crumbling Manhattan skyscraper to a real estate magnate's tropical retreat PI Tom Larkin seeks the truth about rare manuscripts found in a streamer trunk from the 1920's Lost Generation. Some believe the old manuscripts are worth more as fakes than as the genuine article and will kill anyone who gets in the way. OR CONSEQUENCES From the high end bidding of estate liquidators and antiques appraisers into the jaws of death Larkin believes the truth is to die for but the man eaters he encounters run the gamut from hot blooded vixens to cold blooded reptiles. Winter's shoot 'n' up style prevails as Larkin stems the tide of his own demons knowing that his acceptance of defeat against the odds is never an option. Unless the Threat of Death is Behind Them John T. Irwin, 2006-10-25 The noted literary critic delves into the psychology and significance of American hardboiled crime fiction and film noir of the 1930s and 40s. Early in the twentieth century American crime novelists like Dashiell Hammett and Raymond Chandler put forward a new kind of character the hard boiled detective as exemplified by Sam Spade in *The Maltese Falcon*. Unlike the analytical detectives of nineteenth century fiction these new detectives encountered cases not as intricate logical puzzles but as stark challenges of manhood. John T. Irwin explores how the stories of these characters grapple with ideas of American masculinity. Professional codes are pitted against personal desires resulting in either ruinous relationships or solitary integrity. In thematic conflicts between independence and subordination all notions of manly independence prove subordinate to the hand of fate. Tracing the stylistic development of the genre Irwin demonstrates the particular influence of the novel of manners especially the writing of F. Scott Fitzgerald. He also shows that as hard boiled fiction began to appear on the screen in film noir it took on themes of female empowerment just as women entered the workforce in large numbers. Finally he discusses how these themes persist in contemporary dramatic series on television representing the conflicted lives of Americans into the twenty first century. **Hemingway's Chair** Michael Palin, 1999-06-23 A New York Times Notable Book of the Year Throughout Palin's empathetic humor informs this perceptive tribute to the art of manliness. Entertainment Weekly Martin Sproale is an assistant postmaster obsessed with Ernest Hemingway. Martin lives in a small English village where he studies his hero and putters about harmlessly until an ambitious outsider Nick Marshall is appointed postmaster instead of Martin. Slick and self-assured Nick steals Martin's girlfriend and decides to modernize the friendly local office by firing dedicated but elderly employees and privatizing the business. Suddenly gentle Martin is faced with a choice meekly accept defeat as he always has or fight for what he believes in as his hero Hemingway would. Filled with Michael Palin's trademark wit and good humor this novel is for anyone who has ever dreamed of triumphing over the technocrats and backstabbers of the world. Hilarious touching and ultimately inspirational Hemingway's Chair will make readers stand up and cheer. His book is well-paced his prose carefully hewn his characters fully developed and convincingly human. And his comic timing is impeccable. The Washington Post This book's strengths are its dry deftly understated wit its careful plot and character construction its clever on-the-money dialogue. Those pleasures carry you a long way. The New York Times Book Review The spirit of Hemingway is evident in Palin's prose. The Plain Dealer Cleveland
