History Honor Society Phi Alpha Theta Scars of War examines the decisions of U S policymakers denying the Amerasians of Vietnam the biracial sons and daughters of American fathers and Vietnamese mothers born during the Vietnam War American citizenship Focusing on the implications of the 1982 Amerasian Immigration Act and the 1987 Amerasian Homecoming Act Sabrina Thomas investigates why policymakers deemed a population unfit for American citizenship despite the fact that they had American fathers Thomas argues that the exclusion of citizenship was a component of bigger issues confronting the Nixon Ford Carter and Reagan administrations international relationships in a Cold War era America s defeat in the Vietnam War and a history in the United States of racially restrictive immigration and citizenship policies against mixed race persons and people of Asian descent Now more politically relevant than ever Scars of War explores ideas of race nation and gender in the aftermath of the Vietnam War Thomas exposes the contradictory approach of policymakers unable to reconcile Amerasian biracialism with the U S Code As they created an inclusionary discourse deeming Amerasians worthy of American action guidance and humanitarian aid federal policymakers simultaneously initiated exclusionary policies that designated these people unfit for American citizenship *Immigration in America Today* James Loucky, Jeanne M. Armstrong, Larry J. Estrada, 2006-08-30 America today is witnessing the largest and most sustained wave of immigrants its borders have ever seen Although factors like the Great Depression World War II and quota restrictions had slowed the massive influx of Europeans from the early part of the 20th century policies like the 1965 Immigration and Nationality Act have relaxed quotas and opened America s doors to hundreds of thousands of immigrants a year from both Eastern and Western hemispheres to reach a height of over 9 million immigrants in the 1990s Today immigrants and policy makers alike grapple with issues regarding employment education refugee status and family reunification as well as illegal immigrants many from Mexico whose legal immigration alone accounts for more than 20% of immigrants in the US Despite this this comprehensive reference source allows a glimpse of the same motivating factors that drove earlier immigrants through Ellis Island s gates the promise of economic opportunity and the hope of a better life Over 70 A Z entries address topical and timely aspects of modern US immigration including bilingual education domestic work employer sanctions gangs gender homeland security migrant education posttraumatic stress disorder stereotypes **Amazing Story of Alexander Glasberg** Nick Lampert, 2021-11-16 Who was Alexander Glasberg A Jewish emigre from the former Russian empire who settled in France in 1932 and became a Catholic priest A Yiddish speaking polyglot A man of astonishing audacity who saved many Jews during the German occupation After narrowly escaping from the clutches of the Gestapo in Lyon in 1942 he appeared under an assumed name as a parish priest in south west France where he joined the local Resistance After the Liberation he moved to Paris and set up an entirely secular organisation COS to help people to find their feet in France after the traumas of the war It provided a unique combination of services for asylum seekers for the elderly and for the disabled Forty years after the death of the founder in 1981 the COS Alexander Glasberg Foundation is much bigger but remains strikingly faithful to

the ideals which inspired its beginnings Abbe Glasberg was a free spirit who evaded all conventional boxes A priest outside the Church An ardent Francophile yet passionate defender of refugees A Zionist yet strong supporter of the Palestinian people A sociable yet also secretive figure This book traces key moments in his remarkable life and sheds light on a mesmerising personality
