Grub Line Rider:

Grub Line Rider Louis L'Amour, 2008 Collected in paperback for the first time are seven of L'Amour's finest stories of the Old West all carefully restored to their original magazine publication versions Includes Black Rock Coffin Makers and Desert Death Song **Man Riding West; Grub Line Rider; Down the Pogonip Trail** Louis L'Amour, 2010-05 Three classic L'Amour westerns dramatized for audio The Drifting Cowboy Will James, 1925 Stories about a working cowboy named Bill who drifts from Montana to Arizona *Sunset*, 1923 **Sand** Will James, 1929 A young city man learns to become a cowboy

We Pointed Them North E.C. "Teddy Blue" Abbott, Helena Huntington Smith, 2015-02-16 E.C. Abbott was a cowboy in the great days of the 1870s and 1880s. He came up the trail to Montana from Texas with the long horned herds which were to stock the northern ranges. He punched cows in Montana when there wasn't a fence in the territory and he married a daughter of Granville Stuart the famous early day stockman and Montana pioneer. For more than fifty years he was known to cowmen from Texas to Alberta as Teddy Blue. This is his story as told to Helena Huntington Smith who says that the book is all Teddy Blue. My part was to keep out of the way and not mess it up by being literary. Because the cowboy flourished in the middle of the Victorian age which is certainly a funny paradox no realistic picture of him was ever drawn in his own day. Here is a self portrait by a cowboy which is full and honest. And Teddy Blue himself says: Other old timers have told all about stampedes and swimming rivers and what a terrible time we had but they never put in any of the fun and fun was at least half of it. So here it is the cowboy classic with the terrible times and the fun which have entertained readers everywhere. First published in 1939 *We Pointed Them North* has been brought back into print by the University of Oklahoma Press in completely new format with drawings by Nick Eggenhofer and with the full original text *Twin Sombreros* Zane Grey, 2022-08-01 DigiCat Publishing presents to you this special edition of *Twin Sombreros* by Zane Grey. Tragic Days of Billy the Kid Frazier Hunt, 2009 Since a July night in 1881 when he was shot down at the age of 21 Billy the Kid has been a victim of the myths that surrounded and captured him This vivid interpretation of the Kid's life and character will come as an exciting revelation to readers who may have been familiar only with the earlier fictionalized versions For here is real moving tragedy painted in broad brush strokes with the vivid hues of the stark American Southwestern landscape Never before has there been brought into true focus the Lincoln County War which broke out in 1878 in the then Territory of New Mexico and which furnished the background and the period for the adventures of this extraordinary boy The literature concerning both the desperate cattle war and the singular young outlaw have necessarily been constructed around a thin framework of fact with its papier maché of myth and legend So persistent have been these legends that the true character of the Kid seemed almost beyond reach Indeed the Western poet Arthur Chapman once wrote that Billy the Kid must remain wholly the most unaccountable figure in frontier history Frazier Hunt 1885-1968 had the good fortune to have access to a great mass of fresh and unpublished source material which fully documents this thrilling history of the Kid and

his times It is a new and rather appealing boy who now comes to light an alert likeable yet tough youngster adored by the native Mexicans no less for his fluency in Spanish than for his kindness and consideration but no wanton killer In place of the former distorted figure of legend a young man of flesh and blood and heart emerges into clear perspective So at last we have the real Billy the Kid authentic true and completely accountable **The Killing Breed** Frank Leslie,2008 Yakima Henry a half white half Indian rancher finds his violent past returning with a vengeance when Bill Thornton his girl Faith s former boss hires a gang of sadistic bounty hunters to kill him and bring Faith back to him forcing Yakima to come out of retirement Original *Raiders of Spanish Peaks* Zane Grey,2024-11-09T00:00:00Z Hoping a change in environment will ease John Lindsay s sickness his family heads west to discover that their new homestead is an abandoned military post and they ve ridden into the middle of a gang of thieves and rustlers who have total control of the desolate land **The American West: Cowboys** Grayson Wyatt,2016-06-15 Forged in dime novels Wild West shows and Hollywood films the image of the American cowboy is largely a myth But behind it were real men whose hard work and hard play stoic toughness and code of honor helped tame the American West The epic cattle drives that were so much a part of the cowboys heyday lasted only an astonishingly brief two decades But the cowboy is still a basic part of the American character Here from historian Grayson Wyatt is their surprising and little told story **The Cowboy President** Michael F. Blake,2018-03-01 The Cowboy President How the American West Transformed Theodore Roosevelt details how his time spent in the Western Dakota Territory helped him recover from an overwhelming personal loss but more importantly how it transformed him into the man etched onto Mount Rushmore a man who is still rated as one of the top five Presidents in American history Unlike other Roosevelt biographies The Cowboy President details how the land the people and the Western code of honor had an enormous impact on Theodore and how this experience influenced him in his later years **The WPA Guide to New Mexico** Federal Writers' Project,2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country s shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours detailed descriptions of towns and rich cultural details exhibit each state s unique flavor The WPA Guide to New Mexico certainly shows how this Southwest state earned its nickname the Colorful State The blended influence of Native American Spanish and Anglo American cultures account for the Land of Enchantment s distinct flavor thoroughly captured in the guide s stunning photography as well as in its many essays on art folklore and language **J4U Cattle Company** Asa L. Driver,2022-08-19 J4U Cattle Company The Beginning By Asa L Driver Joshua Smith is a man with a face you will never forget Once handsome he now is covered in scars and burns after
