From Intellect To Intuition:

From Intellect to Intuition Alice A. Bailey, 2012-08-01 The development of the intellect while necessary is a means to an end The intellect should become a means of penetrating into new dimensions of thought and consciousness and of awakening the intuitive faculty of pure reason Through occult meditation the gap is bridged between the threefold mind and the intuition

From Intellect to Intuition Alice Bailey, 1932 In this era of a rapid increase in human intelligence and capacity to use the mind we run the risk of over emphasis on intellectualism The mind is the slayer of the real is a well known reflection of an inherent danger In this book From Intellect to Intuition development of the intellect while necessary is shown as a means to an end and one step on the way to a fully awakened and active mental body The intellect is the rationalising analytical aspect of the mind concerned with knowledge It can be used as a stepping stone to penetrate into new realms and dimensions of thought and to touch and awaken the intuitive faculty of pure reason Between the intellect and the intuition however a gap exists until it has been consciously bridged through meditation Meditation is sometimes defined as thinking in the heart correct meditation proceeds only when the heart and mind function together in unison To touch the intuition therefore this blending of heart and mind is a necessity since the intuitive sense is a faculty of the heart aroused by the activity of the integrated three fold mind render it controlled concentrated and one pointed at will Right use of the mind in meditation opens the consciousness to the beauty truth and goodness of the soul through the five stages of concentration meditation contemplation illumination inspiration These five stages lead to union with the soul the son of mind and direct knowledge of divinity creating an instrument of intelligence for the soul to use in daily life The experienced voice of the eastern wisdom comes to us with one word Meditation The question naturally arises Is that all and the answer is Yes If meditation is rightly followed and if perseverance is the keynote of the life then increasingly soul contact is established The results of that contact work out in self discipline in purification and in the life of aspiration and of service Meditation in the eastern sense is a strictly mental process leading to soul knowledge and illumination It is a fact in nature that as a man thinketh in his heart so is he The books of Alice A constitute a continuation of the Ageless Wisdom a body of esoteric teaching handed down from ancient times in a form which is always suitable to each period Intended to precede and condition the coming era the Alice A Bailey writings offer an unparalleled spiritual approach to such subjects as the teaching on Shamballa and the Path of spiritual evolution the spiritual Hierarchy the new discipleship and training in meditation as a form of service the teaching on the seven rays and the new psychology of the soul the teaching on esoteric astrology and the new world religion which emphasizes the common thread of truth linking all the major world faiths [From intellect to intuition.](#) (Seventh printing). From Mind to Super-mind Rohit Mehta, 1972 The message of the Gita has an important and a practical bearing on the problems of the modern age It shows a way out of the complexities of the mind to complete and unfettered freedom of the Super Mind This path is not meant only for the few it can be trodden by all who seek freedom from life s entanglements In an age where the individual is becoming more and more insignificant due to the impacts of political economic and social forces the Gita brings to man a message of hope and cheer for it shows a way of life which leads to the regaining of his lost significance and the spiritual regeneration of man is indeed the way to the creation of a happy society

Bergson and Russian Modernism, 1900-1930 Hilary L. Fink, 1999 This study focuses on the Russian modernist attraction to Bergson s notions of duration and intuition his unbridled optimism in both art and life and his belief in the individual s creative power

The Cause of Evil; Or, The Values of Nature and the Values of Religion ... I. G. Bartholomew, 1927

Revival: Contemporary Indian Philosophy (1936) S. Radhakrishnan, J. H. Muirhead, 2018-12-20 The book includes essay which are all written by philosophers of or about forty five years of age They

fall into two main groups those in which the writer devotes himself chiefly to the exposition of the great Vedic tradition as he has apprehended it and made it the basis of his own life s work and those in which the writer while on the whole reminding true to the spirit of that tradition has sought to give new interpretations of it either by instituting comparisons of it with the Western doctrines most closely allied to it or by treating of modern problems in a way which though suggested by what he has learned from the West is yet stamped with the mark of his own racial sympathy Western readers will naturally find the latter group more attractive but this volume will have failed of its purpose if it does not give them some sense of the truth that underlies even the essays with which owing to the presuppositions on which these are founded they find themselves least in sympathy

Bergson And Modern Thought Pete A Y Gunter, Andrew C. Papanicolaou, 2016-05-13 First Published in 1987 This book explores the implications of Henri Bergson s philosophy for contemporary science discussing the misinformed view that Bergsonism stands for a romantic revival of anti scientific vitalism notwithstanding Likewise this study draws value in that Bergson s philosophy appears to offer guidelines as to how to restore paradigmatic cohesiveness between modern physics and the life sciences The authors argue that Bergson s ideas stand a better chance of being appreciated and their heuristic value harnessed today because the infra structure alluded to before is now in place

The Mercury Formula J. R. Sedivy, 2017-11-13 In The Mercury Formula Three Steps to Self Transformation alchemist JR Sedivy presents foundational wisdom of the ages made relevant for today s spiritual seekers Through the ages diverse spiritual and mystic traditions have developed pathways to wisdom and inner power based on universal spiritual laws These esoteric truths were historically kept as closely guarded secrets accessible only to a select few initiates through lifetimes of disciplined study Go to TheMercuryFormula.com for inspiration and education provided in this new work Many of these concepts have recently become widely known and accepted in spiritual circles However outside of an established spiritual tradition many experience the path to spiritual power and purpose to be truly labyrinthine The Mercury Formula reformulates the old mystery school wisdom into a concise practical manual that not only explains the spiritual truths but offers a clear and precise formula for intense and rapid personal discovery and transformation ideal for those feeling the urgent inner call to realize their purpose and create the change they want to see in the world [www TheMercuryFormula.com](http://www.TheMercuryFormula.com)

Idealistic Thought of India P T Raju, 2013-10-16 When first published in 1953 metaphysical idealism was still the dominant philosophy of India This volume depicts the metaphysical strands of the life and philosophy of India in the light of those of the West and brings out the deeper implications of idealistic metaphysics

Bergson and Phenomenology M. Kelly, 2010-09-29 Examining the revival of Bergsonism for phenomenology leading scholars of both areas inaugurate a dialogue long overdue By assessing phenomenology s readings of Bergson and Bergsonian challenges to phenomenological methods the essays in this volume explore anew the issues of central concern in contemporary continental philosophy

The Ninth Hour Harrison Mujica-Jenkins, 2008-10-03 The ninth hour is the hour in which the sun possesses us

and we abandon ourselves to its burning blinding flame to think with a light so bright At noon we come out of Plato's cave and stare into the sun the unknown gazing into the unknown These writings do not owe anything to the philosophical sun the good sun of Plato that erases all differences the good sun of enlightened reason that is oblivious to the knowledge of the madman They are writings born beyond the sun on the rotten side of the sun unprotected by the shadow of logic writings come out of darkness of the spiritual umbra of he who stares directly at the sun And more specifically writings begotten out of the spiritual nigrescence of whom writes at the ninth hour at high noon **Works of Govinda Chandra Dev** Govinda Chandra Dev, 1978 **The Theosophical Quarterly**, 1915

From Intellect To Intuition Introduction

In the digital age, access to information has become easier than ever before. The ability to download From Intellect To Intuition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download From Intellect To Intuition has opened up a world of possibilities. Downloading From Intellect To Intuition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading From Intellect To Intuition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download From Intellect To Intuition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading From Intellect To Intuition. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading From Intellect To Intuition, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download From Intellect To Intuition has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is

crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
