## **From Front Porch To Back Seat:**

From Front Porch to Back Seat Beth L. Bailey, 1989-08-01 From gentleman callers to big men on campus from Coke dates to parking From Front Porch to Back Seat is the vivid history of dating in America In chronicling a dramatic shift in patterns of courtship between the 1920s and the 1960s Beth Bailey offers a provocative view of how we sought out mates and of what accounted for our behavior More than a quarter century has passed since the dating system Bailey describes here lost its coherence and dominance Yet the legacy of the system remains a strong part of our culture s attempt to define female and male roles alike

**American Families Past and Present** Susan M. Ross, 2006 Bringing together essays by twenty one distinguished scholars who have helped shape the field of family sociology in the last decade this interdisciplinary anthology examines variation within family experience especially as it has evolved across racial ethnic social gender and generational lines The essays place historical and institutional frameworks at the center of the discussion In depth chapter introductions along with critical questions to spark class discussion make this an ideal text for courses focusing on family composition trends and controversies in the United States

Love, Honour, and Jealousy Niamh Cullen, 2019-05-09 Love Honour and Jealousy investigates the impact of the Italian economic miracle of the 1950s and 1960s on intimate life Just as Italy was rapidly forged into an urban industrial nation in these years the ways in which Italians thought about family love and marriage were transformed by migration and modern consumer culture At the core of this book lies the investigation of almost one hundred and fifty unpublished diaries and memoirs written by ordinary men and women who were coming of age during these years These personal testimonies reveal unique insights into the experiences thoughts and feelings of those who came of age against the backdrop of a rapidly changing Italy The personal stories are explored alongside the films magazines and music of the time which were saturated with both new and old ideas of romance Films and magazines encouraged young Italians to put romantic love and individual desire over family contributing to changing expectations about marriage and often resulting in family tensions At the same time popular love stories were frequently laced with jealousy hinting at the darker emotions that were linked in many minds to love This darker side was a significant part of the story of changing ideas about intimacy in post war Italy as was the growing desire to marry for love Control and violence against women was closely linked to southern ideas about family honour but also to anxieties about Italy s changing society which manifested itself in romantic jealousy Through its exploration of courtship marriage honour crime forced marriage jealousy and marriage breakdown Love Honour and Jealousy traces the ways in which the lives both of individuals and of the nation itself were shaped by changing understandings of romantic love and its darker companions honour and jealousy

**Beyond Rosie the Riveter** Donna B. Knaff, 2014-01-10 The iconic bicep flexing poster image of Rosie the Riveter has long conveyed the impression that women were welcomed into the World War II work force and admired for helping free a man to fight Donna Knaff however shows that Rosie only revealed part of the reality and that women depicted in other World War II visual art

both in the private sector and the military reflected decidedly mixed feelings about the status of women within American society Beyond Rosie the Riveter takes readers back to a time before television's dominance to the golden age of print art and its singular power over public opinion Focusing specifically on instances of female masculinity when women entered previously all male fields Knaff places these images within the context of popular discussions of gender roles and examines their historical cultural and textual contexts As Knaff reveals visual messages received by women through war posters magazine cartoons comic strips and ads may have acknowledged their importance to the war effort but also cautioned them against taking too many liberties or losing their femininity Her study examines the subtle and not so subtle cultural battles that played out in these popular images opening a new window on American women's experience Some images implicitly argued that women should maintain their femininity despite adopting masculinity for the war effort others dealt with society's deep seated fear that masculinized women might feminize men and many reflected the dilemma that a woman was both encouraged to express and suppress her sexuality so that she might be perceived as neither promiscuous nor lesbian From these cases Knaff draws a common theme while being outwardly empowered or celebrated for their wartime contributions women were kept in check by being held responsible for everything from distracting male co workers to compromising machinery with their long hair and jewelry Knaff also notes the subtle distinctions among the images government war posters targeted blue collar women New Yorker content was aimed at socialites Collier's addressed middle class women and Wonder Woman was geared to young girls Especially through its focus on visual arts Knaff's book gives us a new look at American society decades before the modern women's rights movement torn between wartime needs and antiquated gender roles It provides much needed nuance to a glossed over chapter in our history charting the difficult negotiations that granted and ultimately took back American women's wartime freedoms

**Marriage in Contemporary Japan** Yoko Tokuhiko, 2009-09-25 This is the first book in recent years to explore the contemporary state of marriage in Japanese society Setting out the different perceptions and expectations of marriage in

today's Japan the book discusses how economic issues and the family impact on marital behaviour      **Unhooked** Laura Sessions Stepp, 2007 An eye opening examination of the hook up culture and what it means seen through the personal experiences of young women as they confront the difficult lessons of dating love and sex along with the physical and emotional consequences      The Company He Keeps Nicholas L. Syrett, 2009-03-01 Tracing the full history of traditionally white college fraternities in America from their days in antebellum all male schools to the sprawling modern day college campus Nicholas Syrett reveals how fraternity brothers have defined masculinity over the course of their 180 year history Based on extensive research at twelve different schools and analyzing at least twenty national fraternities *The Company He Keeps* explores many factors such as class religiosity race sexuality athleticism intelligence and recklessness that have contributed to particular versions of fraternal masculinity at different times Syrett demonstrates the ways that fraternity brothers masculinity has had consequences for other students on campus as well emphasizing the exclusion of different groups of classmates and the sexual exploitation of female college students      *Making Marriage Modern* Christina Simmons, 2009-04-10 The nineteenth century middle class ideal of the married woman was of a chaste and diligent wife focused on being a loving mother with few needs or rights of her own The modern woman by contrast was partner to a new model of marriage one in which she and her husband formed a relationship based on greater sexual and psychological equality In *Making Marriage Modern* Christina Simmons narrates the development of this new companionate marriage ideal which took hold in the early twentieth century and prevailed in American society by the 1940s The first challenges to public reticence to discuss sexual relations between husbands and wives came from social hygiene reformers who advocated for a scientific but conservative sex education to combat prostitution and venereal disease A more radical group of feminists anarchists and bohemians opposed the Victorian model of marriage and even the institution of marriage Birth control advocates such as Emma Goldman and Margaret Sanger openly championed women's rights to acquire and use effective contraception The companionate marriage emerged from these efforts This marital ideal was characterized by greater emotional and sexuality intimacy for both men and women use of birth control to create smaller families and destigmatization of divorce in cases of failed unions Simmons examines what she calls the flapper marriage in which free spirited young wives enjoyed the early years of marriage postponing children and domesticity She looks at the feminist marriage in which women imagined greater equality between the sexes in domestic and paid work and sex And she explores the African American partnership marriage which often included wives employment and drew more heavily on the involvement of the community and extended family Finally she traces how these modern ideals of marriage were promoted in sexual advice literature and marriage manuals of the period Though male dominance persisted in companionate marriages Christina Simmons shows how they called for greater independence and satisfaction for women and a new female heterosexuality By raising women's expectations of marriage the companionate ideal also contained within it the seeds of second wave feminists demands for

transforming the institution into one of true equality between the sexes      **What's Next in Love and Sex** Elaine Hatfield, Richard L. Rapson, Jeanette Purvis, 2020-02-25 What's Next in Love and Sex is a comprehensive examination of contemporary academic findings relating to all matters of the mind body and heart Inspired by questions asked by students the book covers cutting edge topics so new that they are rarely addressed in current sexuality texts providing insight into modern trends such as hookup culture virtual pornography robots apps and online dating as they evolve in this day and age Written by one of the pioneers of love and sex research Elaine Hatfield along with historian Richard Rapson and social psychologist Jeanette Purvis this book uses contemporary scientific findings to provide an updated and relevant explanation for why we do the things we do when we're in love searching for love making love or trying to keep a faltering relationship together Combining rigorous scholarship with an accessible and entertaining style no other book will give college students and academics alike such a developed understanding of contemporary love and sex      *The Search to Belong* Joseph R. Myers, 2011-01-04 A practical guide for those struggling to build a community of believers in a culture that wants to experience belonging over believing Who is my neighbor Who belongs to me To whom do I belong These are timeless questions that guide the church to its fundamental calling Today terms like neighbor family and congregation are being redefined People are searching to belong in new places and experiences The church needs to adapt its interpretations definitions and language to make sense in the changing culture This book equips congregations and church leaders with tools to Discern the key ingredients people look for in community Understand the use of space as a key element for experiencing belonging and community Develop the chemical compound that produces an environment for community to spontaneously emerge Discover how language promotes specific spatial belonging and then use this knowledge to build an effective vocabulary for community development Create an assessment tool for evaluating organizational and personal community health      **A woman's place?** Ciara Meehan, 2023-02-28 This book explores representations of the domestic in Irish women's magazines Published in 1960s Ireland during a period of transformation they served as modern manuals for navigating everyday life Traditional themes dating marriage and motherhood dominated But editors also introduced conflicting voices to complicate the narrative Readers were prompted to reimagine their home life and traditional values were carefully subverted The domestic was shown to be a negotiable concept in the coverage of such issues as the body and reproductive rights working wives and equal pay Dominant societal perceptions of women were also challenged through the inclusion of those who were on the margins widows unmarried mothers and never married women This book considers the motivations of editors the role of readers and the influence of advertisers in shaping complex debates about women in society in 1960s Ireland      **"Jews, Race and Popular Music "** Jon Stratton, 2017-07-05 Jon Stratton provides a pioneering work on Jews as a racialized group in the popular music of America Britain and Australia during the twentieth and early twenty first centuries Rather than taking a narrative historical approach the book consists of a number of case studies looking at the American

British and Australian music industries Stratton's primary motivation is to uncover how the racialized positioning of Jews which was sometimes similar but often different in each of the societies under consideration affected the kinds of music with which Jews have become involved Stratton explores race as a cultural construction and continues discussions undertaken in Jewish Studies concerning the racialization of the Jews and the stereotyping of Jews in order to present an in depth and critical understanding of Jews race and popular music      The Meaning of Marriage Timothy Keller, Kathy Keller, 2013-11-05 Describes what marriage should be according to the Bible arguing that marriage is a tool to bring individuals closer to God and provides meaningful instruction on how to have a successful marriage      Female Adolescent Sexuality in the United States, 1850-1965 Ann Kordas, 2019-04-08 This book examines the history of female adolescent sexuality in the United States from the middle of the nineteenth century until the beginning of the 1960s The book analyzes both adult perceptions of female adolescent sexuality and the experiences of female adolescents themselves It examines what girls knew or thought they knew about sex at different points in time girls sexual experiences girls ideas about love and romance female adolescent beauty culture and the influence of popular culture on female adolescent sexuality It also examines the ways in which adults responded to female adolescent sexuality and the efforts of adults to either control or encourage girls interest in sexual topics dating girls participation in beauty culture and their education on sexual topics The book describes a trajectory along which female adolescents went from being perceived as inherently innocent and essentially asexual to being regarded and feared as primarily sexual in nature      *Art and the Crisis of Marriage* Vivien Green Fryd, 2003 Between the two world wars middle class America experienced a marriage crisis that filled the pages of the popular press Divorce rates were rising birthrates falling and women were entering the increasingly industrialized and urbanized workforce in larger numbers than ever before while Victorian morals and manners began to break down in the wake of the first sexual revolution Vivien Green Fryd argues that this crisis played a crucial role in the lives and works of two of America's most familiar and beloved artists Georgia O'Keeffe 1887-1986 and Edward Hopper 1882-1967 Combining biographical study of their marriages with formal and iconographical analysis of their works Fryd shows how both artists expressed the pleasures and perils of their relationships in their paintings Hopper's many representations of Victorian homes in sunny tranquil landscapes for instance take on new meanings when viewed in the context of the artist's own tumultuous marriage with Jo and the widespread middle class fears that the new urban multidwelling homes would contribute to the breakdown of the family Fryd also persuasively interprets the many paintings of skulls and crosses that O'Keeffe produced in New Mexico as embodying themes of death and rebirth in response to her husband Alfred Stieglitz's long term affair with Dorothy Norman *Art and the Crisis of Marriage* provides both a penetrating reappraisal of the interconnections between Georgia O'Keeffe's and Edward Hopper's lives and works as well as a vivid portrait of how new understandings of family gender and sexuality transformed American society between the wars in ways that continue to shape it today      **Sweet Dreams** Warren R. Hofstra, 2013-08-01 One of

the most influential and acclaimed female vocalists of the twentieth century Patsy Cline 1932-63 was best known for her rich tone and emotionally expressive voice Born Virginia Patterson Hensley she launched her musical career during the early 1950s as a young woman in Winchester Virginia and her heartfelt songs reflect her life and times in this community A country music singer who enjoyed pop music crossover success Cline embodied the power and appeal of women in country music helping open the lucrative industry to future female solo artists Bringing together noted authorities on Patsy Cline and country music Sweet Dreams The World of Patsy Cline examines the regional and national history that shaped Cline's career and the popular culture that she so profoundly influenced with her music In detailed deeply researched essays contributors provide an account of Cline's early performance days in Virginia's Shenandoah Valley analyze the politics of the split between pop and country music and discuss her strategies for negotiating gender in relation to her public and private persona Interpreting rich visual images fan correspondence publicity tactics and community mores this volume explores the rich and complex history of a woman whose music and image changed the shape of country music and American popular culture Contributors are Beth Bailey Mike Foreman Douglas Gomery George Hamilton IV Warren R Hofstra Joli Jensen Bill C Malone Kristine M McCusker and Jocelyn R Neal The Way We Never Were Stephanie Coontz, 2016-03-29 The definitive edition of the classic myth shattering history of the American family Leave It to Beaver was not a documentary a man's home has never been his castle the male breadwinner marriage is the least traditional family in history and rape and sexual assault were far higher in the 1970s than they are today In The Way We Never Were acclaimed historian Stephanie Coontz examines two centuries of the American family sweeping away misconceptions about the past that cloud current debates about domestic life The 1950s do not present a workable model of how to conduct our personal lives today Coontz argues and neither does any other era from our cultural past This revised edition includes a new introduction and epilogue exploring how the clash between growing gender equality and rising economic inequality is reshaping family life marriage and male female relationships in our modern era More relevant than ever The Way We Never Were is a potent corrective to dangerous nostalgia for an American tradition that never really existed *Sex and Leisure* Diana C. Parry, Corey W. Johnson, 2020-12-17 This book uses the emerging and cutting edge area of leisure research to highlight the importance of sexuality and sexual activity and its relevance to leisure studies It brings to the fore some complex issues associated with this topic using a range of substantive epistemological theoretical and methodological approaches Drawing on international scholarship the book examines sexuality from multiple and at times competing directions exploring the continuum of sex from work through to carnal pleasure and across specific sexual practices including BDSM pornography stripping and sex work Drawing on critical feminist queer and post theoretical perspectives the book charts a new direction for leisure studies and sex research including diverse understandings of leisure practice sex positivity fringe and deviant sex practices Critically the book moves beyond merely establishing sex as a leisure pursuit to focusing on the compelling and complex intersections

between sexuality and leisure This is fascinating reading for any student or researcher with an interest in leisure sexuality gender cultural studies or sociology      **Into One's Own** John Modell, 1989 Analyzes the changes which have occurred over this century in the timing of transitions to adult life in the United States such as transitions out of school and into work and out of the parental home and into marriage and parenthood Links demographic behavior with popular beliefs and with the social and cultural developments and major events in American society from the 1920s to the 1970s
