**Gabriel'S Extinguishing the Atomic Hell Series** Yousuf Gabriel,2015-07-31 At a time unparalleled in history humanity faces a threat of universal nuclear doomsday with an end result of total annihilation of life on earth Being an enthusiast for global peace with an extensive research background Yousuf Gabriel explores the root cause of the nuclear problem Probing deep into the realms of theology philosophy atomism nuclear science literature and history amid a mist of mystification regarding universal nuclear dilemma Gabriel has tried to resolve the issue in the light of the Scriptures He is a philanthropist who warns humanity about nuclear hell and wants to shun the two edged sword of nuclear energy either for war or so called peaceful purpose Gabriels Extinguishing the Atomic Hell Series serves as the key to the future destiny of this now doomed humankind

It is a case of dwindled religion and diminished faith versus science It is based on a miraculous prophecy rather a warning about nuclear hell given by the Quran more than fourteen centuries ago The prophecy has described the characteristics of the age in which atomism was supposed to appear as well as of the people who would become the victims of nuclear fire It has also given the remedial measures and solutions to avoid this nuclear doomsday The whole nuclear phenomena with all its characteristic scientific features is described in its entirety by this prophecy of the Holy Quran The major focus of criticism is the philosophy of Francis Bacon who preferred natural philosophy over moral philosophy for mans right of dominion over nature for the material utility Educate yourself about the dreadful outcome of adopting nuclear energy whether for war or peaceful purposes Learn how after a prolonged use of nuclear energy human and animal species may be converted to abhorrent monsters and chimeras Enlighten yourself in the light of Scriptures how humanity can avoid this shameful and dreadful end KHALID MALIK      Creation - The Diamond of Reality By Phoenix Phoenix,2022-11-02 Creation from the perspective of God s will working through a person is very different form people using their willpower man s will to create and manifest what they want and need This workbook will give you a a better understanding of we create r personal spirit and how over time we recreate it by reaching greater emotional depths as we simply live our lives      *Metaphysical Creation* Mustafa Karnas,2023-01-19 Understanding Metaphysical Creation Being Science Ontology are the basic questions Where did we come from where are we going why were we created what is the reason for our existence why did God create the universe The answers you will find in this book are as follows We did not come from anywhere we are not going anywhere our creation has no PURPOSE among the reasons for our existence there is ARDILLICITY CAUSALITY GOD was not creative before becoming GOD it was a structure that had the shape of EVER It was the point itself stuck in a point and the point was the moment when the point multiplied by itself duplicating the SAME NONE to remove Nothing from each other pushing NONE from the first NONE and the creation METAPHYSIC creation began and NEVER created a creator from itself GOD The first thing God created was himself the POWER OF CREATION The UNIVERSE began to form as the creatures moved away from each other together with the powers of CREATION as the slaves of the MOVEMENT to line up with the ENERGY created by the VOICE SPEAK BE THE FIRST command in a DIMENSION The starting material of the universe is METAPHYSIC and the starting ENERGY is METAPHYSIC PHYSICAL structure started with MATERIALS formed by coming together of certain points that were connected to each other by the CHALLENGING of the movement in different phases In other words METAPHYSIC FORCE METAPHYSIC ENERGY and METAPHYSIC CREATION power have been CONSISTED into the laws of PHYSICS by cooling away from the initial energy This is almost like an etheric substance being PAPERED into a bubble As a metaphysical substance the force of ETHERIC CREATION has been PERSPECT in the bubble material but its potential includes CREATION and METAPHYSICAL force Where did CREATION begin The answer to the question Within each point at the same time continuity is an illusion at the same time at the same time CREATION METAPHYSICAL Physics is nothing but
