From Courtship To Courtroom:

Taken Into Custody Stephen Baskerville,2007-09-01 Taken into Custody exposes the greatest and most destructive civil rights abuse in America today Family courts and Soviet style bureaucracies trample basic civil liberties entering homes uninvited and taking away people s children at will then throwing the parents into jail without any form of due process much less a trial No parent no child no family in America is safe The legal industry does not want you to hear this story Radical feminists bar associations and social work bureaucracies have colluded to suppress this information Even pro family groups and civil libertarians look the other way Yet it is a reality for tens of millions of Americans who are our neighbors *The*

Rift Cait West, 2024-04-30 A powerful meditation on what it means to be trapped and what it takes to break free Publishers Weekly STARRED Review A gripping memoir about coming of age in the stay at home daughter movement and the quest to piece together a future on your own terms Raised in the Christian patriarchy movement Cait West was homeschooled and could only wear clothes her father deemed modest She was five years old the first time she was told her swimsuit was too revealing to go change There would be no college in her future no career She was a stay at home daughter

and would move out only when her father allowed her to become a wife She was trained to serve men and her life would never be her own Until she escaped In *Rift* Cait West tells a harrowing story of chaos and control hidden beneath the facade of a happy family Weaving together lyrical meditations on the geology of the places her family lived with her story of spiritual and emotional manipulation as a stay at home daughter Cait creates a stirring portrait of one young woman s growing awareness that she is experiencing abuse With the ground shifting beneath her feet Cait mustered the courage to break free from all she d ever known and choose a future of her own making *Rift* is a story of survival It s also a story about what happens after you survive With compassion and clarity Cait explores the complex legacy of patriarchal religious trauma in her life including the ways she has also been complicit in systems of oppression A remarkable literary debut *Rift* offers an essential personal perspective on the fraught legacy of purity culture and recent reckonings with abuse in Christian communities

Big Four Oscar Lewis,2012-12-05 Here for the first time is told in a single volume one of the most remarkable stories in American history An Easterner is never long in California without hearing something of the big four four Sacramento shopkeepers Collis P Huntington Leland Stanford Mark Hopkins and Charles Crocker who got control of the newly organized Central Pacific Railroad property These men are portrayed in Mr Lewis s volume vividly and with a great wealth of pertinent anecdote Thus their true characters are revealed and the grandiose era in which they lived and operated is re created as well Huntington the shrewd manipulator and lobbyist in Washington founded the great fortune which is responsible for the magnificent library at San Marino Leland Stanford Governor of California and United States Senator created Leland Stanford Junior University Hopkins the cold quiet watchdog of the railroad s treasury kept himself out of the limelight out of politics and scandal yet like the others died enormously wealthy while Crocker founded a dynasty of bankers still important in the affairs of California and the nation Oscar Lewis a longtime authority on Californiana and secretary of the Book Club of California spent six years gathering the material for *The Big Four* and writing it The result is a definitive telling of a story that is ever fresh and ever fascinating

Courting Desire Rama Srinivasan,2020-01-17 Inquiries into marital patterns can serve as an effective lens to analyze social structures and material cultures not only on the question of sexuality but also on the nature of a private citizen s engagement with state and law Through ethnographic research in courtrooms community and kinship spaces the author outlines the transformations in material culture and political economy that have led to renewed negotiations on the institution of marriage in North India especially in legal spaces Tracing organically evolving notions of sexual consent and legal subjectivity *Courting Desire* underlines how non normative decisions regarding marriage become possible in a region otherwise known for high instances of honor killings and rigid kinship structures Aspirations for consensual relationships have led to a tentative attempt to forge relationships that are non normative but grudgingly approved after state intervention The book traces this nascent and under explored trend in the North Indian landscape

The Female Fear Margaret T. Gordon,Stephanie Riger,1991 The authors examine the female

fear of rape probe the myths and realities of rape and society's response and explore strategies women have developed to protect themselves from its horrifying occurrence

Courtship and Marriage in Victorian England Jennifer Phegley, 2011-11-15 This book examines the popular publications of the Victorian period illuminating the intricacies of courtship and marriage from the differing perspectives of the working middle and upper classes In contemporary culture the near obsessive pursuit of love and monogamous bliss is considered normal as evidenced by a wide range of online dating sites television shows such as *Sex in the City* and *The Bachelorette* and an endless stream of Hollywood romantic comedies Ironically when it comes to love and marriage we still wrestle with many of the same emotional and social challenges as our 19th century predecessors did over 100 years ago *Courtship and Marriage in Victorian England* draws on little known conduct books letter writing manuals domestic guidebooks periodical articles letters and novels to reveal what the period equivalents of dating and tying the knot were like in the Victorian era By addressing topics such as the etiquette of introductions and home visits the roles of parents and chaperones the events of the London season model love letters and the specific challenges facing domestic servants seeking spouses author Jennifer Phegley provides a fascinating examination of British courtship and marriage rituals among the working middle and upper classes from the 1830s to the 1910s

Preserving Family Ties Mark David Roseman Ph.D. CFLE, 2018-02-02 *Preserving Family Ties* was not written to give you a formula for action Rather this is a guidebook for understanding It was written to give a clearer understanding of the complexity in child custody when parents separate This book provides you the historical context for the changes you experience and what you may fear I have written this book to offer parents and professionals that context in which the new reality unfolds It was written to help you understand that one can move forward best when they acknowledge your feelings as you endure so many life changes often abrupt and unexpected b recognize the obstacles and options in the child custody and divorce process and c seek support from family friends community resources to affect the best transition for you and your children There is no magic wand to solve problems that parents may encounter real or imaginary However our imagination can play havoc with this journey of family transition The future we prefer for our children for each parent for grandparents and other extended family members can be far better than imagined

Wilderness Courtship & Courting Miss Adelaide Valerie Hansen, Janet Dean, 2018-10-02 The power of faith and love *Wilderness Courtship* Thorne Blackwell is in the midst of a crisis To save his brother's wife and son from hired guns he must make a grueling journey through the wild Oregon Territory And he needs Charity Beal's help Through roiling rivers and lush mountain passes Charity's kindness and faith awakens Thorne to a strength he never knew But before he can win her love he has to save their party from the sharpshooter stalking their every step *Courting Miss Adelaide* The orphan train seemed like spinster Adelaide Crum's last chance to know the joys of family life So many lost children were in need of the caring home she longed to offer And yet the narrow minded town elders refused to entrust any child to a woman alone Only newspaperman Charles Graves supported

Adelaide Her gentle soul and unwavering faith made him wonder if even he could overcome the bitter lessons of the past

Courtship, Marriage and Marriage Breakdown Katie Barclay, Jeffrey Meek, Andrea Thomson, 2019-10-28 This book explores the history of marriage and marriage like relationships across five continents from the seventeenth century to the present day Across fourteen chapters leading marriage scholars examine how the methodologies from the new history of emotions contribute to our understanding of marriage seeking to uncover not only personal feeling but also the political and social implications of emotion They highlight how marriage as an institution has been shaped not just by law and society but also by individual and community choices desires and emotional values Importantly they also emphasize how the history of non traditional and same sex relationships and their emotions have long played an important role in determining the nature of marriage as an institution and emotional union In doing so this collection allows us to rethink both the past and present of marriage destabilizing a story of a stable institution and opening it up as a site of contest debate and feeling Women Before the Bar Cornelia Hughes Dayton, 2012-12-01 Women before the Bar is the first study to investigate changing patterns of women s participation in early American courts across a broad range of legal actions including proceedings related to debt divorce illicit sex rape and slander Weaving the stories of individual women together with systematic analysis of gendered litigation patterns Cornelia Dayton argues that women s relation to the courtroom scene in early New England shifted from one of integration in the mid seventeenth century to one of marginality by the eve of the Revolution Using the court records of New Haven which originally had the most Puritan dominated legal regime of all the colonies Dayton argues that Puritanism s insistence on godly behavior and communal modes of disputing initially created unusual opportunities for women s voices to be heard within the legal system But women s presence in the courts declined significantly over time as Puritan beliefs lost their status as the organizing principles of society as legal practice began to adhere more closely to English patriarchal models as the economy became commercialized and as middle class families developed an ethic of privacy By demonstrating that the early eighteenth century was a crucial locus of change in law economy and gender ideology Dayton s findings argue for a reconceptualization of women s status in colonial New England and for a new periodization of women s history The Southwestern Reporter ,1908 Courting Alecia Simmonds, 2023-11-07 Award winning author Alecia Simmonds uncovers a hidden history of love and heartbreak in the archives of law Until well into the twentieth century heartbroken men and women in Australia had a legal redress for their suffering jilted lovers could claim compensation for breach of promise to marry Hundreds of people mostly from the working classes came before the courts and their stories give us a tantalising insight into the romantic landscape of the past where couples met how they courted and what happened when flirtations turned sour In packed courtrooms and breathless newspaper reports love letters were read as contracts and private gifts and gossip scrutinised as evidence In Courting Alecia Simmonds brings these stories vividly to life revealing the entangled histories of love and the law Over the long arc of the nineteenth and twentieth

centuries pre industrial romantic customs gave way to middle class respectability women used the courts to assert their rights and the law eventually retreated from people s romantic lives with women Simmonds argues losing out in the process Challenging our preconceptions about how previous generations loved and lost and prompting fascinating questions about the ethics of love today Courting is a transcontinental journey into the most intimate corners of the past Enthralling and compelling Anne Summers A beautifully written account of the trials and tribulations of romantic love across the centuries Delightful and engrossing Courting is filled with stories of infatuation deception and heartbreak as well as the legal moral and gendered regulation of betrothal and marriage This is history richly told Anna Clark author of Making Australian History Original and provocative witty and wise Alecia Simmonds Courting is an example of the new Australian history at its finest Diving deep into legal records this illuminating book explores the changing relationships between men and women love and law as enacted in courtship and courtrooms over two centuries Women are the key actors in these entangled stories as they seek legal avenues for redress and compensation for material harm and lacerated feelings In a powerful conclusion Simmonds ponders on what has been lost in legal reform and the ambiguities of feminist progress Marilyn Lake In this marvellously engaging history Alecia Simmonds takes us through a sparkling collection of stories in which the path of true love or what was sometimes mistaken for it led not to the altar but to the courtroom Frank Bongiorno Simmonds is mistress of the well turned phrase and the arresting observation She is also a fine historian Marian Quartly Inside Story
