## **From Meetinghouse To Megachurch A Material And Cultural History:**

**From Meetinghouse to Megachurch** Anne C. Loveland, Otis B. Wheeler, 2003 Table of contents *Megachurch Christianity Reconsidered* Wanjiru M. Gitau, 2018-10-16 In this case study of Kenya's Nairobi Chapel and its daughter Mavuno Church Wanjiru M. Gitau offers analysis of the rise, growth and place of megachurches worldwide in the new millennium. This engaging account centers on the role of millennials in responding to the dislocating transitions of globalization in postcolonial Africa and around the world, gleaned practical wisdom for postdenominational churches everywhere.

**Handbook of Megachurches** Stephen J. Hunt, 2019-11-26 The megachurch is an exceptional recent religious trend, certainly within Christian spheres. Spreading from the USA, megachurches now reached different global contexts. The edited volume *Handbook of Megachurches* offers a comprehensive account of the subject from various academic perspectives.

*The Routledge Handbook of Megachurches* Afe Adogame, Chad M. Bauman, Damaris Parsitau, Jeaney Yip, 2024-05-07 The *Routledge Handbook of Megachurches* provides a survey of global megachurch phenomena with an international slate of authors introducing existing and emerging research on a wide variety of relevant topics. Over the past decade, the field of megachurch studies has matured and become global in its scope and orientation. The *Handbook* offers 33 chapters by top scholars in the field, focusing in particular on the location, demographic nature and transnational connections of megachurches; megachurch worship, hermeneutics and theology in theory and practice; megachurch institutional dynamics; the various ways that megachurches have both influenced and been influenced by their social contexts in terms of class, age, gender, sexuality and pop culture. The *Handbook's* interdisciplinary orientation makes it essential reading for sociologists, political scientists, anthropologists, media specialists, pop culture observers, business strategists, leadership consultants, marketing analysts, scholars of religion and Christian historians, theologians and missiologists. Experienced scholars of megachurches will gain valuable insight into aspects of megachurch research beyond their own specializations. Scholars new to the field will find the chapters useful as signposts for where to begin their own academic exploration. Christian pastors and laypeople will learn more about this increasingly prominent and influential form of their faith.

**American Sanctuary** Louis P. Nelson, 2006-03-14 This volume examines a diverse set of spaces and buildings seen through the lens of popular practice and belief to shed light on the complexities of sacred space in America. Contributors explore how dedication sermons document shifting understandings of the meetinghouse in early 19th century Connecticut; the changes in evangelical church architecture during the same century and what that tells us about evangelical religious life; the impact of contemporary issues on Catholic church architecture; the impact of globalization on the construction of traditional sacred spaces; the urban practice of Jewish space, nature, worship and Central Park in New York; the mezuzah and domestic sacred space; and finally, the spiritual aspects of African American yard art.

**Worship and the Reality of God** John Jefferson Davis, 2010-10-07 Professor John Jefferson Davis shows what's really needed for the renewal of

worship in our evangelical churches Moving far beyond the worship wars Davis provides profound theological analysis and fresh recommendations to help us recognize obstacles to worship and learn to rightly respond to the glory and gracious real presence of God among us in our worship     Sexual Misconduct and the Future of Mega-Churches Glenn L.

Starks,2013-03-07 Why have multiple mega church leaders Ted Haggard and Bishop Eddie Long for example committed acts of sexual misconduct This book discusses the reasons in depth and examines how these acts are impacting the future of megachurches Mega churches churches with congregations that number in the thousands of worshippers are growing in popularity in America and around the world Shockingly a growing number of megachurch leaders have committed acts of sexual misconduct While these scandalous crimes have received much attention through the media literature that examines the topic in detail has been lacking This book examines the various aspects of sexual misconduct by megachurch leaders providing a comprehensive review of the topic that discusses the direct and indirect reasons for these crimes The book provides unbiased factual coverage of megachurch sexual abuse cases covering issues surrounding the victims in specific cases the role of the church and notable ministers such as Ted Haggard of New Life Church Colorado Springs CO Bishop Eddie Long of New Birth Missionary Baptist Church Lithonia GA and Joe Barron of Prestonwood Baptist Church Dallas TX The author also discusses how these incidences have impacted societal perceptions of religion and large churches and religious organizations and provides recommendations to curb future cases of sexual abuse within megachurches     **The**

Blood Cries Out A. J. Swoboda,2014-11-11 John McConnell Jr was the famed founder and visionary of Earth Day McConnell s vision was one of creating a day of remembrance solitude and action to restore the broken human relationship to the land Little acknowledged are McConnell s religious convictions or background McConnell grew up in a Pentecostal home In fact McConnell s parents were both founding charter members of the Assemblies of God in 1914 His own grandfather had an even greater connection to the origins of Pentecostalism by being a personal participant at the Azusa Street Revival in Los Angeles in 1906 Earth Day thus began with strong religious convictions McConnell seeing the ecological demise through his religious background envisioned a day where Christians could show the power of prayer the validity of their charity and their practical concern for Earth s life and people In the spirit of McConnell today s Pentecostal and Charismatic theology has something to say about the earth Blood Cries Out is a unique contribution by Pentecostal and Charismatic theologians and practitioners to the global conversation concerning ecological degradation climate change and ecological justice

*Sensational Devotion* Jill C. Stevenson,2013-04-15 *Sensational Devotion* examines contemporary Passion plays biblical theme parks Holy Land recreations creationist museums and megachurches in order to understand how they serve their evangelical believer users while also shaping larger cultural and national dialogues Jill Stevenson explores how performative media support specific theologies and core beliefs by creating sensual live experiences for those who use them The book explores evangelical performance across a range of media and sites including film television theater tourist attractions museums and places of worship Using historical research coupled with firsthand experiences it critically examines these spaces and events within their specific religious cultural and national contexts while placing them within a long devotional tradition to suggest how they cultivate religious belief by generating vivid sensual affectively oriented and individualized experiences Stevenson s analysis builds upon existing work on performance and cognition as well as theories of affect as it contributes to existing scholarship on American evangelicalism and evangelical Christian media

**Jews and the Renaissance of Synagogue Architecture, 1450-1730** Barry L Stiefel,2015-10-06 Before the mid fifteenth century the Christian and Islamic governments of Europe had restricted the architecture and design of synagogues and often prevented Jews from becoming architects Stiefel presents a study of the material culture and religious architecture that this era produced

**God Doesn't Live Here Anymore** Michael Wood Daly,2023-01-16 The church in Canada is in trouble Media reports suggest that nine thousand churches are likely to close

over the next ten years The United Church of Canada reports closing a congregation a week The Anglican Church of Canada anticipates closing its last congregation by 2040 and the Roman Catholic Church Canada's largest religious denomination reports having closed one fifth of the tradition's 2 500 congregations God Doesn't Live Here Anymore traces the story of the church in Canada from its far off historical roots in biblical times rise to dominance in medieval Europe role in the colonization of Canada strained relations with Canada's First Nations twentieth century prominence and the church's dramatic decline and loss of influence entering the twenty first century Wood Daly pulls no punches in calling the church to accept responsibility for its own decline while maintaining hope that resurrection is still possible The church as Canadians may know it might disappear but for Christians death has never been the end of the story

**Symbols of Freedom** Matthew J. Clavin, 2023-06-13 How American symbols inspired enslaved people and their allies to fight for true freedom In the early United States anthems flags holidays monuments and memorials were powerful symbols of an American identity that helped unify a divided people A language of freedom played a similar role in shaping the new nation The Declaration of Independence's assertion that all men are created equal Patrick Henry's cry of Give me liberty or give me death and Francis Scott Key's star spangled banner waving over the land of the free and the home of the brave were anthemic celebrations of a newly free people Resonating across the country they encouraged the creation of a republic where the right to life liberty and the pursuit of happiness was universal natural and inalienable For enslaved people and their allies the language and symbols that served as national touchstones made a mockery of freedom Deriding the ideas that infused the republic's founding they encouraged an empty American culture that accepted the abstract notion of equality rather than the concrete idea Yet as award winning author Matthew J Clavin reveals it was these powerful expressions of American nationalism that inspired forceful and even violent resistance to slavery Symbols of Freedom is the surprising story of how enslaved people and their allies drew inspiration from the language and symbols of American freedom Interpreting patriotic words phrases and iconography literally they embraced a revolutionary nationalism that not only justified but generated open opposition Mindful and proud that theirs was a nation born in blood these disparate patriots fought to fulfill the republic's promise by waging war against slavery In a time when the US flag the Fourth of July and historical sites have never been more contested this book reminds us that symbols are living artifacts whose power is derived from the meaning with which we imbue them

**Nonverts** Stephen Bullivant, 2022 The United States is in the midst of a religious revolution Around a quarter of US adults now say they have no religion and the great majority of these religious nones are nonverts think converts but from having religion to having none Stephen Bullivant draws on dozens of interviews original analysis of high quality survey data and a wealth of cutting edge studies to present an entertaining and insightful exploration of America's ex religious landscape

**Dixie Emporium** Anthony Joseph Stanonis, 2008 The ten essays in this collection focus on how southerners have marketed themselves to outsiders and identify spaces services and products that construct various Souths that exaggerate

refute or self consciously safeguard elements of southernness Simultaneous Sacred Space for the Missional Church William R. McAlpine, 2011-02-14 Sacred Space for the Missional Church examines the strong link between the theology and mission of the Church and the spaces in which and from which that theology and mission are lived out The author demonstrates that the built environment is not incidental or even subservient to mission Rather it is a key player in the fulfillment and the communication of that mission The book begins with a working definition of the missional church underscoring the connection between God s mission missio Dei and the Church s mission The reader is presented with historical and theological frameworks for sacred space and reminded of the pivotal role of the built environment in the fulfillment of the mission of the Church The design and construction of sacred spaces are shown to be fundamentally a theological exercise and not solely a matter of function pragmatics and fiscal astuteness The author questions the uncritical application of blanket statements such form must follow function and challenges the conviction that it does not matter where worship occurs only that it occurs The book addresses genuine concerns such as legitimizing the cost of church buildings and concludes with practical suggestions and essential questions that must be considered in posturing the built environment within the missional praxis of the Church **Youthful Preaching** Richard Voelz, 2016-01-21 What if adolescents aren t bored with preaching What if they have and are interacting with preaching in complex various ways that have escaped the attention of adult listeners and preachers What if their own preaching informed the ways adults think about Christian faith and theories practices of preaching While much recent discussion in preaching revolves around underrepresented groups the relationship between adolescent youth and preaching remains largely unexplored Youthful Preaching brings youth into contemporary conversations about preaching by listening to their voices and by advocating for communities of faith and practice to seek ways to reimagine renew and strengthen the relationships between youth adults and preaching

*Respectable Methodism* Daniel F. Flores, 2023-03-07 The Wesleyan Methodist movement entered American history as a fragment of British Methodism It quickly took on a new identity in the early republic and grew into a vibrant denomination in the nineteenth century The transitions from the rugged pioneer religion modeled by Bishop Francis Asbury to the urbane religion of industrial America was by design the goal of influential leaders of the Methodist Episcopal Church Nathan Bangs was perhaps one of the most significant of such leaders He rose from obscurity to the ranks of power and influence by refining patterns of worship expanding denominational publishing and structuring ministerial education This study is concerned with the development of respectability in American Methodism It also explores questions on how Bangs and other leaders dealt with in house conflicts on issues related to race slavery and the poor **Mass Exodus** Stephen Bullivant, 2019-05-30 Of those raised Catholic just 13% still attend Mass weekly and 37% say they have no religion But is this all the fault of Vatican II and its runaway reforms Or are wider social cultural and moral forces primarily to blame In 1962 Pope John XXIII opened the Second Vatican Council with the prophecy that a new day is dawning on the Church bathing her

in radiant splendour Desiring to impart an ever increasing vigour to the Christian life of the faithful the Council Fathers devoted particular attention to the laity and set in motion a series of sweeping reforms The most significant of these centred on refashioning the Church s liturgy the source and summit of the Christian life in order to make it pastorally efficacious to the fullest degree Over fifty years on however the statistics speak for themselves In America only 15% of cradle Catholics say that they attend Mass on a weekly basis meanwhile 35% no longer even tick the Catholic box on surveys In Britain the signs are direr still Catholicism is not the only Christian group to have suffered serious declines since the 1960s If anything Catholics exhibit higher church attendance and better retention than most Protestant churches do If Vatican II is not the cause of Catholicism s crisis might it instead be the secret to its comparative success Mass Exodus is the first serious historical and sociological study of Catholic lapsation and disaffiliation Drawing on a wide range of theological historical and sociological sources Stephen Bullivant offers a comparative study of secularization across two famously contrasting religious cultures Britain and the USA
