The Heart of the Matter Graham Greene,1948

Graham Greene Robert Hoskins,2004-11-23 This study reveals Greene in a dual role as author one who projects literary experience into his view of life and subsequently projects both his experience and its literary interpretation into his fiction and it defines two phases of Greenes novels through the changing relationship between writer and protagonists The first phase progresses from acutely sensitive self divided young men somewhat like the young Greene to embittered alienated characters ostensibly at great distance from their creator The second phase 1939 includes a series of portraits of the artist through which Greene confronts more directly the tensions and conflicts of his private life

Graham Greene Michael G. Brennan,2010-03-18 In this significant rereading of Graham Greene s writing career Michael Brennan explores the impact of major issues of Catholic faith and doubt on his work particularly in relation to his portrayal of secular love and physical desire and examines the religious and secular issues and plots involving trust betrayal love and despair Although Greene s female characters have often been underestimated Brennan argues that while sometimes abstract symbolic and two dimensional these figures often prove central to an understanding of the moral personal and spiritual dilemmas of his male characters Finally he reveals how Greene was one of the most generically ambitious writers of the twentieth century experimenting with established forms but also believing that the career of a successful novelist should incorporate a great diversity of other categories of writing Offering a new and original perspective on the reading of Greene s literary works and their importance to English twentieth century fiction this will be of interest to anyone studying Greene

Teresa and their brother a Roman Catholic priest Into the lives of this insular trio comes their young grandniece Rose Pemberton following the death of her mother To the mortification of her aunts Rose has also brought her lover Michael Dennis who is twenty five years Rose s senior married and a psychology lecturer dictated by reason not faith In a home that reeks of sanctimony Rose and Michael are as welcome as sin But it s the arrival of Michael s distraught wife armed with righteous emotional blackmail and worse that ignites an unexpected fury and makes real the family s greatest fears Premiering in London in 1953 and moving to Broadway one year later Graham Greene s debut as a dramatist was hailed by Kenneth Tynan as the best first play of its generation *The Captain and the Enemy* Graham Greene,2011 A young boy Victor is collected from school by a stranger in a bowler hat The stranger says he has won Victor in a game of backgammon with Victor s father The stranger known as the Captain takes Victor to live with the sweet but withdrawn Lisa where he serves as her conduit to the outside world From mysterious beginnings Graham Greene s final novel becomes a twisting thriller of smuggling jewel theft and international espionage which culminates in a dramatic showdown in Panama **The Collected Novels Volume Two** Graham Greene,2018-07-31 From the most ingenious inventive and exciting of our novelists Three brilliant novels exploring colonialism faith and the mysteries of desire V S Pritchett This collection features three classic novels that explore Graham Greene s most important themes Catholicism international intrigue and the never ending struggle to know oneself From West Africa to Vietnam to Mexico these stories prove that no serious writer of the twentieth century has more thoroughly invaded and shaped the public imagination than Graham Greene *Time The Heart of the Matter* In a British colony of West Africa Henry Scobie is a pious man of modest means charged with securing borders But when he s passed over for a promotion the humiliation hits hard for his wife To make it up to her Henry accepts a loan from a black marketeer to secure Louise s passage out of Africa His single indiscretion quickly leads him one moral compromise after another into a web of blackmail adultery and murder A powerful deep striking novel of a spirit lost in the darkness of the flesh New York Herald Tribune *The Quiet American* Vietnam 1955 British journalist Thomas Fowler is covering the insurgency against French colonial rule and doing what he can to protect his Vietnamese lover Phuong Alden Pyle of the CIA believes in bringing American democracy to Vietnam by any means necessary But when his ideas of conquest come to include Phuong pride passion and blind moral conviction collide with terrible consequences A heartrending romance Haunting and profound All Things Considered NPR *The Power and the Glory* In 1930s Tabasco Mexico Catholicism is being outlawed As churches are razed and devotees are executed a member of the clergy known only as the whisky priest flees He now travels as one of the hunted attending in secret to the spiritual needs of the faithful When a peasant begs him to return to Tabasco to hear the confessions of a dying man the whisky priest knows it s a trap But it s also his duty and possibly his salvation A thriller but also a novel of ideas A book I would have simply died to write Scott Turow New York Times bestselling author

Reflections Graham Greene,Judith Adamson,1990 An intimate collection of writing that spans almost seven decades It is

the perfect complement to Graham Greene's much loved much admired *Ways of Escape* **The End of the Affair** Graham Greene, 2018-03-13 Graham Greene's masterful novel of love and betrayal in World War II London is undeniably a major work of art The New Yorker Maurice Bendrix a writer in Clapham during the Blitz develops an acquaintance with Sarah Miles the bored beautiful wife of a dull civil servant named Henry Maurice claims it's to divine a character for his novel in progress That's the first deception What he really wants is Sarah and what Sarah needs is a man with passion So begins a series of reckless trysts doomed by Maurice's increasing romantic demands and Sarah's tortured sense of guilt Then after Maurice miraculously survives a bombing Sarah ends the affair quickly absolutely and without explanation It's only when Maurice crosses paths with Sarah's husband that he discovers the fallout of their duplicity and it's more unexpected than Maurice Henry or Sarah herself could have imagined Adapted for film in both 1956 and 1999 Greene's novel of all that inspires love and all that poisons it is singularly moving and beautiful Evelyn Waugh **Characters and Plots in the Fiction of**

Graham Greene Robert L. Gale, 2006-09-29 This encyclopedia includes an introductory essay about Greene's work A chronology lists events of his literary career military work travels and life Alphabetical entries follow summarizing the plots of novels and short stories indicating movies and television dramas adapted from them describing fictional characters and relating them to his own experiences family members and real life figures Provided by publisher **Graham Greene** Richard Michael Kelly, Richard Kelly, 1984 *A Study in Greene* Bernard Bergonzi, 2006-09-07 Bernard Bergonzi has been reading Graham Greene for many years he still possesses the original edition of *The End of the Affair* that he bought when it was published in 1951 After so much recent attention to Greene's life he believes it is time to return to his writings in this critical study Bergonzi makes a close examination of the language and structure of Greene's novels and traces the obsessive motifs that recur throughout his long career Most earlier criticism was written while Greene was still alive and working and was to some extent provisional as the final shape of his work was not yet apparent In this book Bergonzi is able to take a view of Greene's whole career as a novelist which extended from 1929 to 1988 He believes that Greene's earlier work was his best combining melodrama realism and poetry with *Brighton Rock* published in 1938 a moral fable that draws on crime fiction and Jacobean tragedy as the masterpiece The novels that Greene published after the 1950s were very professional examples of skilful story telling but represented a decline from this high level of achievement Bergonzi challenges assumptions about the nature of Greene's debt to cinema and attempts to clarify the complexities and contradictions of his religious ideas Although this book engages with questions that arise in academic discussions of Greene it is written with general readers in mind

powers Rollo Martins a second rate novelist arrives penniless to visit his friend and hero Harry Lime But Harry has died in
