From Decision To Discipleship:

From Decision to Discipleship Roxanne Brant, 1973 **Evangelization and christian development** Akinbowale Adewumi, 2020-01-11 Evangelism is personal witnessing advocacy or public preaching and zealous spreading of the Gospel for the purpose of winning souls Mark 16 15 20 Furthermore evangelism is just a subset of evangelization It connotes continuous discipleship or disciple making where saved persons are taught and incorporated into the life of the church or Christian community in order to reproduce more saints Matthew 28 19 20 He also explains that a nexus exists between Evangelization and Christian Development in which the latter has its root in the former and integrally stems from it The ultimate essence and gamut of evangelization is the continuous healthy growth of its human organ which is the church The intent is to prevent spiritual decay and preserve the moral rectitude of the militant church up until her transition into the glorious triumphant church The book will make a good read for church workers leaders missionaries seminarians and young converts **The Activated Disciple** Jeff Cavins, 2018-11-05 Are you ready to take your faith to the next level If you yearn for a life that moves beyond believing and practicing your faith if you want to radically live your faith if you want a more profound relationship with Jesus Christ then it is time for you to become an activated disciple The Foundation of discipleship is imitation True discipleship requires such a close relationship with God that every area of your life is transformed It is about opening yourself to God and inviting him to dwell within you becoming holy as he is holy loving as he is loving disciples of Christ become the instruments God employs to transform the world Move beyond simply believing and practicing your faith and begin radically living it Overcome obstacles that keep you from being the disciple you are made to be Be a positive influence and an instrument of transformation in the Church *Replicate* Robby Gallaty, Chris Swain, 2020-06-02 A Practical Guide to Creating and Sustaining a Culture of Disciple Making in Any Church Over the last few decades American churches have produced plenty of converts but not as many mature believers Studies show the majority of Christians don't even understand the basics of faith But how do you tackle such a big problem *Replicate* shows church leaders how to make disciples who make disciples and get the rest of your church on board as well This one on one relational ministry is how Jesus laid the foundation for His church that is still growing today and it's how we continue the work in our own local congregations Learn the five marks of a healthy disciple making church how to influence culture uproot misconceptions of the church and the gospel and change your church and community No more focusing on mere numbers it's time to grow in maturity and through multiplication *Journey of a Disciple* D. Stuart Briscoe, Jill Briscoe, 1987 *Conversion and Discipleship* Bill Hull, 2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of

Jesus A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus Being a follower is seen as an optional add on not a requirement It is a choice not a demand Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ In this ground breaking new book pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion answering the call to follow Jesus and discipleship living like the one we claim to follow **The Disciple Maker's**

Handbook Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts **You Are Personally Invited To... Discipleship with Jesus Christ!** Brother

Michael, 2005-04 Capture the same passion and commitment in your pursuit of God's Kingdom and Will for your life Encounter Brother Michael's insightful and prayerful victories as a disciple of Jesus Christ Patterns of Discipleship in the New Testament Richard N. Longenecker, 1996-10-08 Discipleship is a subject that lies at the heart of Christian thought life and ministry For centuries it has been a way of thinking and speaking about the nature of the Christian life But what is actually meant by the notion of Christian discipleship In Patterns of Discipleship in the New Testament thirteen first class scholars examine what the New Testament writings say about the subject of discipleship highlight the features of both unity and diversity that appear throughout the New Testament and suggest in a very readable style how Christian discipleship can be expressed today in ways that honor both the oneness of the gospel and a legitimate variety of lifestyles *Christian Discipleship and Baptism* Charles Stovel, 1846 **Luke** Darrell L. Bock, 1996 Most commentaries focus on the original

meaning of the Bible but don't discuss its contemporary application. The information they offer is valuable but the job is only half done. The NIV Application Commentary Series helps with both halves of Bible study. Discover the original meaning of Luke and how his message has the same impact today. Discipleship in the New Age Vol II Alice A. Bailey, Djwhal Khul, 2013-04-01. Two volumes contain the record of a series of personal and group instructions given to a small group of aspirants over a period of fifteen years by a Master of the Wisdom. They contain detailed teachings on Meditation, Initiation, and the Six Stages of Discipleship. They emphasise the new age pioneering necessity for group work, the development of group consciousness, and the change in training for initiation from individuals to discipleship groups. Discipleship Dietrich Bonhoeffer, 2003-05-01. Cheap grace is the mortal enemy of our church. Our struggle today is for costly grace. And with that sharp warning to his own church, which was engaged in bitter conflict with the official nazified state church, Dietrich Bonhoeffer began his book Discipleship, formerly entitled The Cost of Discipleship. Originally published in 1937, it soon became a classic exposition of what it means to follow Christ in a modern world beset by a dangerous and criminal government. At its center stands an interpretation of the Sermon on the Mount, what Jesus demanded of his followers and how the life of discipleship is to be continued in all ages of the post-resurrection church. Every call of Jesus is a call to death. Bonhoeffer wrote: His own life ended in martyrdom on April 9, 1945. Freshly translated from the German critical edition, Discipleship provides a more accurate rendering of the text and extensive aids and commentary to clarify the meaning, context, and reception of this work and its attempt to resist the Nazi ideology then infecting German Christian churches.

Discipleship from Jesus's Perspective George Gray, 2012-11-17. In this masterful work, George Gray calls the church to live out the most natural expression of her love and obedience to the Master. Grounded in careful exegesis, comprehensive and sensitive to the complexities of modern life, Gray examines the Gospels as a script that reveals not only how Jesus shaped the first disciples but how we must carry on making disciples in His name. David B. Capes, Thomas Nelson Research Professor, Houston Baptist University. Discipleship is not about teaching someone to pray and read his or her Bible; it is about learning how Jesus wants us to pray and read our Bibles. Discipleship is not about the doctrine of the Church but the doctrine of Jesus Christ, the head of the Church. It is not about attending a church service but attending to the Lord Jesus's view of what it means to be the church. In Discipleship from Jesus's Perspective, author George Gray presents a guide for becoming a disciple the way Jesus intended: that discipleship means adhering to His expressed will. Gray carefully examines Jesus's pivotal statements regarding discipleship and unearths the key principles that transform the art of making a disciple from a subjective guessing game to an objective and definitive master plan. Including purposeful questions and exercises, Discipleship from Jesus's Perspective provides practical steps for following the master plan and applying the commands to everyday life to become a true disciple of Jesus. **The Cost of Discipleship** Dietrich Bonhoeffer, 2024-04-30. The Cost of Discipleship is one of the bestselling titles on the SCM Classics list and one of the classics of modern theology. Perhaps

Dietrich Bonhoeffer's most radical book this reading of the Sermon on the Mount has influenced many Christians throughout the world over the last 60 years With a foreword by Stephen Plant Dean of Trinity Hall Cambridge and one of the leading Bonhoeffer scholars of our time Truth Revealed Robert P. Vande Kappelle,2014-11-10 If the New Testament represents the crown jewels of Christianity the Gospel of John is its pearl of great price the most beloved most read most quoted most distinctive most memorable most debated book in its canon Truth Revealed is ideal for individual and group study It divides the Gospel of John into twelve units providing helpful introductory features summaries learning objectives and questions for each unit and concludes by offering perspective on a specific topic that arises as one follows the narrative always with an eye on the big picture namely guidance for daily living Few sayings attributed to Jesus are better known or more widely quoted than the words You shall know the truth and the truth shall make you free John 8:32 At his trial before Pilate Jesus declared that his purpose in life was to witness to the truth Pilate responds with the Gospel's most memorable question What is truth The answer is explored in Truth Revealed a commentary that provides literary theological historical and textual guidelines for understanding the message of this ancient work in a way that is accessible and applicable to twenty first century readers

Leading a Congregation to Relevance C. Dean Waterman,2022-10-17 What is the measure of a successful congregation For most success is in the numbers but the new scorecard is relevance which is deeper and more impactful The fundamentals that bring relevance are not new but have been abandoned by many congregations for the newest methods and trends in church growth Within these pages is a new model for bringing these important fundamentals together They may be taken as a whole or implemented individually but when done so they bring a renewed focus to a congregation which results in lives changed and new relevance to those within the congregation and in the community it exists in *Bonhoeffer* Petra Brown,2019-01-04 Theologian Conspirator Martyr Saint Dietrich Bonhoeffer was killed in the waning days of World War II having been implicated in the July 20th assassination attempt on Hitler Since his death Bonhoeffer's life and writings have inspired contradictory responses He is often seen as a model for Christian pacifist resistance and more recently for violent direct political action Bonhoeffer's name has been invoked by violent anti abortion protestors as well as political leaders calling for support on a war on terror in the aftermath of 9/11 Petra Brown critically analyses Bonhoeffer's writing preceding and during his conspiracy involvement particularly his recurring concept of the extraordinary Brown examines this idea in light of the state of exception a concept coined by the one time Nazi jurist and political theorist Carl Schmitt She also draws on the existentialist philosopher Søren Kierkegaard to consider what happens when discipleship is understood as obedience to a divine command This book aims to complicate an unreflective admiration of Bonhoeffer's decision for conspiracy and draws attention to the potentially dangerous implications of his emerging political theology **Is René Boylèsve a Disciple of Balzac?** ... Aaron Schaffer,1926 **Breaking the Missional Code** Ed Stetzer,David Putman,2006-05-01 Across North America many pastors are excited to see churches growing as they achieve their mission to connect the message of the

gospel with the community at large Still others are equally frustrated following the exact same model for outreach but with lesser results Indeed just because a missional breakthrough occurs in one place doesn't mean it will happen the same way elsewhere One size does not fit all but there are cultural codes that must be broken for all churches to grow and remain effective in their specific mission context Breaking the Missional Code provides expert insight on church culture and church vision casting plus case studies of successful missional churches impacting their communities We have to recognize there are cultural barriers in addition to spiritual ones that blind people from understanding the gospel the authors write Our task is to find the right way to break through those cultural barriers without removing the spiritual and theological ones
