## **Government That Works Innovation In State And Local Government:**

**Government that Works** Edward T. Wheeler, 1993 Governments at all levels in the United States are rocked by budget shortfalls lack of direction unprecedented public frustration and anger A few state and local governments are developing innovative and effective solutions that confront complex policy issues from radically new angles often at minimal or no cost to the taxpayers Presented here are 25 programs dealing with some of the most vexing dilemmas facing government education health care drug abuse the environment housing and economic development The profiles are written not only from the perspective of the program administrators but also the people who benefit from them Each of the five sections opens with a brief overview of the issues identifying problems and key issues A summary chapter examines such issues as program management content organization and funding Programs were selected from among those described in applications for Ford Foundation Innovation Awards from 1986 to 1992 *Innovation and Entrepreneurship in State and Local Government*

Michael Harris, Rhonda Kinney, 2004-01-01 Americans today recognize and celebrate leadership genius in the management of private companies At the same time the American public remains deeply skeptical of government's ability to address real economic and social challenges The contributors to this timely and important volume increase our understanding of the potential incentives for and barriers to creative problem solving in the public sector Drawing on case studies of state and local government as well as theoretical literature on private sector management these scholars reveal both the problems and the possibilities in governmental decision making **How Effectively are Federal, State, and Local Governments**
