## **Finding A New Feminism Rethinking The Woman Question For Liberal Democracy:**

*Feminist Interpretations of Jean-Jacques Rousseau* Lynda Lange, 2009-03-02 A progenitor of modern egalitarianism communitarianism and participatory democracy Jean Jacques Rousseau is a philosopher whose deep concern with the relationship between the domains of private domestic and public political life has made him especially interesting to feminist theorists but also has made him very controversial The essays in this volume representing a wide range of feminist interpretations of Rousseau explore the many tensions in his thought that arise from his unique combination of radical and traditional perspectives on gender relations and the state Among the topics addressed by the contributors are the connections between Rousseau s political vision of the egalitarian state and his view of the natural role of women in the family Rousseau s apparent fear of the actual danger and power of women important questions Rousseau raised about child care and gender relations in individualist societies that feminists should address the founding of republics the nature of consent the meaning of citizenship and the conflation of modern universal ideals of democratic citizenship with modern masculinity leading to the suggestion that the latter is as fragile a construction as the former Overall this volume makes an important contribution to a core question at the hinge of modernism and postmodernism how modern egalitarian notions of social contract premised on universality and objective reason can yet result in systematic exclusion of social groups including women Contributors are Leah Bradshaw Melissa A Butler Anne Harper Sarah Kofman Rebecca Kukla Lynda Lange Ingrid Makus Lori J Marso Mira Morgenstern Susan Moller Okin Alice Ormiston Penny Weiss Elie Wiestad Elizabeth Wingrove Monique Wittig and Linda Zerilli

*Homer's Hero* Michelle M. Kundmueller, 2019-10-01 Offering a new Plato inspired reading of the Iliad and the Odyssey this book traces the divergent consequences of love of honor and love of one s own private life for human excellence justice and politics Analyzing Homer s intricate character portraits Michelle M Kundmueller concludes that the poet shows that the excellence or virtue to which humans incline depends on what they love most Ajax s character demonstrates that human beings who seek honor strive perhaps above all to display their courage in battle while Agamemnon s shows that the love of honor ultimately undermines the potential for moderation destabilizing political order In contrast to these portraits the excellence that Homer links to the love of one s own such as by Odysseus and his wife Penelope fosters moderation and employs speech to resolve conflict It is Odysseus rather than Achilles who is the pinnacle of heroic excellence Homer s portrait of humanity reveals the value of love of one s own as the better albeit still incomplete precursor to a just political order Kundmueller brings her reading of Homer to bear on contemporary tensions between private life and the pursuit of public honor arguing that individual desires continue to shape human excellence and our prospects for justice

**Feminist Interpretations of Niccolò Machiavelli** Maria J. Falco, 2010-11-01

**Feminist Thought** Rosemarie Tong, Tina Fernandes Botts, 2018-05-04 A classic resource on feminist theory Feminist Thought offers a clear comprehensive and incisive introduction to the major traditions of feminist theory from liberal feminism radical

feminism and Marxist and socialist feminism to care focused feminism psychoanalytic feminism and ecofeminism The fifth edition has been thoroughly revised and now includes a new chapter on Third Wave and Third Space Feminism Also added to this edition are significantly expanded discussions on women of color feminisms psychoanalytic and care feminisms as well as new examinations of queer theory LGBTQ and trans feminism Learning tools like end of chapter discussion questions and the bibliography make Feminist Thought an essential resource for students and thinkers who want to understand the theoretical origins and complexities of contemporary feminist debates

Finding a New Feminism Pamela Grande Jensen, 1996 This collection of original essays by prominent scholars of political theory contends that contemporary ideas of feminism have reached a theoretical impasse because they are unable to reconcile tensions between principles such as equality and difference Finding A New Feminism places modern concepts of feminism within the historical context of political thought and uses feminism as a lens through which to examine the strengths and weaknesses of liberal democracy both in practice and in theory By reconsidering classic works of literature philosophy and political theory the authors identify certain deficiencies of liberal democracy but do not call for its complete abandonment Instead they present a new theory of feminism that fosters the reconciliation of conflicting and competing principles as well as the private and public realms of women's lives This is compulsory reading for students and scholars of political and feminist theory

**Domesticity and Dissent in the Seventeenth Century** Katharine Gillespie, 2004-02-05 In Domesticity and Dissent Katharine Gillespie examines writings by seventeenth century English Puritan women who fought for religious freedom Seeking the right to preach and prophesy women such as Katherine Chidley Anna Trapnel Elizabeth Poole and Anne Wentworth envisioned the modern political principles of toleration the separation of Church from state privacy and individualism Gillespie argues that their sermons prophecies and petitions illustrate the fact that these liberal theories did not originate only with such well known male thinkers as John Locke and Thomas Hobbes Rather they emerged also from a group of determined female religious dissenters who used the Bible to reassess traditional definitions of womanhood public speech and religious and political authority Gillespie takes the pamphlet literatures of the seventeenth century as important subjects for analysis and her study contributes to the important scholarship on the revolutionary writings that emerged during the volatile years of the mid seventeenth century Civil War in England

**Leo Strauss and His Legacy** John Albert Murley, 2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss's students and their students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss's own complete bibliography and that of one of his most revered students George Anastaplo

**Journal of Early Modern Studies - Volume 3, Issue 2 (Fall 2014)** Vlad Alexandrescu, ISBN 978 606 8266 88 6 paper ISBN 978 606 8266 89 3 online

Montesquieu and the Logic of Liberty Paul Anthony Rahe, 2009-09-22 This fresh examination of the world of Montesquieu seeks to understand the shortcomings of modern democracy in light of the French philosopher's insightful critique of

commercial republicanism      *Indian Woman, Feminism and Women's Liberation* Saji Narayanan CK, 2022-12-05 Capitalism and Communism the progenies of the semitic culture have given birth to two different streams of women's Liberation These streams which have stormed western society and communist groups have now actively intruded into the Indian socio political milieu The moment these concepts encounter with Indian realities they display their inherent contradictions and limitations But seldom an Indian alternative to such views is discussed This book is an attempt to understand the Indian approach through a comparative study aimed at addressing the issues related to the future women      The Pragmatic Enlightenment Dennis C. Rasmussen, 2014 This is a study of the political and moral thought of the Enlightenment focusing on four key eighteenth century thinkers David Hume Adam Smith Montesquieu and Voltaire Dennis C Rasmussen argues that these thinkers exemplify a particularly attractive type of liberalism one that is more realistic moderate flexible and contextually sensitive than most other branches of this tradition      **Rousseau and the Dilemmas of Modernity** Mark Hulliung, 2017-07-05 This volume seeks to capture Jean Jacques Rousseau's astonishing contribution to our understanding of the dilemmas of modernity For the contributors to this book Rousseau is present as well as past because he was so modern and yet so ambivalent about modernity a position with which we are quite familiar Highlighted in this volume is the contention that Rousseau set the stage for many discussions of the good and bad of modernity Previous efforts to deal with Rousseau and modernity have suffered from myopia In the nineteenth century the Romantics claimed Rousseau as one of their own pulling him out of his historical context ignoring his full scale immersion in the debates of the French Enlightenment In the twentieth century commentators have read into Rousseau the ahistorical and present minded Cold War theme of Rousseau the totalitarian In this volume Rousseau is treated as a person of his age but also as someone who speaks to us today The topics covered range from feminism music science and political theory to updating the classics and to the search for and limitations to the quest for self knowledge Few if any figures can compete with Rousseau when it comes to forcing us to face up to the price we pay for progress      **The Rousseauian Mind** Eve Grace, Christopher Kelly, 2019-01-17 Jean Jacques Rousseau 1712 1778 is a major figure in Western Philosophy and is one of the most widely read and studied political philosophers of all time His writings range from abstract works such as *On the Social Contract* to literary masterpieces such as *The Reveries of the Solitary Walker* as well as immensely popular novels and operas *The Rousseauian Mind* provides a comprehensive survey of his work not only placing it in its historical context but also exploring its contemporary significance Comprising over forty chapters by a team of international contributors the Handbook covers The predecessors and contemporaries to Rousseau's work The major texts of the system Autobiographical texts including *Confessions* *Reveries of the Solitary Walker* and *Dialogues* Rousseau's political science The successors to Rousseau's work Rousseau applied today Essential reading for students and researchers in philosophy Rousseau's work is central to the study of political philosophy the Enlightenment French studies the history of philosophy and political theory      The Women of

Orphan Black Valerie Estelle Frankel, 2018-04-25 Orphan Black's Tatiana Maslany plays a host of the show's main characters all clones of an illegal experiment The mighty heroines save one another and destroy the patriarchy while subverting gender expectations The feminist clones are Sarah who clashes with her radical feminist foster mother Alison the quintessential post feminist housewife Cosima a second wave feminist lesbian Beth a third wave feminist bogged down by addiction and M K a fourth wave feminist who tackles the hardships of disability through the Internet The book explores the women's war against corporate power and how it relates to the science and ethics surrounding cloning Charles-Louis de Secondat, Baron de Montesquieu David Carrithers, 2017-07-05 The French philosophe Charles Louis de Secondat Baron de Montesquieu 1689 1755 was a political and social thinker of enormous depth range originality and influence The essays by eminent scholars reprinted in this volume explore significant aspects of his contributions to political constitutional and religious thought during the epoch of the French Enlightenment Topics highlighted include his Persian Letters 1721 his history of Rome 1734 and the views he expressed in The Spirit of Laws 1748 on natural law forms of government English constitutionalism religion commerce international relations and the philosophy of history Supplemented by a detailed introduction that contextualizes the papers selected for this volume as well as an extensive bibliography this work serves as an authoritative reference to the best scholarship on Montesquieu's political thought The volume is edited and introduced by David W Carrithers Adolph Ochs Professor of Government at the University of Tennessee at Chattanooga and author of numerous publications on Montesquieu **Antigone, Interrupted** Bonnie Honig, 2013-05-02 Sophocles Antigone is a touchstone in democratic feminist and legal theory and possibly the most commented upon play in the history of philosophy and political theory Bonnie Honig's rereading of it therefore involves intervening in a host of literatures and unsettling many of their governing assumptions Exploring the power of Antigone in a variety of political cultural and theoretical settings Honig identifies the Antigone effect which moves those who enlist Antigone for their politics from activism into lamentation She argues that Antigone's own lamentations can be seen not just as signs of dissidence but rather as markers of a rival world view with its own sovereignty and vitality Honig argues that the play does not offer simply a model for resistance politics or equal dignity in death but a more positive politics of counter sovereignty and solidarity which emphasizes equality in life The Comedy and Tragedy of Machiavelli Vickie B. Sullivan, 2000-01-01 The Italian statesman and political theorist Niccolo Machiavelli wrote not only political tracts but also comedies poems fables and letters that are seemingly lighthearted The contributors to this volume explore the meanings of his works **High-Risk Feminism in Colombia** Julia Margaret Zulver, 2022-05-13 High Risk Feminism in Colombia documents the experiences of grassroots women's organizations that united to demand gender justice during and in the aftermath of Colombia's armed conflict In doing so it illustrates a little studied phenomenon women whose experiences with violence catalyze them to mobilize and resist as feminists even in the face of grave danger Despite a well established tradition of studying women in war we tend to focus on their roles as mothers or carers as

peacemakers or sometimes as revolutionaries This book explains the gendered underpinnings of why women engage in feminist mobilization even when this takes place in a domain of losses that exposes them to high levels of risk It follows four women s organizations who break with traditional gender norms and defy armed groups social and territorial control exposing them to retributive punishment It provides rich evidence to document how women are able to surmount the barriers to mobilization when they frame their actions in terms of resistance rather than fear

**Rousseau and the Problem of Human Relations** John M. Warner, 2016-03-14 In this volume John Warner grapples with one of Jean Jacques Rousseau s chief preoccupations the problem of self interest implicit in all social relationships Not only did Rousseau never solve this problem Warner argues but he also believed it was fundamentally unsolvable that social relationships could never restore wholeness to a self interested human being This engaging study is founded on two basic but important questions what do we want out of human relationships and are we able to achieve what we are after Warner traces his answers through the contours of Rousseau s thought on three distinct types of relationships sexual love friendship and civil or political association as well as alternate interpretations of Rousseau such as that of the neo Kantian Rawlsian school The result is an insightful exploration of the way Rousseau inspires readers to imbue social relations with purpose and meaning only to show the impossibility of reaching wholeness through such relationships While Rousseau may raise our hopes only to dash them Rousseau and the Problem of Human Relations demonstrates that his ambitious failure offers unexpected insight into the human condition and into the limits of Rousseau s critical act

### **Finding A New Feminism Rethinking The Woman Question For Liberal Democracy Introduction**

In today's digital age, the availability of Finding A New Feminism Rethinking The Woman Question For Liberal Democracy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Finding A New Feminism Rethinking The Woman Question For Liberal Democracy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Finding A New Feminism Rethinking The Woman Question For Liberal Democracy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Finding A New Feminism Rethinking The Woman Question For Liberal Democracy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Finding A New Feminism Rethinking The Woman Question For Liberal Democracy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Finding A New Feminism Rethinking The Woman Question For Liberal Democracy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public

domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Finding A New Feminism Rethinking The Woman Question For Liberal Democracy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Finding A New Feminism Rethinking The Woman Question For Liberal Democracy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Finding A New Feminism Rethinking The Woman Question For Liberal Democracy books and manuals for download and embark on your journey of knowledge?

### **FAQs About Finding A New Feminism Rethinking The Woman Question For Liberal Democracy Books**

1. Where can I buy Finding A New Feminism Rethinking The Woman Question For Liberal Democracy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
