

The image features a puzzle of a man's face, likely a portrait of John F. Kennedy, with the puzzle pieces in shades of brown, tan, and white. The face is partially obscured by a dark, textured background. A small, white silhouette of an airplane is visible in the upper left quadrant. The title "Finding My Mammy!" is written in a white, serif font across the center of the image.

Galloway Street John Boyle, 2011-09-30 John Boyle was born and raised in Scotland but he could never feel Scottish His parents were poor immigrants from the West of Ireland who came to Scotland to find work and eventually settled in Paisley where John was the first of six children Galloway Street beautifully captures the poverty and the rough humour of the family's life in the Paisley tenements the songs and stories of their Irish Catholic relatives and the often uneasy relationships with their Scottish Protestant neighbours It also shows how the boy is marked at the age of ten by an extended stay with his spinster aunt on the remote island of Achill as he begins to understand the life his parents left behind This is a book about exile and belonging about the poignancy of growing up Irish in Scotland so close to the place your mother still calls home It is a truthful funny and moving evocation of a unique place and time experienced through the eyes of a child

 Four hours the time it takes to fly from Anchorage to San Francisco Four seconds the time it takes to say I do on your
 wedding day It does not take much to change a life forever Real Life tells the story of a little over four months in the lives of
 two high school students Four months was all it took to rearrange their lives for forever **Parental Incarceration** Denise
 Johnston,Megan Sullivan,2016-03-10 Parental Incarceration makes available personal stories by adults who have had the
 childhood experience of parental incarceration These stories help readers better understand the complex circumstances that
 influence these children s health and development as well as their high risk for intergenerational crime and incarceration
 Denise Johnston examines her own children s experience of her incarceration within the context of what the research and her
 30 years of practice with prisoners and their children has taught her arguing that it is imperative to attempt to understand
 parental incarceration within a developmental framework Megan Sullivan a scholar in the Humanities examines the effects of
 her father s incarceration on her family and underscores the importance of the reentry process for families The number of
 arrested jailed and imprisoned persons in the United States has increased since 1960 most dramatically between 1985 and
 2000 As the majority of these incarcerated persons are parents the number of minor children with an incarcerated parent has
 increased alongside peaking at an estimated 2 9 million in 2006 The impact of the experience of parental incarceration has
 garnered attention by researchers but to date attention has been focused on the period when parents are actually in jail or
 prison This work goes beyond that to examine the developmental impact of children s experiences that extend long beyond
 that timeframe A valuable resource for students in corrections human services social work counseling and related courses as
 well as practitioners program agency administrators policymakers advocates and others involved with families of the
 incarcerated this book is testimony that the consequences of mass incarceration reach far beyond just the offender Unity
