Finn Cooks Birte Müller, 2004 Finn dislikes the healthy food his mother makes but when she agrees to let him shop and cook for one day his breakfast of candy doughnuts and cheese puffs makes him feel sick *From Ireland Coming* Colum Hourihane, 2001 Lying at Europe's remote western edge Ireland long has been seen as having an artistic heritage that owes little to influences beyond its borders This publication the first to focus on Irish art from the eighth century AD to the end of the sixteenth century challenges the idea that the best known Irish monuments of that period the high crosses the Book of Kells the Tara Brooch the round towers reflect isolated insular traditions Seventeen essays examine the iconography history and structure of these familiar works as well as a number of previously unpublished pieces and demonstrate that they do have a place in the main currents of European art While this book reveals unexpected links between Ireland Late Antique Italy the Byzantine Empire and the Anglo Saxons its center is always the artistic culture of Ireland itself It includes new research on the Sheela na gigs often thought to be merely erotic sculptures on the larger cultural meanings of the Tuam Market Cross and its nineteenth century re erection and on late medieval Irish stone crosses and metalwork The emphasis on later monuments makes this one of the first volumes to deal with Irish art after the Norman invasion The contributors are Cormac Bourke Mildred Budny Tessa Garton Peter Harbison Jane Hawkes Colum Hourihane Catherine E Karkov Heather King Susanne McNab Ragnall Floinn Emmanuelle Pirotte Roger Stalley Kees Veelturf Dorothy Hoogland Verkerk Niamh Whitfield Maggie McEnchroe Williams and Susan Youngs **Destiny's Warriors: The Last Sacrifice** R M Putnam, 2010-01 Will evil magic revenge and murder result in the Last Sacrifice or will the Dreaded Lord of Blood fulfill the prophecy Readers of *The Last Sacrifice* will be spellbound by the continuing story of Lord Gwydion's offspring his sons Cormac Swayzie and Beltene as they encounter Donait the daughter of Rosilda and the picture of innocence at least on the surface Donait is sent by Rosilda to avenge Ragnarok and Sorcha by taking Gwydion down and overthrowing the throne Donait armed with a love potion that she uses liberally affects the lives of everyone she touches and the consequences that spiral from her meddling are dire But they are all part of Destiny's plan Going against her orders Donait falls in love with Owain who believes her to be a good soul and counters his own family killing two to defend her Having seduced several family members Donait gives birth to a baby girl Megan Megan grows into a beauty with a warrior's heart and dreams of joining the Fianna When she comes of age and is denied membership all hell breaks loose Cormac tries to protect her but cannot do so at all times When Megan meets what she feels might be her life mate it's not at all a smooth transition and battles of blood and bone ensue Great deep love and bliss grow here with *The Last Sacrifice* as do the hatred and venom of souls lost and betrayed The way they entangle and intertwine throughout the novel is fascinating and karmic lessons abound The men and women in this sequel to *Destiny's Warriors* are beautiful and enchanting and utterly horrifying as the Lord of Blood hunts down men women and children for the slaughter to feed his cannibalistic society This epic tale of retribution battles of will and affairs of the heart are to be

Lightness In My Dark
 Denise Baer, 2022-08-08 A Three Year Marriage Contract. Financial Freedom. All she has to do is sign on the dotted line. Finn Trevino's principal goal is to become CEO of his family's business at Trevino Holdings. To do so, he needs to change his ways. Finn is like the calm before the storm, magnetic energy waiting to release its force. He has everything except a trustworthy wife to devote her time to him and keep his secrets. Knotted by her clandestine past, Wren Jagger keeps to herself, preferring quiet and appearing reserved to those around. By accident, Wren stumbles her way into Finn's life after losing her job. She does not know how much she'll have to weather the storm and prays it will break soon. If she survives Finn's behavior, she'll be financially set for life. For the volatile Finn to crack and the battered Wren to trust, they must become the lightness in each other's dark.

Author's Note: *Lightness In My Dark* is a standalone, slow burn, steamy, dark contemporary romance sprinkled with humor. My characters are flawed and reckless. They're tangled and raunchy and sometimes downright adorable. The story delves into unpleasant but real issues. It contains adult content and triggers. Reader discretion is advised. Losing It
 Christine d'Abo, 2018-02-19 Finn Miller doesn't do social. He works his IT job from home as often as he can to avoid people. If it weren't for his weekly training sessions at Ringside Gym, he might never leave his apartment. And he only does that because of Leo, the gym member he's in love with. When Finn gets talked into attending a speed dating fund-raiser at the gym, his greatest wish is to have the courage to try to say something anything to Leo. Justin McCormick has spent most of his adult life being used, whether playing a corporate heavy or acting as guard dog for his ward. So when he leaves Vancouver for a fresh start in Toronto, he doesn't quite know what to do with himself. The moment Justin sees Finn at a speed dating event, he knows there's no way he'll make it without a little help, so he offers to coach Finn on the art of conversation. What he doesn't count on is his unexpected attraction to this shy boxer or his fear that if Finn gets his way, Justin might lose out on his best chance at love.
