Racism Postcolonialism Europe Graham Huggan,Ian Law,2022-04-01 Racism Postcolonialism Europe turns the

postcolonial critical gaze that had previously been most likely to train itself on regions other than Europe and sometimes those perceived to be most culturally or geographically distant from Europe back on Europe itself The book argues that racism is alive and dangerously well in Europe and examines this racism through the lens of postcolonial criticism Postcolonial racism can be a racism of reaction based on the perceived threat to traditional social and cultural identities or a racism of false respect based on mainstream liberals desire to hold at arm s length different cultures they are anxious not to offend Most of all postcolonial racism at least within the contemporary European context is a racism of surveillance whereby foreigners become aliens protection disguises preference and cultural difference slides into racial stigmatization all in the interests of representing the European people which is a very different entity to the European population as a whole Boasting a broad multidisciplinary approach and a range of distinguished contributors including Philomena Essed Michel Wieviorka and Griselda Pollock Racism Postcolonialism Europe will be required reading for scholars and students of race postcolonial studies sociology European history and literary and cultural studies
