From Eternity to Eternity Erich Sauer,1957 **From Eternity to Eternity**,2021 *From eternity to eternity* Erich Sauer,1972 Dispensationalism, Israel and the Church Craig A. Blaising,Darrell L. Bock,2010-08-10 The relationship between Israel and the church is a crucial reference point in theology especially in distinguishing between dispensational and nondispensational ways of thinking The thesis of this book is that Israel and the church are distinct theological institutions that have arisen in the historical progress of divine revelation But they are also related as successive phases of a redemptive program that is historically progressive and eschatologically converging The approach to these issues here is neither polemical nor apologetic rather it anticipates a convergence among evangelical scholars in the recognition of both continuity and discontinuity in the Israel church relationship This book has three purposes To offer a contemporary dispensational treatment of that relationship through an exegetical examination of key texts with a focus on theological concerns To foster genuine dialogue with nondispensational thinkers regarding major biblical themes tied to the plan of God To identify the changes in dispensational thought that have developed since the publication of Charles Ryrie s book *Dispensationalism Today* in 1965

The Fulfillment of the Davidic Covenant Patrick W. Nasongo,2019-01-01 The author discusses three major hermeneutical views concerning the fulfillment of the promises God made in the Davidic Covenant that is a house dynasty a kingdom realm and a throne right to rule He shows how the adherents of each view differ regarding the timing and nature of the fulfillment of each aspect He also investigates the hermeneutical methodology of each view to determine how they arrived at their conclusions and then he analyzes their conclusions from an exegetical perspective Furthermore he explains in detail and defends the view he considers to be biblical Most of all in an age where compromise on biblical interpretation has become the norm he encourages his readers to interpret the Scriptures according to the normal laws of language in order to arrive at their intended meaning I am honored to endorse this book for Patrick Nasongo His extensive research reveals why three prominent evangelical approaches differ in their interpretations of the fulfillment of the Davidic Covenant His analysis is fair and the reader will learn much about each methodology Larry A Tyler Ph D Dean Bowman School of Bible Theology Temple Baptist Seminary

Eschatology and Ecology Paul Hang-Sik Cho,2011-05-01 This book raises the question of why Korean people and Korean Protestant Christians in particular pay so little attention in theory or practice to ecological issues The author argues that there is an important connection or elective affinity between this lack of attention and the otherworldly eschatology that is so dominant within Korean Protestant Christianity Dispensational premillennialism originally imported by American missionaries resonated with traditional religious beliefs in Korea and soon came to dominate much of Korean Protestantism This book argues that this of all forms of millennialism is the most damaging to ecological concerns It also suggests how Korean churches may effectively respond to the ecological challenge

For Zion's Sake Paul Richard Wilkinson,2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes

issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ's glory and God's truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre-tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology *Theodoret of Cyrus on Romans 11:26* Joel A. Weaver,2007

Theodoret of Cyrus on Romans 11:26 Recovering an Early Christian Elijah Redivivus Tradition explores the interesting reading of Romans 11:26 offered by the fifth-century Antiochene bishop Theodoret of Cyrus who states that the Jews will believe when the excellent Elijah comes bringing to them the doctrine of faith Surveying the diverse Elijah redivivus traditions of Middle Judaism and early Christianity the author identifies the two main trajectories of Christian Elijah redivivus traditions that emerge Theodoret's application of one such tradition to Romans 11:26 is set within the framework of the modern debate on the salvation of Israel allowing an ancient voice to speak to the modern scholarly divide *Progressive Dispensationalism* Craig A. Blaising, Darrell L. Bock,2000-09-01 Thoughtful and accessible An up-to-date comprehensive overview of the most important issues in dispensationalism underpinned with accurate scholarship and summarized with clarity *Essential Christian Doctrine* John MacArthur,2021-03-03 A Concise Summary of Biblical Truth by John MacArthur Doctrine not only equips you with more knowledge about God it also shapes your affections toward him and directs your actions for him but it can be difficult to know where to begin This concise handbook developed from John MacArthur's larger work *Biblical Doctrine* is an entry point for studying theological topics such as the Bible the Holy Spirit the church and more As MacArthur walks through the essentials of the Christian faith doctrine by doctrine he'll not only encourage your heart and mind but also empower you to proclaim the faith that was once for all delivered to the saints Jude 3 *Biblical Doctrine* John MacArthur, Richard Mayhue,2017-01-13 Long Awaited Systematic Theology by Well-Known Pastor Author and President of the Master's Seminary Doctrine isn't just for theologians it's important for every Christian because it shows us who God is and how we should live Systematizing the robust theology that has undergirded John MacArthur's well-known preaching ministry for decades this overview of basic Christian doctrine covers topics such as God the Father Jesus Christ the Holy Spirit the Bible salvation and more Comprehensive in scope yet written to be accessible to the average reader with non-technical vocabulary minimal footnotes and a helpful bibliography this volume offers Christians a solid foundation for what they believe and why *Contemporary Theology: An Introduction, Revised Edition* Kirk R. Understanding Dispensationalism Mark Sweetnam, 2020-11-23 There is no shortage of books tracing the historical development and discussing the theological and cultural implications of dispensationalism This book addresses none of these areas but instead returns to first principles to examine the biblical case for dispensationalism It introduces the reader to the wonder of God's plan for the ages and seeks to demonstrate how an understanding of the dispensations allows us to comprehend more of God's word and more of his mighty ways
