

Growin Up In Little Dixie

Howard Wight Marshall

Growin Up In Little Dixie:

Growin' Up in Little Dixie H. Tom Gardner, 2001-07 How one family came through the most difficult economic period in U S history They were made strong by the bad times by remembering the good times and being influenced by them The little islands of Joy made each life richer *Slavery, Southern Culture, and Education in Little Dixie, Missouri, 1820-1860* Jeffrey C. Stone, 2013-09-13 This dissertation examines the cultural and educational history of central Missouri between 1820 and 1860 and in particular the issue of master slave relationships and how they affected education broadly defined as the transmission of Southern culture Although Missouri had one of the lowest slave populations during the Antebellum period Central Missouri or what became known as Little Dixie had slave percentages that rivaled many regions and counties of the Deep South However slaves and slave owners interacted on a regular basis which affected cultural transmission in the areas of religion work and community Generally slave owners in Little Dixie showed a pattern of paternalism in all these areas but the slaves did not always accept their masters paternalism and attempted to forge a life of their own GROWING UP IN APPALACHIA A Boy Named Ishmael, 2012-11-05 If when you read one of my many fictional stories Including eight books set in Appalachia you find people places things and events similar to the true ones depicted here so be it We write what we know All the stories herein took place in my home area of Appalachia leading up to my graduation from high school In the Aftermath section of each I tell what happened later to most of the characters including me In reading through it you will notice little in the way of continuity In telling such stories it is sometimes better to lump parts of the saga together as they fit The balance might not be perfect but you get the drift as the book goes along Some of the people had positive effects on my life some were negative But I learned from all of them The lives of my parents generation mine the one which followed mine and the one growing up there now have differences I hope each one is chronicled as I have attempted to do mine *A History of Missouri* Richard Stewart Kirkendall, 1971 This interpretation of Missouri s history from the end of World War I until the return of Harry Truman to the state after his presidency describes the turbulent political economic and social changes experienced by Missouri s people during those years *This Land Is Herland* Sarah Eppler Janda, Patricia Loughlin, 2021-07-07 Since well before ratification of the Nineteenth Amendment in 1920 secured their right to vote women in Oklahoma have sought to change and uplift their communities through political activism This Land Is Herland brings together the stories of thirteen women activists and explores their varied experiences from the territorial period to the present Organized chronologically the essays discuss Progressive reformer Kate Barnard educator and civil rights leader Clara Luper and Comanche leader and activist LaDonna Harris as well as lesser known individuals such as Cherokee historian and educator Rachel Caroline Eaton entrepreneur and NAACP organizer California M Taylor and Equal Rights Amendment ERA champion Wanda Jo Peltier Stapleton Edited by Sarah Eppler Janda and Patricia Loughlin the collection connects Oklahoma women s individual and collective endeavors to the larger themes of intersectionality suffrage politics

motherhood and civil rights in the American West and the United States The historians explore how race ethnicity social class gender and political power shaped and were shaped by these women s efforts to improve their local state and national communities Underscoring the diversity of women s experiences the editors and contributors provide fresh and engaging perspectives on the western roots of gendered activism in Oklahoma This volume expands and enhances our understanding of the complexities of western women s history Growing Up in Delaware Edward J. Buckalew,2009-06 **Missouri Historical Review** Francis Asbury Sampson,Floyd Calvin Shoemaker,2011 **Play Me Something Quick and Devilish** Howard Wight Marshall,2013-01-01 Play Me Something Quick and Devilish explores the heritage of traditional fiddle music in Missouri Howard Wight Marshall considers the place of homemade music in people s lives across social and ethnic communities from the late 1700s to the World War I years and into the early 1920s This exceptionally important and complex period provided the foundations in history and settlement for the evolution of today s old time fiddling Beginning with the French villages on the Mississippi River Marshall leads us chronologically through the settlement of the state and how these communities established our cultural heritage Other core populations include the Old Stock Americans primarily Scotch Irish from Kentucky Tennessee North Carolina and Virginia African Americans German speaking immigrants people with American Indian ancestry focusing on Cherokee families dating from the Trail of Tears in the 1830s and Irish railroad workers in the post Civil War period These are the primary communities whose fiddle and dance traditions came together on the Missouri frontier to cultivate the bounty of old time fiddling enjoyed today Marshall also investigates themes in the continuing evolution of fiddle traditions These themes include the use of the violin in Westward migration in the Civil War years and in the railroad boom that changed history Of course musical tastes shift over time and the rise of music literacy in the late Victorian period as evidenced by the brass band movement and immigrant music teachers in small towns affected fiddling The contributions of music publishing as well as the surprising importance of ragtime and early jazz also had profound effects Much of the old time fiddlers repertory arises not from the inherited reels jigs and hornpipes from the British Isles nor from the waltzes schottisches and polkas from the Continent but from the prolific pens of Tin Pan Alley Marshall also examines regional styles in Missouri fiddling and comments on the future of this time honored and changing tradition Documentary in nature this social history draws on various academic disciplines and oral histories recorded in Marshall s forty some years of research and field experience Historians music aficionados and lay people interested in Missouri folk heritage as well as fiddlers of course will find Play Me Something Quick and Devilish an entertaining and enlightening read With 39 tunes the enclosed Voyager Records companion CD includes a historic sampler of Missouri fiddlers and styles from 1955 to 2012 A media kit is available here press.umsystem.edu/pages/PlayMeSomethingQuickandDevilish.aspx **Fiddling Is My Joy** Jacqueline Cogdell DjeDje,2025-06-18 In Fiddling Is My Joy Jacqueline Cogdell DjeDje examines the history of fiddling among African Americans from the seventeenth to the mid twentieth century Although music historians acknowledge

a prominent African American fiddle tradition during the era of slavery only recently have researchers begun to closely examine the history and social implications of these musical practices Research on African music reveals a highly developed tradition in West Africa which dates to the eleventh or twelfth century and continues today From these West African roots fiddling was prominent in many African American communities between the seventeenth and nineteenth centuries and the fiddle became an important instrument in early twentieth century blues jazz and jug bands While less common in late twentieth century African American jazz and popular music groups the fiddle remained integral to the musicking of some Black musicians in the rural South Featured in Fiddling Is My Joy is access to a comprehensive online eScholarship Companion that contains maps photographs audiovisual examples and other materials to expand the work of this enlightening and significant study To understand the immense history of fiddling DjeDje uses geography to weave together a common thread by profiling the lives and contributions of Black fiddlers in various parts of the rural South and Midwest including the mountains and along the Atlantic and Gulf coasts In addition to exploring the extent that musical characteristics and aesthetics identified with African and European cultures were maintained or reinterpreted in Black fiddling she also investigates how the sharing of musical ideas between Black and white fiddlers affected the development of both traditions Most importantly she considers the contradiction in representation Historical evidence suggests that the fiddle may be one of the oldest uninterrupted instrumental traditions in African American culture yet most people in the United States including African Americans do not identify it with Black music

Growing Up in Northern Palm Beach County Ruth Hartman Berge, 2014-07-01 A childhood in Florida's charming Northern Palm Beach County creates genuine nostalgia for sun sand and running barefoot under palm trees Those memories include hurricanes and Hetzel Brothers Christmases Sir Harry Oakes's haunted mansion and James Munroe Munyon's Fountain of Youth The once quaint little coastal towns from Riviera Beach to Jupiter are now much larger but the memories of its mores and summer camps remain Author Ruth Hartman Berge weaves memories of a boomer childhood in Northern Palm Beach County with the history of the people and the places so many loved in this glimpse into a Florida that no longer exists

The Death of an American

Jewish Community: A Tragedy of Good Intentions Hillel Levine, 2019-08-17 Written by a sociologist and a journalist The Death of an American Jewish Community A Tragedy of Good Intentions recounts the death of a Boston community once home to 90 000 Jews residing among African Americans and white ethnics The frightening personal testimonies and blatant evidence of manipulated housing prices illustrate how inadequate government regulation of banks can contribute to ethnic conflict and lives destroyed There were no winners the authors warn Hillel Levine and Lawrence Harmon believe that their findings may be true for American cities in general Had we learned from what went wrong in Boston blockbusting by a group of banks federal programs promoting mortgages to people unable to afford them real estate brokers seeking quick profits perhaps the 2008 nationwide real estate meltdown could have been anticipated The lessons from this book are essential for

students of ethnic relations and urban affairs This candid disturbing and highly readable book recounts how Boston's working class Jewish neighborhoods were transformed into economically devastated black ghettos The New Yorker Bankers and real estate brokers still shape the dynamics of daily life in our fragile urban neighborhoods Levine and Harmon movingly capture the human side of this often destructive process in their story of redlining and blockbusting in Boston during the 1960s But their book is more than history It is a lesson about how to understand and improve our cities and neighborhoods today and in the future Raymond L Flynn Mayor of Boston President U S Conference of Mayors Levine and Harmon are sympathetic to the goals of racial integration but are indignant over the brutality and unfairness that accompanied these orchestrations Bankers and politicians are indicted here by elaborate court evidence and by supplementary research cited by the authors who use their insiders passion Harmon was born and raised in Dorchester and professional expertise to forever preserve the corned beef flavor of old Blue Hill Avenue As much an elegiac memory book of old Jewish Boston as a searing indictment against her killers Kirkus Reviews Combines the rigor of good scholarship with the obsessive curiosity of good journalism J Anthony Lukas Author of Common Ground What keeps a community alive What are the social and historical forces that shape or stifle its aspirations When does a community soar and when does it yield to resignation These and other questions take on an urgency of their own in Hillel Levine and Lawrence Harmon's perceptive brilliant and disturbing inquiry Elie Wiesel University Professor and Andrew W Mellon Professor in the Humanities Boston University Levine and Harmon have written a prophetic indictment of the real estate speculation and elite indifference that along with black crimes destroyed Boston's most vibrant Jewish neighborhoods Have the courage to take their terrible journey you will not return unchanged Jim Sleeper Author of The Closest of Strangers Liberalism and the Politics of Race in New York This engagingly written and brilliantly illuminating portrait of the destruction of a vibrant Jewish community radically revises our understanding of the process of neighborhood change The authors also break new ground in portraying the critical role of social class in American life and the powerful if unconscious class bias of Jewish communal leaders Charles E Silberman Author of A Certain People American Jews and Their Lives Today

Vanished: Seven Women Magicians Who Simply Disappeared Anna Hays, 2025-09-09 Discover the amazing illustrated stories of seven women magicians who pulled off spectacular and death defying illusions and acts achieved global fame and then simply disappeared During the Golden Age of Magic from 1860 to 1930 seven women magicians in America defied Victorian conventions and created a unique place in history for themselves and future performers to come There was Anna the mindreader Adelaide who could float in midair Talma who could magically shower the stage with gold coins and many more During a time when women were typically confined to the home these trailblazers crossed oceans on steamships and traveled the globe bringing their imaginative brand of magic to audiences around the world They followed their hearts and pursued their dreams of performing magic in the spotlight when women had neither a vote nor a voice in America They made history Yet once their career ended so did

their legacy For decades their stories were hidden or overshadowed by male counterparts but now they ve come to life in this vibrant and captivating book *Growing Up in the Lone Star State* Gaylon Finklea Hecker, Marianne Odom, 2021-04-06

Gaylon Finklea Hecker and Marianne Odom began the interviews for this book in 1981 and devoted a professional lifetime to collecting the memories of accomplished Texans to determine what if anything about growing up in the Lone Star State prepared them for success The resulting forty seven oral history interviews begin with tales from the early 1900s when Texas was an agrarian state and continue through the growth of major cities and the country s race to the moon Interviewees recalled life in former slave colonies on gigantic ranches tiny farms and sharecropper fields and in one horse towns and big city neighborhoods with relatable stories as diverse as the state s geography The oldest interviewees witnessed women earning the right to vote and weathered the Great Depression Many remembered two world wars while others recalled the Texas City explosion of 1947 and the tornado that devastated Waco in 1953 They witnessed the advent of television and the nightly news which helped many come to terms with the assassination of a president that took place too close to home Their absorbing reflections are stories of good and bad hope and despair poverty and wealth depression and inspiration which would have been different if lived anywhere but Texas *Growing Up Jim Crow* Jennifer Lynn Ritterhouse, 2006 Sheds new light on the racial etiquette of the South after the Civil War examining what factors contributed to the unwritten rules of individual behavior for both white and black children Simultaneous **Poor-- But Very, Very Rich** Ruth Lott, 2012

African Culture and Melville's Art Sterling Stuckey, 2008-11-19 Presenting a groundbreaking reappraisal of these two powerful pieces of fiction Sterling Stuckey reveals how African customs and rituals heavily influenced one of America s greatest novelists **Dixie Beekeeper** , 1926 *Dixie Hart* Will Nathaniel Harben, 1910 *Newsweek* , 1974 **Growing**

Up in Gulfport: Boomer Memories from Stone's Ice Cream to Johnny Elmer and the Rockets John Cuevas, 2019

During the 50s and into the 60s Gulfport s booming downtown was unmatched in the state while its vibrant waterfront nightlife kept the coast rocking long after other small towns were fast asleep Those who lived in Gulfport during that golden age have warm memories of high school bonfires on the beach submarine races at the Rock Pile and parties at the Fiesta After a day splashing in the Gulf there were Wheel Burgers at Spiders ice cream cones at Stone s cold beers at Elsie s and snowballs at the Pop Corn King This nostalgic look at boomer era Gulfport is the surest way to step on back to the glory years
