From Cedar Mountain To Antietam:

Cedar Mountain to Antietam M. Chris Bryan, 2022-01-04 This history of the Union XII Corps skillfully weaves firsthand accounts into a compelling story about the triumphs and defeats of this venerable unit Bradley M Gottfried author of The Maps of Antietam The diminutive Union XII Corps found significant success on the field at Antietam Its soldiers swept through the East Woods and the Miller Cornfield permanently clearing both of Confederates repelled multiple Southern assaults against the Dunker Church plateau and eventually secured a foothold in the West Woods This important piece of high ground had been the Union objective all morning and its occupation threatened the center and rear of Gen Robert E Lee s embattled Army of Northern Virginia Yet federal leadership largely ignored this signal achievement and the opportunity it presented The achievement of the XII Corps is especially notable given its string of disappointments and hardships in the months leading up to Antietam M Chris Bryan s Cedar Mountain to Antietam begins with the formation of this often luckless command as the II Corps in Maj Gen John Pope s Army of Virginia on June 26 1862 Bryan explains in meticulous detail how the corps endured a bloody and demoralizing loss after coming within a whisker of defeating Maj Gen Stonewall Jackson at Cedar Mountain on August 9 suffered through the hardships of Pope s campaign before and after the Battle of Second Manassas and triumphed after entering Maryland and joining the reorganized Army of the Potomac The men of this small corps earned a solid reputation in the Army of the Potomac at Antietam that would only grow during the battles of 1863 This unique study which blends unit history with sound leadership and character assessments puts the XII Corps actions in proper context by providing significant and substantive treatment to its Confederate opponents Bryan s extensive archival research newspapers and other important resources together with detailed maps and images offers a compelling story of a little studied yet consequential command that fills a longstanding historiographical gap **From Cedar Mountain to Antietam, August-September, 1862. An Atlas of the Second Bull Run Manassas Campaign from the Formation of the Army of Virginia Through Chantilly June 26 September 1 1862 continues Bradley M Gottfried's efforts to study and illustrate the major campaigns of the Civil War This is the tenth book in the ongoing Savas Beatie Military Atlas Series President Abraham Lincoln's frustration with George B McClellan's inability to defeat Robert E Lee and capture Richmond dramatically increased after the unsuccessful Seven Days Battles In response Lincoln combined three small armies into the new Army of Virginia and placed it under Maj Gen John Pope who had overseen several successes in the Western Theater Pope's aggressiveness and McClellan's passivity on the Peninsula convinced Lee to send Thomas Stonewall Jackson's wing of the Army of Northern Virginia to confront Pope A bloody battle at Cedar Mountain on August 9 halted Pope's move south and Jackson's raid on the vast stores at Manassas Junction triggered another confrontation this time at Kettle Run When McClellan's troops abandoned the Peninsula Lee moved his other wing under James Longstreet rapidly north Pope missed an opportunity to prevent the junction of Lee's wings by not stopping Longstreet at Thoroughfare Gap The battle of Second Bull Run began on the evening of August 28 when Jackson tangled with Union troops at the Brawner Farm Pope spent much of the next day hammering Jackson's front with no idea that Longstreet was arriving on the field The Union assaults continued on August 30 until Longstreet launched a massive assault that rolled up the Union left flank and collapsed Pope's army The retreat was briefly interrupted by some of Jackson's units at Chantilly which ended the campaign The Maps of Second Bull Run plows new ground by breaking down the entire campaign into 24 map sets or action sections enriched with 122 detailed full page color maps These cartographic originals bore down to the regimental and battery level They include the march to and from the battlefields and virtually every significant event in between including cavalry actions At least two and as many as ten maps accompany each map set Keyed to each piece of cartography is a full facing page of detailed text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the cavalry actions come alive This presentation allows readers to easily find a map and text on any portion of the sprawling campaign Serious students will appreciate the extensive endnotes and complete orders of battle and take the book with them to the battlefields A final bonus is that the maps unlock every other book or article written on any aspect of the campaign Perfect for the easy chair or for stomping the hallowed grounds The Maps of Second Bull Run is a seminal work that belongs on the bookshelf of every serious and casual student of the battle

as a hero in his native land for his sensational but ultimately unsuccessful exploits during the 1848 German Revolution Franz Sigel who immigrated to the United States in 1852 is among the most misunderstood figures of the American Civil War He was appointed by Abraham Lincoln as a political general in the Union army a move that successfully galvanized northern support and provided a huge influx of German recruits who were eager to fight mit Sigel But Sigel proved an inept and ineffectual leader and unfortunately is most often remembered for his disappointing failure at the Battle of New Market and his subsequent loss of command In his insightful biography Stephen D Engle provides the first complete portrait of this enigmatic leader and German standard bearer showing Sigel to be a disciplined self sacrificing idealist who sparked more pride among his fellow migrants aroused more controversy among Americans and perhaps enjoyed more admiration despite his military shortcomings than any other Civil War figure
