Woke Gaming Kishonna L. Gray, David J. Leonard, 2018-11-13 From Gamergate to the 2016 election to the daily experiences of marginalized perspectives gaming is entangled with mainstream cultures of systematic exploitation and oppression Whether visible in the persistent color line that shapes the production dissemination and legitimization of dominant stereotypes within the industry itself or in the dehumanizing representations often found within game spaces many video games perpetuate injustice and mirror the inequities and violence that permeate society as a whole Drawing from groundbreaking research on counter and oppositional gaming and from popular games such as World of Warcraft and Tomb Raider *Woke Gaming* examines resistance to problematic spaces of violence discrimination and microaggressions in gaming culture The contributors of these essays seek to identify strategies to detox gaming culture and orient players and gamers toward progressive ends From Anna Anthropy's *Keep Me Occupied* to Momo Pixel's *Hair Nah* video games can reveal the power and potential for marginalized communities to resist and otherwise challenge dehumanizing representations inside and outside of game spaces In a moment of MeToo BlackLivesMatter and efforts to transform current political realities *Woke Gaming* illustrates the power and potential of video games to foster change and become a catalyst for social justice

Heroic Girls as Figures of Resistance and Futurity in Popular Culture Simon Bacon, 2024-04-09 *Heroic Girls* looks at the recent proliferation of young girl heroes in many recent mainstream films and books These contemporary final girls do not just survive but rather suggest that in doing so they have fundamentally changed something about themselves and or the world around them seeing them become the First Girls of this altered reality The collection brings together a wide range of perspectives and cultural viewpoints that describe many recent narratives that explore the idea of a Final Girl and her after story The essays are divided into four sections beginning with more theoretical approaches cross cultural examples the ways in which fictional narratives bear strong relation to real world circumstances examples that more strongly depict themes of

resistance survival and individual agency and finally those that describe something more fundamental and transformative. Films and television shows covered in the collection include *The Girl with All the Gifts*, *The Witcher*, *The Hunger Games*, *Star Wars*, *The Fear Street* and *Pan's Labyrinth*. This book will be of interest to researchers and students of film studies, gender studies and media studies.
