Gehring, 2014-11-21 The 1930s are routinely considered sound film's greatest comedy era Though this golden age encompassed various genres of laughter clown comedy is the most basic type This work examines the Depression decade's most popular type of comedy the clown or personality comedian Focusing upon the Depression era the study filters its analysis through twelve memorable pictures Each merits an individual chapter in which it is critiqued The films are deemed microcosmic representatives of the comic world and discussed in this context While some of the comedians in this text have generated a great deal of previous analysis funnymen like Joe E Brown and Eddie Cantor are all but forgotten Nevertheless they were comedy legends in their time and their legacy as showcased in these movies merits rediscovery by today's connoisseur of comedy Even this book's more familiar figures such as Charlie Chaplin and the Marx Brothers are often simply relegated to being recognizable pop culture icons whose work has been neglected in recent years This book attempts to address these oversights and to re-expose the brilliance and ingenuity with

**Chile: The Carretera Austral** Hugh Sinclair,Warren Houlbrooke,2015-12-18 Chile Carretera Austral Travel Guide Travel advice and expert holiday tips featuring Ruta 7 and Coyhaique highlights natural history and wildlife This guide also covers suggested itineraries and tour operators driving and hiking Caleta Tortel Villa O Higgins Puerto Montt national parks like Queulat Hornopir n and Laguna San Rafael License to Wed Kimberly D. Richman,2015-06-08 A critical reader of the history of marriage understands that it is an institution that has always been in flux It is also a decidedly complicated one existing simultaneously in the realms of religion law and emotion And yet recent years have seen dramatic and heavily waged battles over the proposition of including same sex couples in marriage Just what is at stake in these battles License to Wed examines the meanings of marriage for couples in the two first states to extend that right to same sex couples California and Massachusetts The two states provide a compelling contrast while in California the rights that go with marriage inheritance custody and so forth were already granted to couples under the state s domestic partnership law those in Massachusetts did not have this same set of rights At the same time Massachusetts has offered civil marriage consistently since 2004 Californians on the other hand have experienced a much more turbulent legal path And yet same sex couples in both states seek to marry for a variety of interacting overlapping and evolving reasons that do not vary significantly by location The evidence shows us that for many of these individuals access to civil marriage in particular not domestic partnership alone no matter how broad and not a commitment ceremony alone no matter how emotional is a home of such personal civic political and instrumental resonance that it is ultimately difficult to disentangle the many meanings of marriage This book attempts to do so and in the process reveals just what is at stake for these couples how access to a legal institution fundamentally alters their consciousness and what the impact of legal inclusion is for those traditionally excluded *Zeppo* Robert S. Bader,2024-10-15 Marx Brothers authority Bader has done a remarkable job successfully uncovering the story of the unknown brother revealing a genuinely complex character This book is revelatory not just about Zeppo but also about the rest of the Marx Brothers Library Journal Zeppo was the Marx Brother who didn t want to go into the family business A juvenile delinquent in his teen years before joining his brothers on stage Zeppo balanced two careers auto mechanic and

petty criminal Even after getting dragged into the world of entertainment for sixteen years he did his familial duty as a vaudeville Broadway and movie star he finally made his escape from the Four Marx Brothers After failed attempts to find steady work in real estate screenwriting and the restaurant business Zeppo finally hit it big as a Hollywood talent agent representing stars like Barbara Stanwyck Fred MacMurray and Lana Turner From there he bred racehorses owned a manufacturing plant tried out citrus ranching and commercial fishing and patented several new inventions He was in short a complex character and his own family never quite figured him out Zeppo The Reluctant Marx Brother gives a lively account of this checkered life and career As Robert Bader recounts Zeppo s lifelong addiction to gambling led him into relationships with several notorious organized crime figures and he would ultimately appear before grand juries more frequently than movie cameras He was certainly the only Marx Brother who saw the corpse of a friend in a newspaper crime scene photo Socially he mixed as easily with mobsters like Mickey Cohen as he did with movie stars like Clark Gable Comprehensively researched with the full cooperation of Zeppo s estate including the first ever interviews with his two sons this is a remarkable look at the many lives of Zeppo Marx even the ones he did his best to keep secret
