A MULTITUDE FROM EVERY NATION

From Every Nation

D. A. Carson

From Every Nation:

From Every People and Nation J. Daniel Hays, 2003-07-12 With this careful nuanced exegetical volume in the New Studies in Biblical Theology J Daniel Hays provides a clear theological foundation for life in contemporary multiracial cultures and challenges churches to pursue racial unity in Christ

The Evangelical Universalist Gregory MacDonald, 2012-11-15 Can an orthodox Christian committed to the historic faith of the Church and the authority of the Bible be a universalist Is it possible to believe that salvation is found only by grace through faith in Christ and yet to maintain that in the end all people will be saved Can one believe passionately in mission if one does not think that anyone will be lost forever Could universalism be consistent with the teachings of the Bible This book argues that the answer is yes to all of these questions Weaving together philosophical theological and biblical considerations the author shows that being a universalist is consistent with the central teachings of the Bible and of historic Christian theology

The Law of Nations Emer de Vattel, 1760 *Let the Nations be Glad* John Piper, 2020-05-21 Mission is not the ultimate goal of the church Worship is Missions exist because worship doesn't Worship is ultimate John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach Piper offers a biblical defence of God's supremacy in all things providing a sound theological foundation for missions He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise seeking to define the scope of the task and the means for reaching all nations *Let the Nations Be Glad* is a trusted resource for missionaries pastors church leaders youth workers seminary students and all who want to connect their labours to God's global purposes This third edition has been revised and expanded throughout and includes new material on the prosperity gospel

Still Here! Braxton DeGarmo, 2021-10-26 *The Apocalypse* A code book of future events awaiting deciphering Or a picture book of current events Is there a global tyrant who will be known as the Antichrist Who or what is the Beast The False Prophet Who are the 144 000 What is Babylon and who is the Prostitute who seduces the world Understanding the Book of Revelation need not be daunting You don't have to be theological scholar to understand it After all John wrote it for the common man Yet the key to understanding lies in the Old Testament foreshadowing and types preceding it Nowhere is the phrase The Old Testament is the New Testament concealed and the New Testament is the Old Testament revealed more true And once you understand it and take a look at the world today the more you might recognize that the Apocalypse is now

Dickau,2011-01-01 What practices might a community of faith take up that will bear witness to the alternative world Jesus envisions and calls us towards That is the question that Grandview Calvary Baptist Church an initially small and fragile group of Christ followers has kept asking over the last twenty years Along the way this small group has spawned a vibrant community of faith that has traveled along four trajectories towards a shared life in community radical hospitality justice for the least and confession leading to transformation In a culture where individualism consumerism injustice and autonomy shape us all these practices have re shaped not only the people of this church but also the neighborhood they inhabit in the East side of Vancouver British Columbia For anyone wanting to recover ancient but newly shaped practices of the first disciples Plunging into the Kingdom Way offers renewed hope By relating their story in conversation with a host of theologians sociologists and philosophers Tim Dickau sparks the imagination for how you and your friends your community or

your church can live out the radical vision of Jesus in your neighborhood today Plunge in and you will discover renewed hope that you can actually follow the way of Jesus today Themelios, Volume 33, Issue 2 D. Papandrea, 2011-01-01 The Wedding of the Lamb does not fit into any of the traditional categories of interpretation for the book of Revelation The author uses historical sources to combine New Testament interpretation with the history of the Roman early Christian period to present an interpretation that is meant to approximate the way the early Christians would have understood the text Far from a doomsday message the message of Revelation is one of hope for a Church in the midst of persecution The result is an interpretation which unlike the proliferation of fictionalized accounts of the end times recognizes that most of the images in the book of Revelation are references to events in the history of the Church
