Oswald D. Grant, Denice D. Grant, 2017-05-01 A deeper biblical look into the causes of Lucifer s rebellion against God and His law of unconditional agape love There were two trees in Eden the Tree of Life and the Tree of the Knowledge of Good and Evil These were symbols representations of two kingdoms Through them we learn the foundational issues involved in the war between God and the Devil God is the Creator and giver of life His is the Tree of Life principle The Tree of the Knowledge of Good and Evil was associated with the serpent God said this Tree would bring death into being Adam and Eve ate of it the result is the earth has become a battleground the theater of this war As God had predicted death has become an everyday occurrence here

Freedom Unlimited Jeffrey S. Hocking, 2010-10-18 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists sociologists and psychologists have discovered that unresolved social shame is related to racial and social prejudice to bullying crime genocide narcissism post traumatic stress and other forms of toxic behavior Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St Mark s United Methodist Church in Lincoln NE in October 2010 Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion therapy ethics and social analysis

Grace Unlimited Clark H. Pinnock, 1999-04-20 This book considers the universality of grace and presupposes that God is just in an unqualified manner desiring the salvation of all sinners The writers examine the concepts of faith election and predestination and argue against the position that some people are predestinated for eternal life or everlasting death *The Demonization of God Unmasked* Oswald D.

Grant, 2011-08-08 A book on the Tree of Life and the Tree of the Knowledge of Good and Evil A biblical study of these two trees reveal that the Tree of Life represents God s moral law of unconditional agape love and that the Tree of the Knowledge of Good and Evil represents a rival law devised by that serpent of old called the Devil and Satan who deceives the whole

world Revelation 12 9 The serpent s moral law is powered by force through a system of arbitrary reward and punishment

The One Year Worship the King Devotional Chris Tiegreen, Walk Thru Ministries, 2012-10-17 Thoughtful and insightful Chris Tiegreen has helped thousands of readers know God more intimately through his writing In this beautiful leatherlike edition of *The One Year Worship the King Devotional* he explores a crucial question for Christians What is worship and why is it so important to God Drawing from the many examples of worship in Scripture both true and false the daily devotionals focus on the role of worship in the believer s life and in the grand scheme of creation Readers will be encouraged to give their lives for the glory of the King and to continually press toward deeper and purer praise

Visions of Agapé Craig A. Boyd, 2017-03-02 This book brings together philosophical and theological perspectives on agapistic love The aim of the text is to illuminate the nature of unlimited love by distinct and integrative approaches to the intersection of the divine and the human Various scientific approaches to human forms of love seem to shed light on our nature as social beings But to what extent are the natural desires for affection sexual love and friendship augmented revised perfected or replaced by the gift of grace In other words we can ask how is it that agap modifies or shapes the natural loves Diverse theological and moral traditions address the question in quite startling contrast Thomists follow the dictum that Grace does not destroy nature but perfects it Lutherans draw a sharp contrast between law and Gospel while Wesleyans see charity as the sanctifying power of the Holy Spirit Some feminist theorists see the idea of self giving love as contrary to genuine self fulfilment while the neo Kantians see love as a duty to others and some Kierkegaardians see the command to love as an unusual manifestation of divine command ethics These diverse approaches in light of contemporary research in the natural and social sciences can provide fertile ground for the exploration of the intersection of human and divine love To date there is no text available that brings scholars from various theological and philosophical backgrounds together to engage in interdisciplinary dialogue on this important and much neglected aspect of research into the human and divine loves This book offers a significant attempt to remedy the situation

From Heaven He Came and Sought Her David Gibson, Jonathan Gibson, 2013-11-30 There is a palpable sense of confusion and sometimes even embarrassment with regard to so called limited atonement today pointing to the need for thoughtful engagement with this controversial doctrine Incorporating contributions from a host of respected theologians *From Heaven He Came and Sought Her* stands as the first comprehensive resource on definite atonement as it examines the issue from historical biblical theological and pastoral perspectives Offering scholarly insights for those seeking a thorough and well researched discussion this book will encourage charitable conversations as it winsomely defends this foundational tenet of Reformed theology The epub edition of this title will not display correctly when viewed on Adobe Digital Editions Hebrew characters will be inaccurately displayed in this reader

Consuming Glory Gannon Murphy, 2006-09-22 In the late 1990s Open Theism took the theological world by storm Advocated by several prominent theologians among them Clark H Pinnock the view argues that human beings cannot have a genuine relationship with God if God possesses what

classical theology has affirmed to be exhaustive foreknowledge of future events Such foreknowledge open theists claim would make human freedom and salvation itself meaningless and divine power akin to little more than meaningless cosmic puppeteering While several works have taken the important step of addressing open theisms scriptural deficiencies in its denial of Gods foreknowledge none have dealt with the vital issue of divine human relationality and how it can be understood in a classical orthodox framework that maintains such foreknowledge Consuming Glory remedies that lack by first providing a fresh critique of open theism using Clark Pinnock s version of it as representative but then offering a reconstruction of divine human relationality centered on the Biblical principle of Christus in nobis Christ in us Christus in nobis is coupled with an outworking of meticulous divine providence that serves Gods own self glorifying orientation It reverses the relational ordering advocated in open theism by grounding human love of God theologically rather than anthropologically Love of God and divine human relationality is established precisely because it is Gods own self love that is providentially given to us and thus reciprocated as believers are brought into adoptive communion with the Triune Godhead Drawing on diverse resources throughout the corpus of historical theology Murphy concludes that divine human relationality can be summarized as God delighting in himself in us

First Theology Kevin J. Vanhoozer,2002-06-10 Blazing a pathway for recovering the unity of biblical studies and theological reflection Kevin J Vanhoozer addresses the challenges presented by the contemporary so called postmodern situation especially deconstructionism

Monergism or Synergism Daniel Kirkpatrick,2018-01-11 The tensions between Calvinism and Arminianism have perpetuated Christian thought for some 500 years The concerns from both parties are legitimate Calvinists are often accused of fatalism along with holding to a troubling view of double predestination Arminians are often accused of holding to a human centered view of salvation that robs God of glory while championing human ability Could it be that many of the tensions between Calvinists and Arminians are sourced in an often overlooked issue monergism and synergism Could the same be said regarding

Protestantism and Roman Catholicism concerning justification In this volume Daniel Kirkpatrick explores the specific roles of God and humans in various aspects of salvation to determine whether salvation is a work between God and a person synergism or a work of God alone monergism Building upon the framework of Aquinas the Reformers and Arminians this book examines the issue of who does the work of salvation in light of cause and effect with hopes of providing new insights on historic doctrines *Systematic Theology/Historical Theology Bundle* Wayne A. Grudem, Gregg Allison, 2015-10-27 A collection that includes two of our most exemplary textbooks Systematic Theology and Historical Theology The ebook will provide an introduction to Biblical and Christian doctrine **Excusing Sinners and Blaming God** Guillaume Bignon, 2017-12-11 Calvinist determinism destroys moral responsibility and makes God the author of sin These two accusations are not new and were arguably anticipated by Paul in Romans 9 but they remain today the most important objections offered against Calvinist determinist views of human free will This book is a philosophically rigorous and comprehensive defense of Calvinism against these two families of arguments With respect to human moral responsibility it discusses whether determinism destroys free will turns humans into pets or puppets and involves or is analogous to coercion and manipulation It responds to the consequence argument and direct argument for incompatibilism the principle of alternate possibilities the ought implies can maxim and related claims With respect to the authorship of sin it discusses whether Calvinist determinism improperly involves God in evil Does it mean that God sins or causes sin or wills sin in problematic ways Does God intend our sin or merely permit sin In each case the coherence of the Calvinist view is defended against its most potent objections to reject the claim that Calvinism is excusing sinners and blaming God **What the Bible Says About God the Ruler** Jack Cottrell, 2000-10-24
