## **Growing Up Jewish An Anthology:**

**Growing Up Jewish** Jay David, 1996 The experience of growing up Jewish in America has produced some of the very best works of fiction and nonfiction ever written Now *Growing Up Jewish* brings together twenty five accounts by some of our most popular and admired authors as well as newer and lesser known voices These twenty five stories of childhood and adolescence explore issues of Jewish identity language generational differences and family life But above all they touch on the universal themes the rites of passage and the joys and tensions of coming of age **BOOK JACKET Title Summary field** provided by Blackwell North America Inc All Rights Reserved *Judaism Through Children's Books* Ellen Musikant, Sue Grass, 2001 Cover the spectrum of Jewish topics Bible Ethics History Folklore Holidays Holocaust and Life Cycle For teachers in supplementary schools and day schools group workers *Growing Up Jewish*, 1970 *Growing Up Jewish* Jay David, 1997-01-01 Presents twenty six personal accounts by such authors as Edna Ferber Chaim Potok and Philip Roth exploring issues of Jewish identity language generational differences heritage and rites of passage *Unfinalized Moments* Derek Parker Royal, 2012-01-06 Focusing on a diversely rich selection of writers the pieces featured in *Unfinalized Moments* Essays in the Development of Contemporary Jewish American Narrative explore the community of Jewish American writers who published their first book after the mid 1980s It is the first book length collection of essays on this subject matter with contributions from the leading scholars in the field The manuscript does not attempt to foreground any one critical agenda such as Holocaust writing engagements with Zionism feminist studies postmodern influences or multiculturalism Instead it celebrates the presence of a newly robust diverse and ever evolving body of Jewish American fiction This literature has taken a variety of forms with its negotiations of orthodoxy its representations of a post Holocaust world its reassertion of folkloric tradition its engagements with postmodernity its reevaluations of Jewishness and its alternative delineations of ethnic identity Discussing the work of authors such as Allegra Goodman Michael Chabon Tova Mirvis Rebecca Goldstein Pearl Abraham Jonathan Rosen Nathan Englander Melvin Jules Bukiet Tova Reich Sarah Schulman Ruth Knafo Setton Ben Katchor and Jonathan Safran Foer the fifteen contributors in this collection assert the ongoing vitality and ever growing relevancy of Jewish American fiction **Jewish American Literature** Rosalind Reisner, 2004-10-30 Jewish American literature covers a broad range of genres and literary works Some of the United States most compelling literature centers on the American Jewish experience some of the most acclaimed authors write from the heart of their experience as Jewish Americans This ground breaking work is intended to guide readers and those who advise readers in selecting fiction and nonfiction books that match specific reading interests It is the first readers advisory guide to Jewish American literature Like other titles in the Genreflecting Advisory Series the book organizes titles by genre mysteries thrillers historical fiction science fiction and fantasy stories of romance and literary fiction In addition there are chapters on holocaust literature and on biography autobiography More than 700 titles are categorized and described Each chapter is further organized by subgenre and theme

Award winning titles are noted as are books that appeal to young adult readers and titles appropriate for book clubs and reading discussions In addition the author presents guidelines for building and maintaining a collection of Jewish literature tips for advising readers and lists of further resources for exploring the genre making this a thorough and practical resource Young adult and adult Grades 9 and up *The Stranger in Early Modern and Modern Jewish Tradition* Catherine Bartlett, Joachim Schlör, 2021-07-15 Throughout history Jews have often been regarded and treated as strangers In *The Stranger in Early Modern and Modern Jewish Tradition* authors from a wide variety of disciplines discuss how the notion of the stranger can offer an integrative perspective on Jewish identities on the non Jewish perceptions of Jews and on the relations between Jews and non Jews in an innovative way Contributions from history philosophy religion sociology literature and the arts offer a new perspective on the Jewish experience in early modern and modern times in contact and conflict in processes of attribution and allegation but also self reflection and negotiation focused on the figure of the stranger

**Jewish Families** Rachel Schlesinger, Benjamin Schlesinger, 2000 *The Routledge Encyclopedia of Jewish Writers of the Twentieth Century* Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time *Jewish Writers of the Twentieth Century* is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading **Canada's Jews** Gerald Tulchinsky, 2008-05-24 The history of the Jewish community in Canada says as much about the development of the nation as it does about the Jewish people Spurred on by upheavals in Eastern Europe in the late nineteenth and early twentieth centuries many Jews emigrated to the Dominion of Canada which was then considered little more than a British satellite state Over the ensuing decades as the Canadian Jewish identity was forged Canada itself underwent the transformative experience of separating itself from Britain and distinguishing itself from the United States In this light the Canadian Jewish identity was formulated within the parameters of the emerging Canadian national personality *Canada's Jews* is an account of this remarkable story as told by one of the leading authors and historians on the Jewish legacy in Canada Drawing on his previous work on the subject Gerald Tulchinsky illuminates the struggle against anti-Semitism and the search for a livelihood amongst the Jewish community He demonstrates that far from being a fragment of the Old World the Canadian Jewry grew from a tiny group of transplanted Europeans to a fully articulated diversified and dynamic national group that defined itself as Canadian while expressing itself in the varied political and social contexts of the Dominion *Canada's Jews* covers the 240 year period

from the beginnings of the Jewish community in the 1760s to the present day illuminating the golden chain of Jewish tradition religion language economy and history as established and renewed in the northern lands With important points about labour immigration and anti-Semitism it is a timely book that offers sober observations about the Jewish experience and its relation to Canadian history **Rebirth of a Culture** Hillary Hope Herzog, Todd Herzog, Benjamin Lapp, 2008-08-01 After 1945 Jewish writing in German was almost unimaginable and then only in reference to the Shoah Only in the 1980s after a period of mourning silence and processing of the trauma did a new Jewish literature evolve in Germany and Austria This volume focuses on the re emergence of a lively Jewish cultural scene in the German speaking countries and the various cultural forms of expression that have developed around it Topics include current debates such as the emergence of a post Waldheim Jewish discourse in Austria and Jewish responses to German unification and the Gulf wars Other significant themes addressed are the memorialization of the Holocaust in Berlin and Vienna the uses of Kafka in contemporary German literature and the German and American Jewish dialogue as representative of both the history of exile and the globalization of postmodern civilization The volume is enhanced by contributions from some of the most significant representatives of German Jewish writing today such as Esther Dischereit Barbara Honigmann Jeanette Lander and Doron Rabinovici The result is a lively dialogue between European and North American scholars and writers that captures the complexity and dynamism of Jewish culture in Germany and Austria at the turn of the twenty first century **The New Jewish American Literary Studies** Victoria Aarons, 2019-04-18 Introduces readers to the new perspectives approaches and interpretive possibilities in Jewish American literature that emerged in the twenty first Century **The Journey Home** Joyce Antler, 2010-05-11 A unique positive collection of essays profiles a number of forgotten female Jewish leaders who played key roles in various American social and political movements from suffrage and birth control to civil rights and fair labor practices **Between Relativism and Fundamentalism** Peter L. Berger, 2010 Our contemporary culture is dominated by two extremes relativism and fundamentalism Neither is desirable relativism claims that all questions of truth are irrelevant whereas fundamentalism insists on sole possession of absolute truth Internationally renowned sociologist of religion Peter Berger has gathered a group of scholars to consider how from out of different traditions one can define a middle position between both extremes After an extensive introductory overview by Berger three essays sociological descriptions give an objective picture of how relativism and fundamentalism play out in today's world In the second part theological directions authors from several different Christian traditions and one conservative Jewish tradition flesh out a normative middle ground that is neither relativist they affirm specific truth claims nor fundamentalist their affirmations include tolerance of the claims of others **The Cambridge History of Jewish American Literature** Hana Wirth-Nesher, 2015-12-09 This History offers an unparalleled examination of all aspects of Jewish American literature Jewish writing has played a central role in the formation of the national literature of the United States from the Hebraic sources of the Puritan imagination to narratives of

immigration and acculturation This body of writing has also enriched global Jewish literature in its engagement with Jewish history and Jewish multilingual culture Written by a host of leading scholars The Cambridge History of Jewish American Literature offers an array of approaches that contribute to current debates about ethnic writing minority discourse transnational literature gender studies and multilingualism This History takes a fresh look at celebrated authors introduces new voices locates Jewish American literature on the map of American ethnicity as well as the spaces of exile and diaspora and stretches the boundaries of American literature beyond the Americas and the West *Jacob & Esau* Malachi Haim Hacohen, 2019-01-10 *Jacob and Esau* is a profound new account of two millennia of Jewish European history that for the first time integrates the cosmopolitan narrative of the Jewish diaspora with that of traditional Jews and Jewish culture Malachi Haim Hacohen uses the biblical story of the rival twins Jacob and Esau and its subsequent retelling by Christians and Jews throughout the ages as a lens through which to illuminate changing Jewish Christian relations and the opening and closing of opportunities for Jewish life in Europe *Jacob and Esau* tells a new history of a people accustomed for over two and a half millennia to forming relationships real and imagined with successive empires but eagerly adapting in modernity to the nation state and experimenting with both assimilation and Jewish nationalism In rewriting this history via *Jacob and Esau* the book charts two divergent but intersecting Jewish histories that together represent the plurality of Jewish European cultures

Reading Israel, Reading America Omri Asscher, 2019-11-26 American and Israeli Jews have historically clashed over the contours of Jewish identity and their experience of modern Jewish life has been radically different As Philip Roth put it they are the heirs jointly of a drastically bifurcated legacy But what happens when the encounter between American and Israeli Jewishness takes place in literary form when Jewish American novels make aliyah or when Israeli novels are imported for consumption by the diaspora *Reading Israel Reading America* explores the politics of translation as it shapes the understandings and misunderstandings of Israeli literature in the United States and American Jewish literature in Israel Engaging in close readings of translations of iconic novels by the likes of Philip Roth Saul Bellow Bernard Malamud Amos Oz A B Yehoshua and Yoram Kaniuk in particular the ideologically motivated omissions and additions in the translations and the works reception by reviewers and public intellectuals Asscher decodes the literary encounter between Israeli and American Jews These discrepancies demarcate an ongoing cultural dialogue around representations of violence ethics Zionism diaspora and the boundaries between Jews and non Jews Navigating the disputes between these rival siblings of the Jewish world Asscher provocatively untangles the cultural relations between Israeli and American Jews The Cambridge Companion to American Judaism Dana Evan Kaplan, 2005-08-08 This volume provides readers with a comprehensive introduction to the most important and interesting historical and contemporary facets of Judaism in America Written by twenty four leading scholars from the fields of religious studies American history and literature philosophy art history sociology and musicology the book adopts an inclusive perspective on Jewish religious experience Three initial chapters cover the development of

Judaism in America from 1654 when Sephardic Jews first landed in New Amsterdam until today Subsequent chapters include cutting edge scholarship and original ideas while remaining accessible at an introductory level A secondary goal of this volume is to help its readers better understand the more abstract term of religion in a Jewish context The Cambridge Companion to American Judaism will be of interest not only to scholars but also to all readers interested in social and intellectual trends in the modern world

**Jewish Poland—Legends of Origin** Haya Bar-Itzhak, 2018-02-05 This book will be of interest to scholars in folklore studies as well as to scholars of Judaic history and culture

Modern Jewish Worldmaking Through Yiddish Children's Literature Miriam Udel, 2025-10-14 How modern Yiddish children's literature gave expression to emerging forms of Jewish identity As migration carried Yiddish to several continents during the long twentieth century an increasingly global community of speakers and readers clung to Jewish heritage while striving to help their children make sense of their lives as Jews in the modern world Miriam Udel traces how the stories and poems written for these Yiddish speaking children underpinned new formulations of secular Jewishness Udel provides the most comprehensive study to date of this corpus of nearly a thousand picture books chapter books story and poetry collections and anthologies Moving geographically from Europe to the Americas and chronologically through the twentieth century she considers this emerging canon in relation to the deep Jewish past and imagined Jewish futures before reckoning with the tragedy of the Holocaust Udel discusses how Yiddish children's literature espoused political ideologies ranging from socialism to Zionism and constituted a project of Jewish cultural nationalism one shaped equally by the utopianism of the Jewish left and important shifts in the Western understanding of children childhood and family life Modern Jewish Worldmaking Through Yiddish Children's Literature shows how Yiddish authors educators and cultural leaders confronting practical limits on their ability to forge a fully realized nation of their own focused instead on making a symbolic and conceptual world for Jewish children to inhabit with dignity justice and joy

## **Growing Up Jewish An Anthology** Book Review: Unveiling the Magic of Language
