

Growing Down

Time was I thought of growing up,
But that was ere the babies came;
I'd dream and plan to be a man
And win my share of wealth and fame,
For age held all the splendors then
And wisdom seemed life's brightest crown
For mortal brow. It's different now.
Each evening finds me growing down.

I'm not so keen for growing up
To wrinkled cheek and heavy tongue,
And sluggish blood; with little Bud
I long to be a comrade young.
His sports are joys I want to share,
His games are games I want to play,
An old man grim's no chum for him
And so I'm growing down to-day.

I'm back to marbles and to tops,
To flying kites and one-ol'-cat;
'Fan acres!' I now loudly cry;
I also take my turn at bat;
I've had my fling at growing up
And want no old man's fair renown.
To be a boy is finer joy,
And so I've started growing down.

Once more I'm learning games I knew
When I was four and five and six,
I'm going back along life's track
To find the same old-fashioned tricks,
And happy are the hours we spend
Together, without sigh or frown.
To be a boy is Age's joy,
And so to him I'm growing down.

Growing Down:

Growing Downward Nick Thompson, 2022-05-11 Author Nick Thompson recognizes that pride is our worst enemy. If pride is our chief foe, then humility is our chief friend, even though its company may be painful. But spiritual growth is a descent; we must grow downward. Defining humility as the downward disposition of a Godward self-perception, Thompson walks us through the practical implications of this definition, leading us to embrace a God-centered perspective on the self. With winsome illustration and warm pastoral instruction, *Growing Downward* shows us that the path of humility, though difficult, is the way to true meaning and fulfillment in Jesus Christ. Table of Contents: Preface, Introduction, Toward a Definition of Humility. Part One: Existential Humility. 1. Dependent Creatures. 2. Covenantal Creatures. 3. Temporal Creatures. Part Two: Ethical Humility. 4. Fallen Sinners. 5. Delusional Sinners. 6. Hopeless Sinners. Part Three: Evangelical Humility. 7. Represented Believers. 8. Foreloved Believers. 9. Adopted Believers. Rediscovering Holiness J. I. Packer, 2009-09-15 There was a time, writes renowned theologian J. I. Packer in this classic book on biblical holiness, when all Christians laid great emphasis on God's call to holiness. But how different it is today! To listen to our sermons and to read the books we write and then to watch the same worldly quarrelsome way we behave, you would never imagine that once the highway of holiness was clearly marked out for Bible believers. In this revised and updated edition of *Rediscovering Holiness*, the highway is once more clearly marked out for a new generation of readers pointing to true freedom and joy both now and in eternity.

Workbook Kate Bornstein, 2013-06-19 Gender isn't just about male or female anymore if you have any doubts just turn on your television RuPaul is as familiar as tomato ketchup with national radio and television shows and transgendered folk are as common to talk shows as screaming and yelling But if the popularization of gender bending is revealing that male and female aren't enough where are we supposed to go from here Cultural theorists have written loads of smart but difficult to fathom texts on gender but none provide a hands on accessible guide to having your own unique gender With *My Gender Workbook* Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender Bornstein starts from the premise that there are not just two genders performed in today's world but countless genders lumped under the two gender framework Using a unique deceptively simple and always entertaining workbook format Bornstein gently but firmly guides you to discover your own unique gender identity Whether she's using the USFDA's food group triangle to explain gender or quoting one liners from real gender transgressors Bornstein's first and foremost concern is making information on gender bending truly accessible With quizzes and exercises that determine how much of a man or woman you are *My Gender Workbook* gives you the tools to reach whatever point you desire on the gender continuum

Bornstein also takes aim at the recent flurry of books that attempt to naturalize gender difference and puts books like *Men are from Mars Women are from Venus* squarely where they belong on Uranus If you don't think you are transgendered when you sit down to read this book you will be by the time you finish it Hearings on National Defense Authorization Act for Fiscal Year 1995--S. 2182 (H. Committee on Armed Services,1994 *Nissa's Place* A. Lafaye,2010-10-08 LaFaye surpasses the lyricism and emotional depth of her sparkling debut *The Year of the Sawdust Man* in this sequel It's been two years since Nissa's mother Heirah Rae left the family and Depression era Harper La for a new life in Chicago Nissa now 13 believes she must preserve her mother's presence in the household When Heirah Rae calls home to announce her birthday gift to Nissa a trip to Chicago she upsets the tenuous relationship between Nissa her father Ivar and her stepmother Lara Still feeling abandoned but hungry for time with her mother Nissa decides to travel back to Chicago with Heirah Rae who shows up on their doorstep During her stay in Chicago Nissa notes how her mother has blossomed away from Harper's nosy scandalmongers LaFaye achieves just the right balance between Nissa's introspection and the adventures she has with her mother The intricate prose mirrors the fragile complexity of Nissa's feelings about returning to Harper My heart shrunk a little as the train pulled away but I knew I'd made the right choice I could feel it like a warm blanket on a cold nightAa tight satisfied feeling deep down inside strong enough to carry me home Readers will be moved as Nissa comes to view Heirah Rae's flight as an act of courage and a spur for Nissa to make her own dream of a library in Harper come true is most successful when he mixes his different approaches into the original sort of magic realism he creates in the title tale which concerns an erotically charged encounter between a virginal Irish au pair Nula and a Moroccan student Henri Tatahouine in Paris The hallucinatory quality of Henri's account of his life leaves Nula emotionally blistered as though she had been in the Sahara The comic horrifying *Cats in Space* which tells the tale of a group of kids who use helium balloons to launch a kitten into the air is similarly effective Though uneven Kalfus's collection is ambitious and daring with smart fluid prose and an abundance of surprises
