Professional Issues in Child and Youth Care Practice Kiaras Gharabaghi, 2013-09-13 This book provides an overview of the core professional issues in the field of child and youth care practice The author explores themes ranging from relationships and the exploration of Self to career building and field specific approaches to management The book is written from a pragmatic perspective and serves both to advance current thinking in the field about professional issues as well as to provide the student of child and youth care practice and practitioners with practical and accessible approaches to developing a strong and sustainable professional identity All of the themes in this book are explored within a context of ethical decision making and practice approaches informed by a commitment to children's rights and empowerment Throughout the discussions concepts and themes are considered in relation to four specific lenses the power lens the diversity lens the language lens and the transitioning from theory to practice lens These lenses serve to ensure that the reader adopts a critical understanding of the professional issues in the field and is able to develop his or her own professional identity while mitigating the power and identity issues necessarily associated with being a practitioner in a helping profession This book was published as a special issue of *Child and Youth Services*

Comprehensive Handbook of Social Work and Social Welfare, Social Work Practice, 2008-05-16 *Comprehensive Handbook of Social Work and Social Welfare Volume 3 The Profession of Social Work* features contributions from leading international researchers and practitioners and presents the most comprehensive in depth source of information on the field of social work and social welfare

Child Welfare: Issues in child welfare Nick Frost, 2005 This collection focuses on child welfare in its specific sense welfare and social interventions with children and young people undertaken by State bodies

or NGO s The term child welfare is deployed differently in diverse international settings In the United Kingdom child welfare tends to refer to individualised programmes for children who have experienced problems in their lives In India to take a contrasting example it can also refer to major housing and nutrition programmes This collection takes an inclusive approach to international perspectives The collection is completed by a new general introduction by the editor individual volume introductions and a full index Titles also available in this series include Medical Sociology November 2004 4 Volumes 495 and the forthcoming collection Health Care Systems 2005 3 Volumes c 395 Social Work with Children and Families Martin Brett Davies, 2012-03-20 Social workers are constantly making decisions under pressure How do policy law research and theory influence what they do This important book provides the answers with a crystal clear map of the field of social work with children and families Focused on four major themes family support work child protection adoption and fostering and residential child care and reveals in detail all the challenges that social workers face every day Edited by the highly respected Martin Davies this authoritative and illuminating book argues that the skill of the social worker can have life enhancing consequences for some of the most vulnerable people in society It is an essential investment for students educators and practitioners alike **Social Work** Patricia Higham, 2006-02-14 Comprehensive and user friendly The book is helpfully constructed around a number of key themes starting with a good attempt to define social work from historical and international perspectives and moving on to address key issues concerning the practice knowledge values and skills required from contemporary social work in the UK I believe social work students newly qualified and experienced social workers will find this a valuable resource especially when one is confronted by challenges in practice Professional Social Work Social Work is a good overview that should refresh learner and tutor alike Practice assessors may find this book a useful update for their work with students and also a neat refresher It is a well written and up to date text with a good sense of where future challenges lie for the social work profession in the UK Higham is confident enough to voice the profession s uncertainties as well as mapping the changing organisational landscape that social workers might populate This book is likely to appear on many social work reading lists It has the potential to provide good learning opportunities for post qualifying as well as pre qualifying training Health and Social Care in the Community The unique aspect of this book which distinguishes it from other competitors is that it is constructed explicitly around the key roles and benchmark statements this book will offer something new and interesting to the growing field of social work education literature and is likely to be relevant to both students and practitioners in the UK and elsewhere Dr Caroline Skehill Queens University Belfast What is the role of social work What does it mean to be a social worker What are the changes affecting social work training Social Work Introducing Professional Practice addresses these questions and provides an understanding of the knowledge values and skills requirements of professional social work The author has played a key role in constructing the subject benchmarks for the social work degree and offers a reflective and thoughtful commentary upon training education and practice Written in a lively and readable style

the book captures the essence of the changes sweeping through social work and engages the reader in these debates Key features of this book include Comprehensive content structured around the guidelines for training and practice Bridges the gap between theory and real life practice Student friendly features such as case studies discussion questions further reading and a glossary This exciting publication will be a core textbook for trainee social workers as they progress through the qualifying social work degree or as they begin their practice as newly qualified workers seeking to consolidate their learning

Developmental Group Care of Children and Youth Jerome Beker, Henry W Maier, 2014-02-04 A recognized leader in the professional development of the child and youth care field presents in this single volume a collection of his work related to group care work with children and youth Henry Maier shares his observations about human development in the group care context the perceptions of children and youth the environments in which we work with them the role of the worker and the preparation of child and youth care workers Dr Maier's practical approaches reflect the most recent research and thinking in human development This book is a practical text for courses in the child and youth field as well as a useful handbook for child and youth caseworkers already on the job BACKCOVER COPY In what way can group care non familial living assure children a developmental progress similar to that of children growing up within regular family care settings In his practical new text Henry Maier one of the most vibrant creative and humane figures in child and youth care work today answers that question for child care professionals using a developmental perspective in his approach to residential group care He focuses on the developmental requirements of children and adolescents in relation to the care they receive while they are in no familial group living situations and also highlights training for the caregivers in order that they can effectively provide the kind of caring involvement that children and youth require The real contribution of this book is that it cuts through the confusion of competing values and competing points of view to focus on the care at the heart of child care work attests Richard W Small PhD Executive Director of the Walker Home and School Needham Massachusetts from the Preface

Themes and Stories in Youthwork Practice Mark Krueger, 2012-12-06 Learn to follow the rhythms of building a relationship with youth at risk Themes and Stories in Youth Work Practice takes a refreshing look at the creative possibilities of working with youth in a variety of group care and developmental settings Author Mark Krueger presents an innovative approach to developing relationships through shared experiences that plays out like modern dance choreographed according to individual needs and strengths but always open to improvisations that follow the rhythms of life The book also promotes a framework of understanding youth work through personal stories constructed alone and together by youth and youth workers Themes and Stories in Youth Work Practice offers a unique perspective on theory and practice as it examines human interaction as an interpersonal inter subjective and contextual process The book recounts a day in the life of a youth worker examines qualitative inquiries conducted by youth workers recalls personal stories and addresses the ways youth workers experiences influence their interactions with youth Counselors working in community centers group homes treatment centers and

community and group care programs will discover how to use the interactive dance between workers and youth at risk to create human compositions advancing the story and getting a feel of where they are in moments of connection discovery and empowerment From the author Youth work is like a modern dance We bring ourselves to the moment and try to interact in synch with youths rhythms for trusting and growing As we interact we are in a sense inand passing throughyouth The challenge is to know ourselves so that we can know each other and this comes about in part through a constant exploration of our stories It also comes about when we are in youth work with youth learning how to dance Geared toward experienced youth workers but equally relevant for students and anyone new to the field Themes and Stories in Youth Work Practice is an enlightening read for anyone working in or for residential treatment centers group homes shelters foster care juvenile justice programs community based youth serving organizations after school programs recreation programs camps churches and neighborhood centers

Living Alongside a Child's Recovery Billy Pughe,Terry Philpot,2006-12-15 This book asserts that a good understanding of child development and attachment theory is essential to effective therapeutic parenting of a traumatized child it details the roots of trauma as well as the impact this has on a child s ability to maintain normal family bonds whether with birth or foster parents or staff in a residential setting

Therapeutic Residential Care for Children and Youth James K Whittaker,Jorge Fernandez del Valle,Lisa Holmes,2014-09-21 Definitive and wide ranging this international review of therapeutic residential child care covers the latest research on how it works how much it costs compared with the outcomes it delivers and how to deliver this effective form of care for the most troubled children in public care

activists students professors researchers therapists old timers and newcomers will find *Voices From the Field* an extraordinary compilation of the basic principles and concepts underlying group work contemporary practice and applications for group social work and ways for enhancing practice knowledge and skills Whether you are reading it as a reference text in a methods course or reading it independently you will find this book reminds you of certain fundamentals long forgotten yet also inspires you to take on new challenges and different techniques for meeting the challenges of group social work

Boys' Stories of Their Time in a Residential School Mark Smith, 2022-09-09 This book provides rich insights into the pre and post care experiences of boys who were pupils in a residential school where the author worked over the course of the 1980s It describes the boys trajectories through life as well as detailing the rhythms rituals routines and relationships that existed in the school While the focus is on the former boys experiences these are augmented by interview material from staff members including religious Brothers who worked in the school Together these different perspectives provide unique insights into an area of social work history that is ill served by existing accounts making the book required reading for all scholars and students of social work social and oral history narrative sociology criminology and desistance and social policy

Group Care of Children Edwin A. Balcerzak, 1989

The Child Welfare Challenge James K. Whittaker, 2017-07-12 Within a historical and contemporary context this book examines major policy practice and research issues as they jointly shape child welfare practice and its future In addition to describing the major problems facing the field the book highlights service innovations that have been developed in recent years The resulting picture is encouraging especially if certain major program reforms I are implemented and agencies are able to concentrate resources in a focused manner The volume emphasizes families and children whose primary recourse to services has been through publicly funded child welfare agencies The book considers historical areas of service foster care and adoptions in home family centered services child protective services and residential services where social work has an important role Authors address the many fields of practice in which child and family services are provided or that involve substantial numbers of social work programs such as services to adolescent parents child mental health education and juvenile justice agencies This new edition will continue to serve as a fundamen tal introduction for new practitioners as well as summary of recent developments for experienced practitioners

[The Child Welfare Challenge](#) , 2017-07-28 This newly revised and updated edition of a widely adopted text continues to address a broad array of issues in supporting children and strengthening families It includes key information about federal legislation as well as policy related outcomes research in child welfare The first edition of *The Child Welfare Challenge* was hailed by *Social Work* as an excellent source from which to gain an in depth understanding of the practice and policy dimensions of child maltreatment foster care and adoption and by the *Journal of Sociology and Social Welfare* as essential reading for anyone interested in knowing more about child welfare practice in social work Within a historical and contemporary context this book examines major policy practice and research issues as they jointly shape

current child welfare practice and possible future directions In addition to describing the major challenges facing the child welfare field the book highlights some of the service innovations that have been developed as these could be used to help address some of these challenges In child welfare the focus is on families and children whose primary recourse to services has been through publicly funded agencies The contributors consider historical areas of service foster care and adoptions in home family centered services child protective services and residential services in which social work has a legitimate long standing and important mission This is a comprehensive book but one that appreciates the fact that many areas such as daycare and early intervention invite exploration It is unique in that each chapter describes how policy initiatives and research can or should influence program design and implementation *Effective Practice with Looked After Children*
Robin Sen, 2018-03-30 Since the key developments that policy and research have undergone over the course of the past years meeting the specific needs of looked after children is a priority for modern social work policy and practice This comprehensive text combines an accessible overview of statutory policy and legislation with analysis of core theories and interventions to provide a guide for effective practice with children in all care settings by Covering legislation as well as research based analysis of the key interventions and practice methods in the field Meeting market needs students and practitioners struggle with the dearth of specific material on looked after children this text supports them in a core component of social work study and practice Consolidating learning through its use of reflective questions case studies exercises and research analysis This book offers an accessible overview of the care context in Britain and is essential reading for students and practitioners wishing to develop effective practice within childcare **Encyclopedia of Social Work** ,1965

Group Care Practice With Children Introduction

In the digital age, access to information has become easier than ever before. The ability to download Group Care Practice With Children has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Group Care Practice With Children has opened up a world of possibilities. Downloading Group Care Practice With Children provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Group Care Practice With Children has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Group Care Practice With Children. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Group Care Practice With Children. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Group Care Practice With Children, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Group Care Practice With Children has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Group Care Practice With Children Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
