A Funny Thing Happened B. E. White, Jr.,2014-08-29 The humorous stories that Dr White tells about in this book are all about people in and out of the church and the ups and downs of life in the parsonage Funny things can happen at church and the behavior of some religious people can make you laugh and laugh Behind the humor in this book is often a spiritual truth But this is more than a religious book It is about changing times in North Carolina for three quarters of a century Dr White keeps telling about things he has learned during this time or maybe he is subtly teaching his readers to learn with him what religion is really all about The people in the stories may seem like someone you know in your own church or family The comical stories will entertain you while you ponder their meaning The more serious ones may touch you deeply

Aging in the Family George Dickinson,Brenda Sanders,2018-10-31 With a rapidly aging population throughout the world the issue of larger percentages of older adults has repercussions for both

policy and the job market Whether a university student about to seek a full time job or a caregiver for an older person Aging in the Family should enhance the reader's knowledge and skills The main topics covered in this volume include marital status of older adults support systems within families crises with older adults within families the resilience of older adults entering the latter stages of life practical information involving caregiving aging in place and various social services for an aging population The reader will be made aware of intergenerational interactions between older adults and other family members in various cultures The role of ethnicity and socio economic status in health issues of older adults will be discussed as will the application of technology to an aging population Though problems certainly exist as one ages the overall thrust of the book is toward the positive aspects of growing old Numerous theories exist to probe research and understanding of older adults in families The relation between theory and research will be helpful to many students of aging in the family Older adults are generally married yet cohabitation and other options are alive and well too Ageism death and abuse unfortunately are issues affecting aging Yet most older adults in the US and Western Europe report living independently and being satisfied with their lives Aging in the Family will be an interesting read for anyone wanting to learn about older adults and family relationships as it exhibits a blend of both theoretical and practical matters **God's Guide for Grandparents** Susan M.

Erschen, 2017-09-19 Very often it is grandparents who ensure that the most important values are passed down to their grandchildren and many people can testify that they owe their initiation into the Christian life to their grandparents Pope Francis apostolic exhortation The Joy of Love As fun and special as time spent with grandchildren can be we know that being a grandparent is a supporting and not a starring role So how can grandparents truly make a difference in their grandchildren's lives Grandparents have the unique opportunity to be holy role models by continuing to grow in their faith and by living the values of the Gospel message in the following ways Putting others first Accepting without judging Showing compassion to the needy Looking with awe at God's creation Living peacefully Having courage Being generous Being content with what you have Loving unconditionally Looking to the future with hope Being joyful Expressing gratitude God's Guide for Grandparents draws on sacred Scripture the example of the saints the teachings of the Church the writings of Pope Francis and anecdotes from today's grandparents Grandchildren are always watching Make the most of your opportunity to have a positive and lasting impact in their lives **Long Distance Grandma** Janet Teitsort, 2010-06-15 According to an AARP survey 45 percent of grandparents report that the primary barrier to seeing their grandchildren is the physical distance that separates them Yet the desire to communicate is strong Janet Teitsort a long distance grandma herself comes to the rescue with a year's worth of ideas to remain close even when the miles divide Among her numerous ideas are art projects recipes and simple gifts that keep hearts knitted together Whether children are toddlers or college students Teitsort offers a cornucopia of connection possibilities including a strong recommendation for grandparents to embrace technology with ideas involving audiotape videotape email and the Internet As the grandparent population swells with Baby Boomers this book is truly timely **Aging**

and Development Peter G. Coleman, Ann O'Hanlon, 2017-02-03 The psychology of aging usually focuses upon cognitive changes with a particular focus on dementia and other forms of cognitive decline But getting older is about more than simply changes to the brain and related health issues Changes to our social and emotional lives are also hugely significant as we adapt across our lifespan The second edition of *Aging and Development* is the only textbook available that responds to the growing interest in social personal and emotional development in older age Ideally suited to complement texts on cognitive change the book provides a holistic developmental perspective on aging It highlights a range of issues including the development of personal meaning and spirituality improvements in emotional control uses of reminiscence and life review the importance of healthy attitudes to aging as well as the maintenance of close personal relationships It does not avoid the difficult issues of late life decline but illustrates how even in circumstances of physical and mental frailty a positive sense of self can be created and enhanced Fully updated to provide the most cutting edge overview on this burgeoning topic of interest *Aging and Development* includes a glossary and list of useful websites both on the study of gerontology and the psychology of aging It will be essential reading for all students of developmental psychology as well as anyone either training to work or already working with older people
