twenty first century has witnessed an explosion of speculative fiction in translation SFT Rachel Cordasco examines
speculative fiction published in English translation since 1960 ranging from Soviet era fiction to the Arabic language
dystopias that emerged following the Iraq War Individual chapters on SFT from Korean Czech Finnish and eleven other
source languages feature an introduction by an expert in the language s speculative fiction tradition and its present day
output Cordasco then breaks down each chapter by subgenre including science fiction fantasy and horror to guide readers
toward the kinds of works that most interest them Her discussion of available SFT stands alongside an analysis of how
various subgenres emerged and developed in a given language She also examines the reasons a given subgenre has been
translated into English An informative and one of a kind guide Out of This World offers readers and scholars alike a tour of

Southernness becomes apparent Siegrist shows a Southern branded queer deviance can not only change the way we think about literature but can also change Southern queer people's lived experiences Siegrist gathers a bevy of undertheorized writers from Kenan and Truong to Dorothy Allison and even George R R Martin showing that there are many queer Souths Siegrist offers these multiverses as a way to appreciate a place that is often unfriendly even deadly to queer people But as Siegrist argues none of these Souths from the terrestrial to the imaginary would be what they are without the influence and power of queer literature
