

GRAND HOTELS

The background of the cover is a photograph of a grand hotel interior. It features a large, ornate balcony with intricate carvings and a balustrade. Above the balcony is a large, circular stained glass dome with a blue and green pattern. The architecture is classical, with columns and decorative moldings. The lighting is warm, highlighting the details of the interior.

Grand Hotels Elaine Denby, 2002 From its beginnings as the humble inn the hotel has undergone enormous changes over the centuries Elaine Denby charts the development of the Grand Hotel and how it has kept pace with technological innovations *Grand Hotels* Elaine Denby, 2002 *Grand Hotels* Elaine Denby, 1998 **Grand hotels** Elaine Denby, 1998 Architectonische en sociale overzichtsgeschiedenis van internationale luxe hotels met paleisachtige entourage in de periode 1830 1940 *Histories, Meanings and Representations of the Modern Hotel* Kevin J. James, 2018-08-15 This book surveys current writing on the history of the modern hotel focusing on three areas of vibrant and timely scholarly enquiry the uniqueness of the American hotel the contested status of the colonial and postcolonial hotel and the hotel's embroilment in violent conflict It explores the hotel as an institution that incubates innovation enables commercial relations on a variety of scales and supplies an arena for negotiating relations of political cultural and economic power The volume presents a number of case studies including the hotel in wartime and as a terrorist target and critically engages with innovative scholarship that links the relationship of the hotel to wider narratives of Western modernity It is aimed at tourism studies scholars as well as history and critical and applied tourism studies students at undergraduate and graduate levels [Temples of Luxury](#) Susanne Schmid, 2023-11-30 This two volume collection of British primary sources examines institutions such as hotels inns arcades bazaars co-operatives shops and department stores in the long nineteenth century which were often coded as luxurious This period was marked not only by an increase of individual consumerism but also by the institutionalisation of opulent often purpose built spaces such as the much admired new grand hotels supposedly an American invention and department stores modelled on the French grands magasins These environments were tied to leisure no longer a prerogative of the upper classes and thus to modernity In addition to addressing the luxurious side of these institutions including architectural innovation and interior decoration we also consider the other side of luxury examining the experience of staff and period debates over the morality of consumption This edition seeks to explore a fascinating but hitherto often neglected side of the British nineteenth century by bringing together a collection of annotated primary texts and visual material documenting these temples of luxury as they were seen by their contemporaries **A Journal of the Great War** Charles Gates Dawes, 2016 A critical edition of Charles Gates Dawes A Journal of The Great War with two new essays that explore the broader story of Dawes war experience First published in 1921 A Journal of the Great War provides a fascinating glimpse into the challenges faced by the American Expeditionary Forces AEF during the United States 18 month involvement in World War I Dawes journal written while he was stationed in France from 1917 to 1919 offers a behind the scenes look at the power struggles and political maneuvering that took place among American and European political and military leaders as they sought to fight the war as an allied force Part document of life in wartime France part war diary and part meditation on the means of exercising power Dawes journal is a unique contribution to the literature of World War I In July 1917 at the age of

51 Dawes sailed for France as an officer with the U S 17th Engineers At the time Dawes enlistment made headlines He was hailed as a soldier banker one of the wealthiest men in the country to join Uncle Sam s army Dawes was indeed a wealthy man he was president of the Central Trust Company of Illinois a bank he founded in 1902 and along with his brothers he also ran numerous investments and companies When he sailed for France he left all that behind Once in France Dawes was appointed as the General Purchasing Agent in Europe for the AEF by his friend General John Pershing Stationed in Paris for the duration Dawes served as Pershing s confidant throughout the war consulting with the American general as Pershing deployed more than two million American soldiers into battle Meanwhile Dawes oversaw a massive operation to acquire and distribute supplies for the war effort Working closely with Pershing Dawes would soon develop the Military Board of Allied Supply a means to coordinate supply among the Allies Dawes stunning achievement to bring about and manage this alliance and the political drama that unfolded behind it is documented in *A Journal of the Great War* **A History of Modern**

Tourism Eric Zuelow,2015-10-26 Tourism is one of the largest industries in the world yet leisure travel is more than just economically important It plays a vital role in defining who we are by helping to place us in space and time In so doing it has aesthetic medical political cultural and social implications However it hasn t always been so Tourism as we know it is a surprisingly modern thing both a product of modernity and a force helping to shape it *A History of Modern Tourism* is the first book to track the origins and evolution of this pursuit from earliest times to the present From a new understanding of aesthetics to scientific change from the invention of steam power to the creation of aircraft from an elite form of education to family car trips to see national shrines this book offers a sweeping and engaging overview of a fascinating story not yet widely known *Indian Architecture in Postcards* Éléonore Muhidine,2023-07-06 Focusing on a private collection of 60

postcards of modern architecture in Mumbai New Delhi Kolkata Chennai and Agra the contributors to this volume explore the many dimensions of modern architecture in India from the 1890s to the 1970s and share their own perspective on these objects Experts on architectural history and visual studies as well as postcard collectors provide new insights into a territory and its architectural heritage which is still largely unknown in Europe and reflect on the postcard as a medium for historical research *Built to Last* Stanley Turkel,Stanley Turkel Cmhs Ishc,2011 Built to Last 100 Year Old Hotels East of the

Mississippi is a sequel to my 2011 book Built To Last 100 Year Old Hotels in New York It has 86 chapters one for each century old hotel of 50 rooms or more east of the Mississippi River and each is illustrated by an antique postcard The Foreword was written by Joseph McInerney CHA President of the American Hotel Lodging Association The book has been accepted for promotion distribution and sale by the American Hotel Lodging Educational Institute My research into the histories of these hotels turned up fascinating stories about single minded developers brilliant and accidental architects dedicated owners famous and infamous guests and even the story of an underground bunker shelter the size of two football fields built under a hotel to house the U S Government in the event of a nuclear war *Stories of the Colonial Architecture*

Lopamudra Maitra Bajpai ,2019-02-07 Colonial times witnessed several new constructions giving shape to new spaces and interactions This included both public and private spaces This work focuses on specific public spaces from the colonial times across the regions of Kolkata West Bengal India and Colombo Western Province Sri Lanka Various similarities lie between these two cities pertaining to the British colonial times of the respective countries as the socio cultural fabric slowly witnessed many changes within Numerous public constructions across both cities stand till date as sentinels to weave a communication of several stories of yore The work aims to help in spreading awareness and an understanding about the need for a balance between history and modernity a continuity from the past that helps to find answers to many questions in the present *Arrival Cities* Burcu Dogramaci,Mareike Hetschold,Laura Karp Lugo,Rachel Lee,Helene Roth,2020-09-01 Exile and migration played a critical role in the diffusion and development of modernism around the globe yet have long remained largely understudied phenomena within art historiography Focusing on the intersections of exile artistic practice and urban space this volume brings together contributions by international researchers committed to revising the historiography of modern art It pays particular attention to metropolitan areas that were settled by migrant artists in the first half of the 20th century These arrival cities developed into hubs of artistic activities and transcultural contact zones where ideas circulated collaborations emerged and concepts developed Taking six major cities as a starting point Bombay now Mumbai Buenos Aires Istanbul London New York and Shanghai the authors explore how urban topographies and landscapes were modified by exiled artists re establishing their practices in metropolises across the world Questioning the established canon of Western modernism *Arrival Cities* investigates how the migration of artists to different urban spaces impacted their work and the historiography of art In doing so it aims to encourage the discussion between international scholars from different research fields such as exile studies art history social history architectural history architecture and urban studies "Architecture, Design and Craft in Toronto 1900-1940 " Alla Myzelev,2017-07-05 Toronto the largest and one of the most multicultural cities in Canada boasts an equally interesting and diverse architectural heritage *Architecture Design and Craft in Toronto 1900 1940* tells a story of the significant changes in domestic life in the first 40 years of the twentieth century Adopting a multidisciplinary approach to studies of residential spaces the author examines how questions of modernity and modern living influenced not only architectural designs but also interior furnishings modes of transportation and ways to spend leisure time The book discusses several case studies some of which are known both locally and internationally for example Casa Loma while others such as Guild of All Arts or Sherwood have been virtually unstudied by historians of visual culture The overall goal of the book is to put Toronto on the map of scholars of urban design and architecture and to uncover previously unknown histories of design craft and domesticity in Toronto This study will be of interest not only to the academic community namely architects designers craftspeople and scholars of these disciplines along with social historians but also the general public interested in local history and or visual culture **Henry Bradley Plant** Canter Brown,2019-11-26 The

first biography of Henry Bradley Plant the entrepreneur and business magnate considered the father of modern Florida In this landmark biography Canter Brown Jr makes evident the extent of Henry Bradley Plant s influences throughout North Central and South America as well as his role in the emergence of integrated transportation and a national tourism system One of the preeminent historians of Florida Brown brings this important but understudied figure in American history to the foreground Henry Bradley Plant Gilded Age Dreams for Florida and a New South carefully examines the complicated years of adventure and activity that marked Plant s existence from his birth in Connecticut in 1819 to his somewhat mysterious death in New York City in 1899 Brown illuminates Plant s vision and perspectives for the state of Florida and the country as a whole and traces many of his influences back to events from his childhood and early adulthood The book also elaborates on Plant s controversial Civil War relationships and his utilization of wartime earnings in the postwar era to invest in the bankrupt Southern rail lines With the success of his businesses such as the Southern Express Company and the Tampa Bay Hotel Plant transformed Florida into a hub for trade and tourism traits we still recognize in the Florida of today This thoroughly researched biography fills important gaps in Florida s social and economic history and sheds light on a historical figure to an extent never previously undertaken or sufficiently appreciated Both informative and innovative Brown s volume will be a valuable resource for scholars and general readers interested in Southern history business history Civil War era history and transportation history
