## **From A Fathers Heart:**

**From the Father's Heart** Charles Slagle,1992-05 Charles Slagle promises in this book to provide a glimpse into God's heart his nature and ways His literary device is the letter letters written by God to his beloved children and filled with counsel encouragement affection and sometimes reproof      **Letters from the Father's Heart** Ann Yeager,2016-11-23 Letters from the Father's Heart is a unique devotional book written in first person as if God is speaking directly to you and captures the heart of the Heavenly Father He reveals His way of handling life's daily problems and the trials that you face and addresses the lies you believe and refutes these with His truth You begin to see things through His eyes as He shares His heart emotions and desires with you He conveys just how much He loves you by opening up His heart so you can better understand how He thinks and feels This helps you to know and trust Him better and receive His love and in turn develop a closer relationship with Him He explains in ways you can understand what it means to have your identity in Him as you embrace your position as His beloved child and the hope that gives you This book can change your life      **From a Father's Heart** Joyce Beaulieu,2008-06 Contains stories written by fathers who are willing to open their hearts and share the loneliness and heartbreak of losing a child      *The Father's Heart* Mick Murray,2020-01-26 Knowing the Father's heart empowers the follower of Jesus to love and worship God with their whole being Too many Christians allow negative experiences within their own families pop culture and the media to shape their understanding of God as Father God is seen as distant disapproving or exacting We need a deeply biblical understanding of God as revealed most prominently in the life of Jesus to adjust the misconceptions many of us have regarding the character of the Father in order to accelerate spiritual growth In *The Father's Heart* Mick R Murray combines biblical truth with insightful anecdotes to powerfully convey a list of ten distinct attributes of the Father heart of God This book is an invitation to discover again or for the first time how a right understanding of the Father's heart sets us free to risk to love and to really live      *From the Father's Heart* Charles Slagle,1989      **From a Father's Heart to His Children** Mark K. Mullaney,2014-12-01 We live in a society where fathers are clearly absent in the lives of their children Mothers have to raise children without the direct influence of a father Children may never understand the true value of a father and many adults may have grown up never knowing a father I offer my personal experiences challenges and love to those raising children to those who never had a father to those who have no known father and those who would like to know a father I offer my own experiences in an effort to heal and mend hearts all over the world A father offers so much to his children He brings identity strength and protection to every child A true father desires that his children go further than he ever could I put this into every word A child is a gift A mother is affectionate and affirming A father provides foundation and direction Children need to know that they are loved      *From Our Father's Heart* Fathers Heart Publishing,1997-06      **Secrets of a Father's Heart** Duane Swilley,2015-05-22 In a world where so many people grow up without a father it's very important that everyone is exposed to a father's heart Whenever my father would

come to see me in some athletic church or musical event I would always play my best There was something about a father s supporting caring and loving you that brings the best out in you In this story we see the real heart of a father A father s heart is always relational and it s always about restoration A father s heart cannot really be taught to you A father s heart has to be shown by example in front of you Then there can be an impartation in your life where you can take on the mantle of a true father
