The Spirituality of Martyrdom Servais Pinckaers, 2016-05-06 Since the publication in English of his masterwork *The Sources of Christian Ethics* Servais Pinckaers has become the preferred guide for English speaking students of Catholic moral theology This late Belgian Dominican has made themes such as Beatitude happiness virtue and freedom for excellence standard features of classroom instruction in ethics moral theology and catechesis Father Pinckaers's new directions in moral theology came none too soon to Anglo American moral thought which otherwise would have become submerged completely under the waves of one kind of relativism or another Instead of enabling cheap escapes from moral truth Father Pinckaers directs his students to the Sermon on the Mount There they discover that those who suffer persecution for justice's sake are called blessed or happy This suffering may even lead to death The present volume completes *Sources* It gives us a theological account of Christian martyrdom Authentic martyrs testify to the highest meaning that God inscribes into the moral life In a word nothing should deter the Christian from

choosing God No one completes a Christian life without becoming at least a martyr for charity from back cover

Discourses of Martyrdom in English Literature, 1563-1694 John R. Knott, 1993-08-26 Representations of persecution and martyrdom in sixteenth and seventeenth century England helped shape a lasting ideal of Protestant heroism by recreating a drama of suffering learned from the Bible This book examines the subversive potential of John Foxe's Acts and Monuments the Book of Martyrs alongside the work of Milton Bunyan George Fox and others *Foucault and Theology* Jonathan Tran, 2011-06-16 Near the end of his life Michel Foucault turned his attention to the early church Fathers He did so not for anything like a return to God but rather because he found in those sources alternatives for reimagining the self And though Foucault never seriously entertained Christianity beyond theorizing its aesthetic style one might argue that Christian practices like confession or Eucharist share family resemblances to Foucaultian sensibilities This book will explain how to do theology in light of Foucault or more precisely to read Foucault as if God mattered Therefore it will seek to articulate practices like confession prayer and so on as techniques for the self situate the church as politics within present constellations of power disclose theological knowledges as modes of critical intervention or what Foucault called archaeology and conceptualize Christian existence in time through mnemonic practices of genealogy **Rethinking Christian**

Martyrdom Matthew Recla, 2022-10-20 This book argues that we have been mistaken about the fundamental assumption that Christianity is the key to understanding the Christian martyr Examining martyrdom in early Christian history Matt Recla argues that the violent deaths of martyrs real and imagined were appropriated for Christian institutional life Through deconstructing martyrdom and appreciating the complexity of the martyr we recognize martyrdom not as a socio historical phenomenon inherent to particular ideologies and not as a religious identity but as the institutional cooptation of violence The Christian apologist Tertullian argued that the blood of the martyrs was the seed of the Church but while the seed may be the key to martyrdom the blood is the key to the martyr The book shows how martyrs exceed the bounds of institutional narrative Centering analysis of martyrdom first around the martyr's existential difference and the complex biological psychological and socio cultural factors that lead to willing death this book sheds new light on the motivations of martyrs our fascination with them and the parasitic relationship of religion to violent death In challenging long held beliefs about the praiseworthiness of martyrdom this book is of interest to scholars of religion as well as those concerned about the relationship between religion and violence *Her Share of the Blessings* Ross Shepard Kraemer, 1994-01-20 In this pathbreaking volume Ross Shepard Kraemer provides the first comprehensive look at women's religions in Greco Roman antiquity She vividly recreates the religious lives of early Christian Jewish and pagan women with many fascinating examples Greek women's devotion to goddesses rites of Roman matrons Jewish women in rabbinic and diaspora communities Christian women's struggles to exercise authority and autonomy and women's roles as leaders in the full spectrum of Greco Roman religions In every case Kraemer reveals the connections between the social constraints under which women lived and their

religious beliefs and practices The relationship among female autonomy sexuality and religion emerges as a persistent theme Analyzing the monastic Jewish Therapeutae and various Christian communities Kraemer demonstrates the paradoxical liberation which women achieved by rejection of sexuality the body and the female In the epilogue Kraemer pursues the disturbing implications such findings have for contemporary women Based on an astonishing variety of primary sources Her Share of the Blessings is an insightful work that goes beyond the limitations of previous scholarship to provide a more accurate portrait of women in the Greco Roman world

Poetry and the Cult of the Martyrs Michael Roberts, 1993 A beautifully detailed literary study of Prudentius s eulogies of the Christian martyrs

The Marvel of Martyrdom Sophia Moskalenko, Clark McCauley, 2018-12-24 The Marvel of Martyrdom is about how self sacrifice can change lives and how martyrs can change the world The book starts large with famous and influential martyrs such as Jesus and Gandhi and ends small with ordinary people whose own experiences of self sacrifice give martyrdom its political power Seeking the developmental origins of self sacrifice the book explores children s folklore and the success of mega hits such as The Matrix and Harry Potter Seeking the everyday rewards of self sacrifice the book shows the potential for finding meaning and happiness in helping others The Marvel of Martyrdom takes a broad perspective on self sacrifice and martyrdom bringing together religion popular culture history psychology and mythology Stories of individuals both famous Gandhi and obscure Rodrigo Rosenberg intertwine with research on altruism happiness and radicalization to terrorism The changing landscape of the book s setting from The Roman Empire to 19th century Russia to Nazi Germany to post War II India to present day Ukraine makes the power of self sacrifice and martyrdom come alive and shows their potential to change people and cultures

Whose Acts of Peter? Matthew C. Baldwin, 2005 Slightly revised version of the author s thesis doctoral University of Chicago 2002

Living Martyrs in Late Antiquity and Beyond Diane Fruchtman, 2023-02-01 This book demonstrates that living martyrdom was an important spiritual aspiration in the late antique Latin west and argues that consequently attempts to define study or locate martyrdom must move away from conceptualizations that require or center on death After an introduction that traces the persistence of living martyrs as real objects of spiritual devotion and emulation across the span of Christian history and discusses why such martyrs have been overlooked the book focuses on three significant authors from the late ancient Latin west for whom martyrdom did not require death the Spanish poet Prudentius c

348 413 the senator turned ascetic Paulinus of Nola 353 431 and the influential North African bishop Augustine of Hippo 354 430 Through historically and literarily contextualized close readings of their work this book shows that each of these three authors attempted to create a new paradigm of martyrdom focused on living rather than dying for God By focusing on these living martyrs we are able to see more clearly the aspirations and agendas of those who promoted them as martyrs and how their martyrological discourse illuminates the variety of ways that martyrdom is and can be mobilized in any era to construct new community creating worldviews Living Martyrs in Late Antiquity and Beyond is an important resource for historians of Christianity scholars of religious studies and anyone interested in exploring or understanding martyrological discourse The Introduction of this book is available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Nurturing the Prophetic Imagination Jamie Gates, Mark Mann, 2012-11-06 Nurturing the Prophetic Imagination searches through biblical scholarship theology economics sociology politics ecology and history to discern the strands of God's justice and reconciliation at work in the contemporary world Nurturing the Prophetic Imagination challenges Christians to engage the most troubling social problems of our time by first drinking deeply from the well of the historic prophetic traditions Nurturing the Prophetic Imagination witnesses to a God that raises up prophets to speak at critical moments in every time and to what it might look like for the Church to nurture the soil from which such prophetic voices spring Rarely do such a wide variety of authors from such different backgrounds and vocations get together to name what the prophetic work of God looks like in our midst The radical justice and reconciliation of God can be found in every corner of life if we know where to look for it Nurturing the Prophetic Imagination provides some guidance in this direction Nurturing the Prophetic Imagination celebrates and seeks to build upon the legacy of eminent biblical scholar Walter Brueggemann's seminal work The Prophetic Imagination first published in 1978 by assessing the core insights and themes he develops through a number of different lenses These include contemporary biblical scholarship theology economics sociology politics ecology and church history Nurturing the Prophetic Imagination also discusses the extent to which the Christian prophetic tradition continues to speak meaningfully within the contemporary world and thereby seeks to be a source for inspiring future generations of Christian prophets to do likewise

Perfect Martyr Shelly Matthews, 2010-10-04 Recent studies have examined martyrdom as a means of constructing Christian identity but until now none has focused on Stephen the first Christian martyr For the author of Luke Acts the stoning of Stephen even more than the death of Jesus underscores the perfidy of non-believing Jews the extravagant mercy of Christians and the inevitable rift that will develop between these two social groups Stephen's dying prayer that his persecutors be forgiven the prayer for which he is hailed in Christian tradition as the perfect martyr plays a crucial role in drawing an unprecedented distinction between Jewish and early Christian identities Shelly Matthews deftly situates Stephen's story within the emerging discourse of early Christian martyrdom Though Stephen is widely

acknowledged to be an actual historical figure Matthews points to his name his manner of death and to other signs that his martyrdom was ideally suited to the rhetorical purposes of Acts and its author Luke to uphold Roman views of security and respectability to show non believing Jews to disadvantage and to convey that Christianity was an exceptionally merciful religion By drawing parallels between Acts and stories of the martyrdom of James the brother of Jesus Matthews challenges the coherent canonical narrative of Acts and questions common assumptions about the historicity of Stephen s martyrdom She also offers a radical new reading of Stephen s last prayer showing the complex and sometimes violent effects of its modern interpretations Perfect Martyr illuminates the Stephen story as never before offering a deeply nuanced picture of violence solidarity and resistance among Jews and early Christians a key to understanding the early development of a non Jewish Christian identity and an innovative reframing of one of the most significant stories in the Bible
