Grace Kelly Mike Gent, Michael Heatley, 2020-09-17 Grace Kelly will go down in history as the actress who sacrificed her own career for love aged just 26 One thing she did not forsake however was the headlines They and the lenses of the world's press followed her wherever she went and while *High Society* the last of her 11 movies in 1956 brought down the curtain on her Hollywood career the legend lived on Her rapid rise through the Hollywood star firmament was assisted by the likes of director John Ford who said her audition showed breeding quality and class Actor Gary Cooper and thriller director Alfred Hitchcock were other supporters while an Oscar for her role in 1954's *The Country Girl* proved Grace had arrived in the top rank of screen goddesses Marriage to Prince Rainier of Monaco stopped her ascent in its tracks but the blonde bombshell proved a continuing trendsetter in the worlds of style and fashion until her shocking and unexpected death in 1982 This book charts her progress to silver screen success and looks at the private woman as well as the superstar who has inspired songs

exhibitions and even appeared on a US postage stamp It is a tribute to a much loved princess in words and pictures capturing her enduring appeal and explaining how this actress of Irish German descent became an American and international icon

Hollywood's Second Sex Aubrey Malone,2015-04-07 Women stars in Hollywood were invariably in two categories said director Otto Preminger One group was of women who were exploited by men and the other much smaller group was of women who survived by acting like men Beginning with silent film vamp Theda Bara and continuing with icons like Greta Garbo Marilyn Monroe and Raquel Welch this study of film industry misogyny describes how female stars were maltreated by a sexist studio system until women like Katharine Hepburn and Bette Davis fought for parity The careers of Doris Day Brigitte Bardot Carole Landis Frances Farmer Dorothy Dandridge Inger Stevens and many others are examined along with more recent actresses like Demi Moore and Sharon Stone Women who worked behind the scenes writing screenplays producing and directing without due credit are also covered

Kubrick's Men Richard Rambuss,2021-03-02 A provocative re reading of Stanley Kubrick s work and its focus on masculine desire The work of Stanley Kubrick amounts to a sustained reflection on the male condition past present and future The persistent theme of his filmmaking is less violence or sex than it is the pressurized exertion of masculinity in unusual or extreme circumstances where it may be taxed or exaggerated to various effects tragic and comic or metamorphosed distorted and even undone The stories that Kubrick s movies tell range from global nuclear politics to the unpredictable sexual dynamics of a marriage from a day in the life of a New York City prizefighter preparing for a nighttime bout to the evolution of humankind These male melodramas center on sociality and asociality They feature male doubles pairs and rivals They explore the romance of men and their machines and men as machines They figure intensely conflicted forms of male sexual desire And they are also very much about male manners style taste and art Examining the formal thematic and theoretical affiliations between Kubrick s three bodies of work his photographs his documentaries and his feature films Kubrick s Men offers new vantages on to the question of gender and sexuality including the first extended treatment of homosexuality in Kubrick s male oriented work

The Body of the Queen Regina Schulte,2006-04-01 How many bodies does a queen have What is the significance of multiple bodies How has the gendered body been constructed and perceived within the context of the European courts during the course of the past five centuries These are some of the questions addressed in this anthology a contribution to the ongoing debate provoked by Ernst H Kantorowicz in his seminal work from 1957 *The King s Two Bodies* On the basis of both textual self presentations and visual representations a gradual transformation of the queen appears A sacred providential figure in medieval and early modern period an ideal bourgeois wife during the late 18th and 19th Centuries and a star like re presentation of royalty during the past century Twentieth century mass media has produced the celebrity and film star queens personified by the contested and enigmatic Nefertiti of ancient Egypt the mysterious Elizabeth Sisi of Austria Grace Kelly as Queen of both Hollywood and Monaco and Romy Schneider as the invented Empress

Grace Kelly of Monaco Jennifer Warner,2014-04-12

She has been called America's princess and with good reason Long before she married a prince Grace Kelly had the looks and bearing of royalty Born and raised in Philadelphia the daughter of an Irish Catholic father and a German immigrant mother Grace's blend of blonde haired blue eyed beauty and poise was dubbed a snow covered volcano by director Alfred Hitchcock But like most icons there is more to Grace than what you see in film While on the surface she appeared to have lived a real life fairy tale filled with handsome men beautiful clothes and an adoring public in reality her life seems to have been more of an often sad reflection of the times in which she lived It was a time of movie megastars of hushed up love affairs of prejudice and gossip and of images not always being what they appeared to be Long before the world admired Kate Middleton's sophisticated sense of style and long before the world fell in love with young Lady Diana's shy smile there was a breathtakingly beautiful princess from Philadelphia Her name was Grace Kelly and this is her story **[Must Read**
