful but dangerous wilds of Hispaniola *Ramón María del Valle Inclán, 'Savage Comedies'* Ramón María del Valle Inclán,2022-03-18 Among the great figures of European modernism Ramón María del Valle Inclán 1866 1936 remains relatively unknown and unappreciated outside his native Spain His large and diverse oeuvre includes prose poetry drama as well as critical and journalistic essays His deeply personal belletristic style evolved from the symbolist aesthetic to the more mature variant of expressionism of his output in the 1920s and 30s which he termed *esperpento* This volume presents translations of his dramatic trilogy *Comedias Bárbaras* *Savage Comedies* consisting of *Cara de plata* *Golden Boy* 1922 *guila de blasón* *The Blazoned Eagle* 1907 and *Romance de Lobos* *Wolves Rampant* 1908 together with notes and an introduction that will provide readers with historical and biographical context **Companion to Literary Myths, Heroes and Archetypes** Pierre Brunel,2015-07-30 First published in French in 1988 and in English in 1992 this companion explores the nature of the literary myth in a collection of over 100 essays from Abraham to Zoroaster Its coverage is international and draws on legends from prehistory to the modern age throughout literature whether fiction poetry or drama Essays on classical figures as well as later myths explore the origin development and various incarnations of their subjects Alongside entries on western archetypes are analyses of non European myths from across the world including Africa China Japan Latin America and India This book will be indispensable for students and teachers of literature history and cultural studies as well as anyone interested in the fascinating world of mythology A detailed bibliography and index are included The Companion provides a fine interpretive road map to Western culture s use of archetypal stories *Wilson Library Review* It certainly is a comprehensive volume extremely useful *Times Higher Education Supplement* Enchanted Evenings Geoffrey Block,2009-10-30 This new second edition of *Enchanted Evenings* offers theater lovers an illuminating behind the scenes tour of some of America s best loved most admired and most enduring musicals Readers will find such all time favorites as *Show Boat* *Carousel* *Kiss Me Kate* *Guys and Dolls* *My Fair Lady* *West Side Story* *Sweeney Todd* *Sunday in the Park with George* and *Phantom of the Opera* Geoffrey Block provides a documentary history of each of the musicals showing how each work took shape and revealing at the same time how the American musical evolved from the 1920s to today both on stage and on screen The book s particular focus is on the music offering a wealth of detail about how librettist lyricist composer and director work together to shape the piece Block also includes trenchant social commentary and lively backstage anecdotes *Jerome Kern* *Cole Porter* *the Gershwins* *Rodgers and Hart* *Kurt Weill* *Rodgers and Hammerstein* *Lerner*

and Loewe Frank Loesser Leonard Bernstein Stephen Sondheim Andrew Lloyd Webber and other luminaries emerge as hardworking craftsmen under enormous pressure to sell tickets without compromising their dramatic vision The second edition includes a greatly expanded chapter on Sondheim a new chapter on Lloyd Webber and two new chapters on the film adaptations of the main musicals featured in the text including such hard to find films as the original 1936 version of *Anything Goes* and the 1959 film adaptation of *Porgy and Bess* Packed with information including a complete discography and plot synopses and song by song scenic outlines for each of the fourteen shows *Enchanted Evenings* is an essential reference as well as a riveting history A solid and fascinating work that should become a model of how to investigate and report on the evolution of a musical Block's research is persuasive and his writing vivid Indispensable for anyone who cares to know more about Broadway musicals than Playbill can provide Steven Bach *The Los Angeles Times Book Review* *The Rhetoric of Topics and Forms* Gianna Zocco, 2021-01-18 The fourth volume of the collected papers of the ICLA congress *The Many Languages of Comparative Literature* includes articles that study thematic and formal elements of literary texts Although the question of prioritizing either the level of content or that of form has often provoked controversies most contributions here treat them as internally connected While theoretical considerations inform many of the readings the main interest of most articles can be described as rhetorical in the widest sense given that the ancient discipline of rhetoric did not only include the study of rhetorical figures and tropes such as metaphor irony or satire but also that of *topoi* which were originally viewed as the places where certain arguments could be found but later came to represent the arguments or intellectual themes themselves Another feature shared by most of the articles is the tendency of undeclared thematology which not only reflects the persistence of the charge of positivism but also shows that most scholars prefer to locate themselves within more specific often interdisciplinary fields of literary study In this sense this volume does not only prove the ongoing relevance of traditional fields such as rhetoric and thematology but provides contributions to currently flourishing research areas among them literary multilingualism literature and emotions and ecocriticism
