Governors And Hard Times:

The Power of American Governors Thad Kousser, Justin H. Phillips, 2012-09-17 With limited authority over state lawmaking but ultimate responsibility for the performance of government how effective are governors in moving their programs through the legislature This book advances a new theory about what makes chief executives most successful and explores this theory through original data Thad Kousser and Justin H Phillips argue that negotiations over the budget on the one hand and policy bills on the other are driven by fundamentally different dynamics They capture these dynamics in models informed by interviews with gubernatorial advisors cabinet members press secretaries and governors themselves Through a series of novel empirical analyses and rich case studies the authors demonstrate that governors can be powerful actors in the lawmaking process but that what they re bargaining over the budget or policy shapes both how they play the game and how often they can win it

Governors Go National Anthony Sparacino, 2024-06-10 This book examines the Democratic and Republican Governors Associations from their creation in the 1960s through the 2020 elections The author argues that the creation of these partisan organizations marked an important moment in the nationalization of American party politics Governors created these Associations along with party elites in Washington because they recognized that decisions being made in Washington increasingly affected decision making in the states Governors sought to contribute to the development of national partisan electoral strategies and policy programs through these organizations to benefit their own electoral fortunes and the standing of the national parties to which they belonged Through organization building governors of both parties contributed to the development of more nationally focused and programmatic parties despite being state level elected officials
