From Baltimore To Baker Street Thirteen Sherlockian Studies:

From Baltimore to Baker Street William Hyder,1995 *From Baltimore to Baker Street* William Hyder,1995 *The Sherlock Holmes Miscellany* Roger Johnson,Jean Upton,2012-02-29 This miscellany explores the fascinating and enigmatic world of Sherlock Holmes his place in literary history and how he has become the iconic timeless character who is loved by millions Containing facts trivia and quotes from Sir Arthur Conan Doyle s legendary stories the reader can also explore the often weird and wonderful characters who graced Conan Doyle s pages Do you know the difference between a Penang Lawyer and a Tide Waiter And if you think a life preserver is a cork filled flotation device how does Wilson Kemp fit one into the sleeve of his jacket Sherlock Holmes Inspiring Lives is light hearted and highly informative and perfect for both the Sherlock aficionado and those new to the world of 221B Baker Street *The Critical Reception of Sir Arthur Conan Doyle* Laurence W. Mazzeno,2023 Examines both academic and popular assessments of Conan Doyle s work giving pride of place to the Holmes stories and their adaptations and also attending to the wide range of his published work Twenty first century readers television viewers and moviegoers know Arthur Conan Doyle as the creator of Sherlock Holmes the world s most recognizable fictional detective Holmes s enduring popularity has kept Conan Doyle in the public eye However Holmes has taken on a life of his own generating a steady stream of critical commentary while Conan Doyle s other works are slighted or ignored Yet the Holmes stories make up only a small portion of Conan Doyle s published work which includes mainstream and historical fiction history drama medical spiritualist and political tracts and even essays on photography When Doyle published whatever the subject his contemporaries took note Yet outside of the fiction featuring Sherlock Holmes until recently relatively little has been done to analyze the reception Conan Doyle s work received during his lifetime and since his death This book examines both academic and popular assessments of Conan Doyle s work giving pride of place to the Holmes stories and their many adaptations for print visual and online media but attending to his other contributions to turn of the twentieth century culture as well The availability of periodicals and newspapers online makes it possible to develop an assessment of Conan Doyle s and Sherlock Holmes s reputation among a wider readership and viewership thus allowing for development of a broader and more accurate portrait of Doyle s place in literary and cultural history *The Infernal Holmes* Pasquale J. Accardo,1999 **The Sherlock Holmes Journal** ,1992 **The Baker Street Journal** ,2004 **How Sherlock Pulled the Trick** Brian McCuskey,2021-06-01 A masterful combination of literary study and author biography How Sherlock Pulled the Trick guides us through the parallel careers of two inseparable men Sherlock Holmes and his creator Sir Arthur Conan Doyle Reconsidering Holmes in light of Doyle s well known belief in Victorian spiritualism Brian McCuskey argues that the so called scientific detective follows the same circular logic along the same trail of questionable evidence that led Doyle to the s ance room Holmes s first case A Study in Scarlet was published in 1887 when natural scientists and religious apologists were hotly debating their differences in the London press In this environment Doyle

became convinced that spiritualism as a universal faith based on material evidence resolved the conflict between science and religion The character of Holmes with his infallible logic was Doyle s good faith solution to the cultural conflicts of his day Yet this solution has evolved into a new problem Sherlock Holmes now authorizes the pseudoscience that corrupts our public sphere defying logic revising history and promoting conspiracy theories As this book demonstrates wearing a deerstalker does not make you a mastermind more likely it marks you as a crackpot Fascinating and highly readable How Sherlock Pulled the Trick returns the iconic Holmes to his mystical origins **Sherlock Holmes** Michael Kurland,2010-02-02 A compelling volume of original tales concerning Sherlock Holmes legendary time in America With an introduction by Leslie S Klinger editor and compiler of all three volumes of the Annotated Sherlock Holmes this collection of ten original stories brings light to one of the least examined periods in the life of the great detective his time in the former colonies the United States This Holmes is a youthful one a young man not yet set upon his course in life and in his famous lodgings at 221B Baker Street In Richard Lupoff s Inga Sigerson Weds he s come to America to represent the family at his sister s wedding In My Silk Umbrella Mark Twain narrates his fateful encounter with Holmes at a baseball game in Hartford Connecticut Steve Hockensmith narrates the meeting of the young William Gillette and the object of his later most famous turn upon the stage and Peter Tremayne reveals the intersection of Holmes and the Irish in the 19th century American midwestern landscape With further stories by Marta Randall Rhys Bowen Peter Beagle and others the legend the mythology and even the history of the world s greatest detective is further enhanced by these charming clever and mystifying tales **Baker Street Journal** ,1997 **Sherlock Holmes Handbook** Christopher Redmond,2009-09-28 Here in one convenient volume is everything needed for the enjoyment of Holmess canon The Universal Sherlock Holmes Ronald Burt De Waal,1994 **Antiquarian Bookman** ,1958 The London of Sherlock Holmes Michael Harrison,1972 The author has investigated the neighborhoods and houses that Holmes and his contemporaries real and fictional inhabited The many old photographs found in this book add a dramatic sense of time and place to the author s crisp and unflaggingly interesting text Provided by publisher
