

A small wooden boat is positioned in the lower right foreground, floating on a calm body of water. The background is a vibrant sunset sky with soft, colorful clouds in shades of pink, orange, and purple. The water reflects the colors of the sky. A large, semi-transparent dark rectangle is centered over the image, containing a quote in white text. The quote is: "If you really want to receive joy and happiness, then serve others with all your heart. Lift their burden, and your own burden will be lighter." Below the quote, the name "Ezra Taft Benson" is written in white text on a small dark rectangular background. At the bottom center, there is a small circular logo with the word "quotefancy" next to it.

If you really want to receive joy and happiness, then serve others with all your heart. Lift their burden, and your own burden will be lighter.

From Burden To Joy:

From Burden to Joy Bill Boverie, 1988-01-01 *That Their Work Will Be a Joy* Cameron Lee, Kurt Fredrickson, 2012-09-01

For those who are called to it pastoral ministry can be a source of deep joy But there are also challenges An increasing number of pastors seem to be burning out under the load Congregations may not be aware of the many and conflicting demands placed on a pastor s time and energies nor the pastor s need for rest and personal support That Their Work Will Be a Joy was written to encourage mutual understanding between pastors and congregations about the stresses of ministry The authors present five principles that will help ministry remain more of a joy than a burden Every chapter contains practical recommendations targeted specifically for pastors congregational leaders and even seminarians preparing for ministry A dozen personal responses to the book written as letters from people in ministry have been collected together at the end The book is helpful as a ministry preparation text a guide for those serving as pastors or as a discussion starter for pastors support groups It will help church committees smooth a pastoral transition or calm seminary graduates anticipating their first placement The hope is that stressed out pastors will recover their sense of vocation and congregations will begin to fulfill their calling as the body of Christ

Renewed Benjamin Fischer, Cedric Kanana, 2021-07-23 Countless Americans suffer from chronic joylessness through meaningless work and the loss of significant human connection Often called an age of despair late modernity desperately needs joy and although Christians are the ones who have access to it many have tragically forgotten how to find it Joy Renewed takes a hard look at what afflicts Western society including Christians and provides a reorientation of life that opens the heart to God's good design Fischer and Kanana bring together truth from biblical narratives with glittering insights from the experience of East African suffering to dissect contemporary social ills and offer a layered prescription for rediscovering joy

Forbes of Harvard Elbert Hubbard, 1894 A novel in letter form *Return to Joy* Andrew Harvey, Carolyn Baker, 2016-10-13 Return to Joy is a compelling and potent invitation to the reader to consider that joy is the ultimate nature of reality and that its absence lies at the root of the current unprecedented global crisis In this book Andrew and Carolyn mine the mystical wisdom of the ages that places joy at the core of our existence and purpose as a species moving forward to consider in depth the myriad enemies of joy in our time As we tend the fires of joy we celebrate its seven flames and nurture its ubiquitous presence whether in the background or the foreground of our lives *Herald of Gospel Liberty* Elias Smith, 1909 *The Joy of Everlasting Love* Richard Allen Brooks, 2017-07-14 Read through this repertoire of poems and you will witness Richards journey one which begins at a young age and continues to this day At every step his peers and family members have been instrumental in the success he had achieved in his various endeavours His recollection of how he relished success and his gratitude toward those who have made it possible is expressed in a style that he has truly mastered Through unique literary skills Mr Brooks shows how he has devoted himself to building friendships over the years and the dedication needed in keeping those cherished friendships Its about sharing the little things in life with others which have no price but which brings us the greatest fulfilment Its about helping to shoulder the weight of others burdens to be with them in their darkest hour and to remind them that its that very darkness which is at its worst before the dawning of a better day Conversely Richard also offers a more sobering perspective on how we can relate to the emptiness felt when friendships fail to endure in stanzas reflecting on violation of trust misdeeds and broken promises *The Nineteenth Century and After*, 1928 First Truths; or, Lessons and hymns for Christian children.
