From Enemy Territory Pale Diary:

From Enemy Territory Mladen Vuksanović,2004 Set at the outbreak of the war in Bosnia this diary penned by the award winning journalist Vuksanovic records the extraordinary unfolding of events The author lived in the ski resort of Pale 15km above Sarajevo In April 1992 when Radovan Karadzic launches his savage assault on the city Vuksanoviae refusing to collaborate becomes a prisoner in his own home cut off from his children and friends below He expressed his terror and disgust within these pages During that time he describes in chilling detail not only the horrifying war with the looting ethnic cleansing and betrayal that became commonplace but also the mental strain of war on the individual He and his wife finally managed to escape in a UN refugee bus via Hungary to Croatia smuggling with them these notes from enemy territory

Radovan Karadzic Robert J. Donia, 2014-09-29 This book traces Radovan Karad is personal transformation from an unremarkable family man to the powerful leader of the Bosnian Serb nationalists Based on previously unused documents and trial transcripts this book argues that postcommunist democracy was a primary enabler of mass atrocities because it provided the means to mobilize large numbers of Bosnian Serbs for the campaign to eliminate non Serbs from conquered Surviving the Peace Peter Lippman, 2019-11-15 Surviving the Peace is a monumental feat of ground level reporting land describing two decades of postwar life in Bosnia specifically among those fighting for refugee rights of return Unique in its breadth and profoundly humanitarian in its focus Surviving the Peace situates digestible explanations of the region s bewilderingly complex recent history among interviews conversations and tableaus from the lives of everyday Bosnians attempting to make sense of what passes for normal in a postwar society Essential reading for students of the former Yugoslavia and anyone interested in postwar or post genocide studies Surviving the Peace is an instant classic of long form reporting an impossible accomplishment without a lifetime of dedication to a place and people Peter Lippman s website is http survivingthepeace org Reporting the Siege of Sarajevo Kenneth Morrison, Paul Lowe, 2021-01-14 The Siege of Sarajevo remains the longest siege in modern European history lasting three times longer than the Battle of Stalingrad and over a year longer than the Siege of Leningrad Reporting the Siege of Sarajevo provides the first detailed account of the reporting of this siege and the role that journalists played in highlighting both military and non military aspects of it The book draws on detailed primary and secondary material in English and Bosnian as well as extensive interviews with international correspondents who covered events in Sarajevo from within siege lines It also includes hitherto unpublished images taken by the co author and award winning photojournalist Paul Lowe Together Morrison and Lowe document a relatively short but crucial period in both the history of Bosnia Herzegovina the city of Sarajevo and the profession of journalism The book provides crucial observations and insights into an under researched aspect of a critical period in Europe s recent history Goodbye, Eastern Europe Jacob Mikanowski, 2023-07-11 In light of Russia's aggressive 2022 invasion of Ukraine Goodbye Eastern Europe is a crucial elucidative read a sweeping epic chronicling a thousand years of strife war and

bloodshed from pre Christianity to the fall of Communism illuminating the remarkable cultural significance and richness of a place perpetually lost to the margins of history Eastern Europe has gone out of fashion since the fall of the Soviet Union Ask someone today and they might tell you that Estonia is in the Baltics or Scandinavia that Slovakia is in Central Europe and that Croatia is in the eastern Adriatic or the Balkans In fact Eastern Europe is a place that barely exists at all except in cultural memory Yet it remains a powerful marker of identity for many with a fragmented and wide ranging history defined by texts myths and memories of centuries of hardship and suffering Goodbye Eastern Europe is a masterful narrative about a place that has survived being forgotten Beginning with long lost accounts of early pagan life Mikanowski offers a kaleidoscopic tour of the various peoples who made Eastern Europe their home over the centuries including the Roma Jews and Muslims the great kingdoms of the medieval period the rise and fall of the Ottoman Habsburg and Russian empires the dawn of the modern era the ravages of fascism and Communism the birth of the modern nation state and beyond A student of literature history and the ghosts of his own family s past Mikanowski paints a magisterial portrait of a place united by diversity and eclecticism and of people with the shared story of being the dominated rather than the dominating The result is a loving and ebullient celebration of the distinctive and vibrant cultures that stubbornly persisted at the margins of Western Europe and Russia and a powerful corrective that re centers not only our understanding of how the modern Western world took shape but also the ways in which Eastern Europe has evolved throughout history to become what it is today **Urban Transformation of Sarajevo** Jordi Martín-Díaz, 2021-08-10 Following the signing of the peace agreement and the end of three and a half years of siege Sarajevo simultaneously experienced a double transition from war to peace and from socialism to capitalism that was marked by an increasing international intervention This book presents a study of the urban transformation of Sarajevo during the post war period and considers both the role and the impact of the international community in its spatial and ethnic configuration Part I focuses on the period of maximum international involvement developed at local level from December 1995 until 2003 and comprises chapters on the ethno territorial division of the city the reconstruction of its ethnic diversity and the liberal transition fostered and imposed internationally Part II deals with the impact of these policies on the current spatial functional and ethnic configuration in the area of Sarajevo The South Slav Journal ,2005 **Forthcoming Books** Rose Arny, 2003 The War Schools of Dobrinja David M. architekturu zla Black Humor and the White Terror Béla Bodó, 2023-04-06 This book examines political humor as a reaction to the lost war the post war chaos and antisemitic violence in Hungary between 1918 and 1922 While there is an increased body of literature on Jewish humor as a form of resistance and a means of resilience during the Holocaust only a handful of studies have addressed Jewish humor as a reaction to physical attacks and increased discrimination in Europe during and after the First World War The majority of studies have approached the issue of Jewish humor from an anthropological cultural or linguistic perspective they have been interested in the humor of lower or lower middle class Jews in the East European shtetles before 1914 On the other hand this study follows a historical and political approach to the same topic and focuses on the reaction of urban middle class and culturally assimilated Jews to recent events to the disintegration of the Dual Monarchy the collapse of law and order increased violence the reversal of Jewish emancipation and the rise of new and more pernicious antisemitic prejudices. The study sees humor not only as a form of entertainment and jokes as literature and a product of popular culture but also as a heuristic device to understand the world and make sense of recent changes as well as a means to defend one s social position individual and group identity strike back at the enemy and last but not least to gain the support and change the hearts and minds of non Jews and neutral bystanders Unlike previous scholarly works on Jewish resistance during the Holocaust this study sees Budapest Jewish humor after WWI as a joint adventure as a product of urban and Hungarian culture in which Jewish not only played an important role but also cofounded Finally the book addressed the issue of continuity in Hungarian history the twisted road to Auschwitz whether urban Jewish humor as a form of escapism helped to desensitize the future victims of the Holocaust to the approaching danger or it continued to play the same defensive and positive role in the interwar period as it had done in the immediate aftermath of the Great War Tank Tactics Roman Jarymowycz, 2008-12-17 Explores the doctrinal strategic and tactical ideas behind World War II tank combat Contains detailed maps and diagrams Critiques the performances of commanders like George Patton Bernard Montgomery and others Focusing on five Allied tank operations from July to September 1944 Operations Goodwood Cobra Totalize and Tractable and Patton's tank battles around Arracourt armor expert Roman Jarymowycz draws on after action reports extensive battlefield reconnaissance recently discovered battle performance reviews and war diaries to evaluate the successes and failures of the art of armored warfare as practiced by Sbohem, východní Evropo Jacob Mikanowski, 2024-11-25 S p dem elezn Allied tank commanders in France in 1944 opony za alo i mizen v chodn Evropy Jej minulost by ale nem la b t zapomenuta V chodn Evropa mo n nikdy neexistovala Je to sp e ozna en zem jemu Z pad moc nerozum p padn zkratka pro p li slo itou a komplexn minulost Ka d proto z v chodn Evropy sv m zp sobem unik n rody se emancipuj etnika a kultury si p ou sv vlastn d jiny st ty se p ipojuj k celk m jako Evropsk unie formuj nov region ln identity typu st edn Evropa i z padn Balk n a ve ker zb vaj c rozd ly zahlazuje globalizace Proch zka po Praze Tallinnu Moskv nebo Bukure ti se dnes p li neli od n v t vy jak koli jin sv tov metropole A p ece v ichni v d co to v chodn
