## **Hemingway A Psychological Portrait:**

**Hemingway, a Psychological Portrait** Richard E. Hardy, John G. Cull, 1977 Neurological Disorders in Famous Artists Julien Bogousslavsky, M. G. Hennerici, H. Baezner, C. Bassetti, 2010-01-01 The third part of *Neurological Disorders in Famous Artists* presents painters musicians and writers who had to fight against an acute or chronic neurological disease. Sometimes this fight was without success e.g. Shostakovich Schumann Wolf Pascal but often a dynamic and paradoxical creativity of the clinical disorder was integrated into their artistic production e.g. Klee Ramuz. Occasionally some even wrote the first report of a medical condition they observed in themselves like Stendhal who made a detailed report of aphasic transient ischemic attacks before dying of stroke shortly thereafter. In rarer instances a neurological disease was inaccurately attributed to an artist in order to explain certain features of his work de Chirico Schiele. Some chapters in this publication focus on neurological conditions reported in artistic work including descriptions by Shakespeare and Dumas. Bringing new light to both artists and neurological conditions this book serves as a valuable and entertaining read for neurologists psychiatrists physicians and anybody interested in arts literature and music. *The Cambridge Companion to Hemingway* Scott Donaldson, 1996-01-26 A comprehensive introduction to Hemingway and his works. **A Historical Guide to Ernest Hemingway** Linda Wagner-Martin, 2000-01-27 The 1999 Hemingway centennial marks the perfect time for the reevaluation of his position as America's premier modernist writer. These essays all written specially for this collection plumb unexplored historical details of Hemingway's life to illuminate new and often unexpected dimensions of the force of his literary accomplishment. Discussing biographical details of his personal and professional life along with the subtleties of his character the text includes a number of fascinating photos and images. The Critical Reception of Hemingway's *The Sun Also Rises* Peter L. Hays, 2011 This History of the criticism of *The Sun Also Rises* shows not only how Hemingway's first major novel was received over the decades but also how different critical modes have dominated different decades and what besides tenure critics of different eras looked for in it. As such it shows what has interested critics how they have reinterpreted the novel and how they have seen the characters playing different roles. Thus the novel becomes a mirror reflecting not only Paris and Spain in 1925 but us. **Hemingway** Horst Weber, 1980 *Sixteen Modern American Authors* Jackson R. Bryer, 1990 Praise for the earlier edition. Students of modern American literature have for some years turned to *Fifteen Modern American Authors* 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers. In its new form *Sixteenth Modern American Authors* it will continue to be indispensable. If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains. American Studies Encyclopedia of the American Novel Abby H. P. Werlock, 2015-04-22 Praise for the print edition. No other reference work on American fiction brings together such an array of authors and texts as this. **The Impossible Craft** Scott Donaldson, 2015-02-23 In *The Impossible Craft* Scott Donaldson explores the rocky territory of literary biography the most

difficult that biographers try to navigate Writers are accustomed to controlling the narrative and notoriously opposed to allowing intruders on their turf They make bonfires of their papers encourage others to destroy correspondence write their own autobiographies and appoint family or friends to protect their reputations as official biographers Thomas Hardy went so far as to compose his own life story to be published after his death while falsely assigning authorship to his widow After a brief background sketch of the history of biography from Greco Roman times to the present Donaldson recounts his experiences in writing biographies of a broad range of twentieth century American writers Ernest Hemingway F Scott Fitzgerald John Cheever Archibald MacLeish Edwin Arlington Robinson Winfield Townley Scott and Charlie Fenton Donaldson provides readers with a highly readable insiders introduction to literary biography He suggests how to conduct interviews and what not to do during the process He offers sound advice about how closely biographers should identify with their subjects He examines the ethical obligations of the biographer who must aim for the truth without unduly or unnecessarily causing discomfort or worse to survivors He shows us why and how misinformation comes into existence and tends to persist over time He describes the mythical ideal biographer an imaginary creature of universal intelligence and myriad talents beyond the reach of any single human being And he suggests how its very impossibility makes the goal of writing a biography that captures the personality of an author a challenge well worth pursuing Abraham Polonsky Andrew Dickos,2013-01-01 Abraham Polonsky 1910 1999 screenwriter and filmmaker of the mid twentieth century Left recognized his writerly mission to reveal the aspirations of his characters in a material society structured to undermine their hopes In the process he ennobled their struggle His auspicious beginning in Hollywood reached a zenith with his Oscar nominated screenplay for Robert Rossen s boxing noir film Body and Soul 1947 and his inaugural film as writer and director Force of Evil 1948 before he was blacklisted during the McCarthy witch hunt Polonsky envisioned cinema as a modern artist His aesthetic appreciation for each technical component of the screen aroused him to create voiceovers of urban cadences poetic monologues spoken by the city s everyman embodied by the actor who played his heroes best John Garfield His use of David Raksin s score in Force of Evil against the backdrop of the grandeur of New York City s landscape and the conflict between the brothers Joe and Leo Morse elevated film noir into classical family tragedy Like Garfield Polonsky faced persecution and an aborted career during the blacklist But unlike Garfield Polonsky survived to resume his career in Hollywood during the ferment of the late sixties Then his vision of a changing society found allegorical expression in Tell Them Willie Boy Is Here his impressive anti Western showing the destruction of the Paiute rebel outsider Willie Boy and cementing Polonsky as a moral voice in cinema *The Hemingway Review* ,1999 *A Companion to the American Novel* Alfred Bendixen,2014-11-17 Featuring 37 essays by distinguished literary scholars A Companion to the American Novel provides a comprehensive single volume treatment of the development of the novel in the United States from the late 18th century to the present day Represents the most comprehensive single volume introduction to this popular literary form

Hemingway's Cats Carlene Fredericka Brennen, 2015-09-01 Ernest Hemingway always had cats as companions from the ones he adored as a child in Illinois and Michigan to the more than 30 he had as an adult in Paris Key West Cuba and Idaho All are chronicled and most are pictured here along with revelations of how they fit into the many twists and turns of his life and loves In 1943 Ernest Hemingway living in the Finca in Cuba with his third wife and eleven cats wrote to his first wife One cat just leads to another The place is so damned big it doesn't really seem as though there were many cats until you see them all moving like a mass migration at feeding time He called the cats purr factories and love sponges who soaked up love in return for comfort and companionship He gave each a name that suited its character including F Puss Fatso Friendless Feather Kitty Princessa Furhouse Uncle Woofer and his last cat in Idaho Big Boy Peterson You'll also meet his nine dogs a cow and a young great horned owl that he rescued not long before his death Hemingway's Cats reveals a softer side to the writer's character than is usually portrayed by the macho image of the hunter and fisherman He sought the cats comfort in times of loneliness and stress and he featured some of them in his writings particularly in *A Moveable Feast* *Islands in the Stream* *The Garden of Eden* and *True at First Light* all written late in his life and as close to autobiography as he came *A Companion to Hemingway's Death in the Afternoon* Miriam B. Mandel, 2009 New carefully focused essays providing a thorough examination of Hemingway's groundbreaking non-fictional work Published in 1932 *Death in the Afternoon* reveals its author at the height of his intellectual and stylistic powers By that time Hemingway had already won critical and popular acclaim for his short stories and novels of the late twenties A mature and self-confident artist he now risked his career by switching from fiction to nonfiction from American characters to Spanish bullfighters from exotic and romantic settings to the tough world of the Spanish bullring a world that might seem frightening and even repellant to those who do not understand it Hemingway's nonfiction has been denied the attention that his novels and short stories have enjoyed a state of affairs this Companion seeks to remedy breaking new ground by applying theoretical and critical approaches to a work of nonfiction It does so in original essays that offer a thorough balanced examination of a complex boundary-breaking and hitherto neglected text The volume is broken into sections dealing with the composition reception and sources of *Death in the Afternoon* cultural translation cultural criticism semiotics and paratextual matters and the issues of art authorship audience and the literary legacy of *Death in the Afternoon* The contributors to the volume four men and seven women lay to rest the stereotype of Hemingway as a macho writer whom women do not read and their nationalities British Spanish American and

Israeli indicate that Death in the Afternoon even as it focuses on a particular national art discusses matters of universal concern Contributors Miriam B Mandel Robert W Trogdon Lisa Tyler Linda Wagner Martin Peter Messent Beatriz Penas Ib ez Anthony Brand Nancy Bredendick Hilary Justice Amy Vondrak and Keneth Kinnamon MiriamB Mandel teaches in the English Department of Tel Aviv University Ernest Hemingway's Code Hero in Pursuit of Self Dr. K.
