In Lutoslawski on Music, the first full collection of writings by this famous composer, Zbigniew Skowron has amassed an exciting assortment of essays, speeches, lectures, and articles many of which are newly translated in English and previously unpublished. After an introductory autobiography, the writings grouped in five parts illustrate various aspects of the composer's creativity and discuss musical form, compositional technique, and perception. Lutoslawski examines his own works as well as those of other composers and expresses his views on crucial aspects of twentieth-century music, including the role of Schoenberg and Debussy and the impact of the western avant-garde of the 1950s. The book also contains Lutoslawski's Artistic Diary, his notebook of ideas written from 1959 to 1984, containing intensely personal reflections that do not appear in his public speeches and writings. Concluding with a select bibliography, this collection will give readers a unique and comprehensive overview of the man and his music, encouraging a full appreciation of Lutoslawski's compositional technique and aesthetic views as well as his position in the history of twentieth-century music New York Magazine ,1980-11-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country.
