disillusioned mobster whose chief and perhaps only remaining virtues are that he doesn't lie and that he can see the whole crooked charade for what it really is. But in a deceitful world of double crossers, profiteers and opportunists, an honest criminal is a rare friend indeed. One worth killing and maybe dying for. Daniel Port is a gangster who wants to get out of the rackets while he's still alive. Max Stoker, his boss and slumlord politico, isn't happy with the decision. Neither is Stoker's political rival Bellamy, who will do anything to get Port on his side to help crush Stoker and gain control of the territory. But Port isn't one to sell out his friends so easily, so he decides to do Stoker one last favor and take care of Bellamy and his goons. Just one last job, and he's out if he can survive.

*What We Found in the Corn Maze and How It Saved a Dragon* Henry Clark, 2020-05-05  
When three kids discover a book of magic spells that can only be cast during a few short minutes a day, they'll need all the time they can get to save a dying magical world, its last dragon, and themselves. An ordinary day turns extraordinary when twelve-year-old Cal witnesses his neighbor Modesty summon a slew of lost coins without lifting a finger. Turns out she has a secret manual of magic spells, but they only work sometimes. And they're the most boring spells ever: To Change the Color of a Room, To Repair a Chimney, To Walk With Stilts, To Untangle Yarn, Useless. But when Cal, his friend Drew, and Modesty are suddenly transported to the world the spells come from, a world that's about to lose its last dragon, they'll have to find a way to use the oddly specific incantations to save the day if only they can figure out when magic works. From the inventive mind of Henry Clark comes a hilariously wacky adventure about magic, friendship, a lookout tower, a maze in the shape of a dragon, an actual dragon named Phlogiston, and lots and lots of popcorn
