## **From An Island In Time:**

**On Island Time** Scott B. Williams, 2009-09-28 Tourists visit popular islands of the Caribbean by the planeload. What they don't see from their resort hotels are the hundreds of out of the way uninhabited islands sprinkled along the West Indies from Florida to South America. This alluring archipelago strung with beaches accessible only by boat but spaced temptingly close together led Mississippi adventurer Scott B. Williams to embark upon an open ended quest to see how far south he could go in a seventeen foot sea kayak. No one was willing to accompany him. He spent months working his way down the west coast of Florida through the Bahamas and on to Hispaniola, Puerto Rico and the Virgin Islands. **On Island Time** Kayaking the Caribbean his narrative of this journey of a lifetime describes the wonders of discovery as he makes landfall on pristine cays. Relentless headwinds, dangerous surf, countless beaches declared off limits to trespassing and aggressive sharks that ram his kayak and snap him out of his musing remind the adventurer that this paradise is far from perfect. Every day of the journey required constant vigilance. With no one to depend on and often no one even knowing where he was for weeks at a time Williams learned what it means to be self reliant and to adjust to island time. With just a simple craft and the few belongings that would fit in it Williams explores an almost boundless frontier and a powerful natural stretch of the Caribbean rarely if ever accessed by the island tourist.

**On Island Time** Hilary Stewart, 2009-09-01 Through anecdotes and 200 drawings Hilary Stewart shares her delight in discovering the small wonders of the natural world. Wandering the island's beaches, forests and lakes she gathers seaweeds, mushrooms and berries. Ever curious she expands her knowledge of wild flowers, lichens, lowly beetles and more. Her encounters with deer, bats, raccoons, frogs, snakes, birds and other wildlife are by turns humorous, exasperating and poignant. And she constantly works at enhancing her three acres of garden, meadow and forest jungle. In **On Island Time** Hilary Stewart also offers glimpses of the people and events that make up island life: learning local ways and history, attending Native peoples' ceremonies, observing the water dowser helping to discover petroglyphs, circumnavigating Quadra by boat, coping with wild winter storms, taking part in the annual eagle count and drumming up the full moon. Here are the many pleasures and occasional frustrations of life on a small island. It's a life attuned to the natural world, sparked by the joy of discovery, flowing with the seasons, the weather and the tides on island time.

**Island Time** Georgia Clark, 2022-06-14 A delicious escape. People Love is in the salty sea air in this smart and steamy ensemble romantic comedy set in a tropical paradise from the author of the sparkly and entertaining *Oprah Daily It Had to Be You*. This is one island you won't want to be rescued from. The Kellys are messy, loud loving Australians. The Lees are sophisticated aloof buttoned up Americans. They have nothing in common except for the fact that their daughters are married. When a nearby volcano erupts during their short vacation to a remote tropical island off the coast of Queensland the two families find themselves stranded together for six weeks. With only two island employees making up the rest of their party everyone is forced to question what or who they really want. **Island Time** is a sumptuous summer read that dives deep into queer romance.
